### CARLTON PIONEER PASSES or shorter.

CARLTON, Or., Feb. 8.—(Special.)—Another Oregon pioneer passed away here today when Mrs. Catharine Juker, widow of Jacob Juker, who died in 1870, died at the home of her son. Mrs. Juker was born in Germany in 1832 and came to America with her parents in 1849, settling at Green Bay, Wis., where she met and married Jacob Juker.

Five children survive her—Mrs. I. C. Thompson, Harry Juker, Carlion; Mrs. Lillic Daniels, Spokane; Mrs. C. F. Hobart and William Juker, of Lafayette. The funeral will take place from the Catholic Church at McMinnville, Or.

The Governor's attention was called to the report alleging that Senator Smith, of Michigan, had charged Democratic Senators with having been inspired by the President-elect to block confirmation of Mr. Taft's nominations.

"Yes, I saw that report," the Governor said, but made no further comment.

The Governor was told of the prediction in some quarters that the distance of four warships to Central American waters augured further disturbances in Latin-America, which is the proportion of Mr. Taft's nominations.

CARSON CITY, Nev., Feb. 8. — The Barnes divorce bill, having passed the Assembly, will be presented to the Senate Monday, and in all probability will be referred to the committee on judiciary, consisting of three Democrats and two Republicans.

The majority of the committee are reported favoring the measure, Many members of the House and Senate went to Reno today during the adjournment and considerable pressure was brought to bear on Senators by local business men in opposition to the reform. A petition from the business men to the Assembly was blocked Friday and an effort will be made to present it for the consideration of the Senate. Advocates of the reform believe the Senate will favor it, but the members refrain from committing themselves.

The same campaign of letter writing and telegrams is planned by the re-form element as was adopted for the Assembly.

### 3 ROBBERIES TOTAL \$200 Two Burglaries and One Holdup Reported to Police During Night.

One holdup and two burglaries were reported to the police last night, the total loot being about \$200.

John Prelowski reported that he was held up in the doorway of a rooming-house at 31½ Second street North,

and relieved of \$8.

The home of O. Nelson, 1185 Rodney avenue, was entered by a burglar and furs and jewelry valued at \$150 were taken. C. D. Snider, 1134 Cleveland avenue, reported the loss of a watch and rings, valued at \$40, during the early hours of the evening.

# What Is a Bargain? Most of us, when we think of the meaning of

"bargain," think first-and maybe last-of the price. That's why, so many times, when you see bargains mentioned, the price is strongly emphasized. A good many people seem to be unable to get by this price fact; it fills the mind and the eye.

But a moment's thought will tell you that the price is only a relative thing; it may look like a very low price, and still be high, according to what you get for your money.

If you can buy \$10 gold pieces for \$9.75, buy all you can get; that's a bargain because you know exactly the value of what you buy. But you could, for instance, buy a horse for \$40 and another for \$150, and the latter may be a bargain, while the former may be dear at \$40. Depends on the horse.

Now, that's the way with clothes, whether the price is high or low, depends on the clothes—not the price.

Hickox had yielded to temptation and overindulged. He was found in the hotel by the raiding squad, the members of which cheerfully vouched for the fact that he was "pickled" at that time, it has not yet been explained how his "toolis" got into Custer's possession.

The revolver, star and other articles belonging to Hickox were taken in charge by the property clerk and developments were awaited. They came a few hours later when an exceedingly angry pollceman dashed into headquarters crying that he had been "jobbed" and demanding to know if there existed such a thing as "honor among brother" or similar steps, such a thing as "honor among brother officers." Nobody would console him.
