III WILL GRADUATE

Second Largest Class in History of Oregon Institution to Go Forth.

WOMEN ARE IN MAJORITY

Of Those Eligible, 97 Are From College of Liberal Arts and 14 From Engineering Course-Home of One Is in Sweden

UNIVERSITY OF OREGON, Eugene,

May 24.—(Special.)—One hundred and eleven seniors in the University of Orewere named yesterday by Registrar Tiffany as being eligible for graduation at the coming June commencement. This is the second largest graduating class in the history of the university, falling half a dozen short of the hanner class of last year.

Ninety-seven of the candidates are following courses in the college of liberal arts, and the remaining 14 are enrolled in the college of engineering. At the same time the undergraduates receive their diplomas, June 18, nine additional students in the graduate school will be awarded the degree of master of arts.

Women Make Up Majority This year's list shows a decided pre-

panderance of women over men in the college of liberal arts, and a slight majority for the women in the entire class. Taking the body of graduates as a whole, there are 57 women and 54 men. Leaving out the students in the engineering department, which is attended exclusively by men, the women have the advantage by a score of 54

While Oregon furnishes the largest enota to the cap and gown squad, the neighboring States of Washington, California and Idaho are well repre sented. The near-graduate who is farthest from home is Richard Scott Carrick, an engineering senior who Carrick, an engineering senior who hales from Gefle, Sweden. The farthest away city in the United States represented is Mechanicaville, Ia., which is the residence of Herbert Hill Matthews, of the college of liberal arts. The Oregon delegation is well distributed throughout the state, the proportion claiming residence outside Portland being unusually large.

Prominent Students Graduate. The departure of the 1913 class will be keenly felt by all the student activities of the university, for from its ranks have been recruited a large number of members of the various teams and other organizations. Among the prominent members are: Howard Zimmerman, David Pickett, Carleton Zimmerman, David Pickett, Carleton Spencer and Surieigh Cash, varsity debaters and orators. Spencer won the state intercollegiate oratorical conthe state intercollegiate oratorical contest two years ago, Pickett won the same contest last year, and Zimmerman captured second place this year. Three varsity football players, Captain Dean Walker, Edward Bailey and Paul Briedwell are included. Walker is the only man who will be drawn from the basketball five, but the baseball team will miss Captain Benjamin Chandler and Wallace Mount. Captain Walter McClure, of the track team, is the only athlete under Hayward's protection who will graduate this year.

The programme for commencement

The programme for commencement week, June 15, 16, 47 and 18 was also announced yesterday by Registrar Tiffany. Commencement is being more prominently featured on the university calendar each year, and it is intended this year to make the exercises especially attractive to alumni and old students who will return to the campus at that time as well as to the visitors who will be especially interested in the graduates.

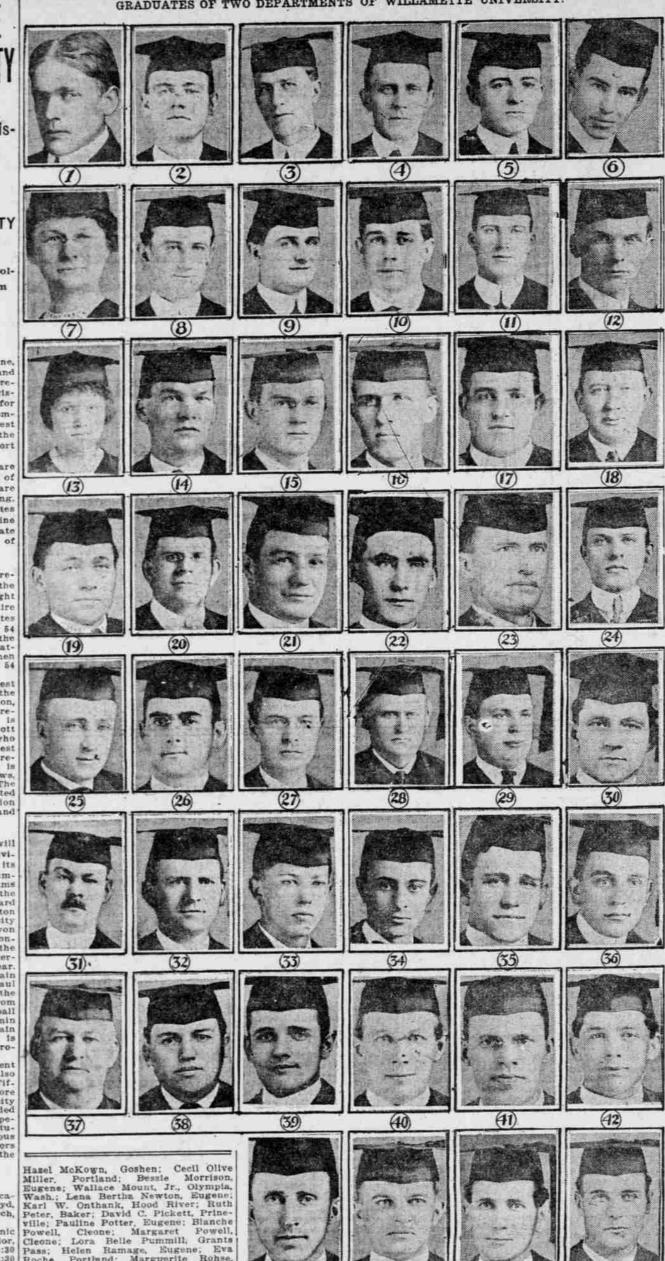

mencement address by Bishop E. H.
Hughes, D. D., of San Francisco; conferring of degrees by the president of
the university; 12:15 P. M., unveiling
of senior fountain, campus; 1 P. M.,
university luncheon to the alumni and
invited guests; 8 P. M., alumni reunion, men's gymnasium.

LARGE NUMBER OF TALENTED MUSICIANS ARE ATTENDING OREGON NORMAL

MEMBERS OF TRAINING SCHOOL ORCHESTRA.

MONMOUTH, Or., May 24.—(Special.)—The rage for music in and about the Oregon Normal School is phenomenal. Every third boy or girl on the school roll plays upon some musical instrument and all of them sing. Programmes of much merit frequently are rendered by these young people. The Normal Orchestra played for Elbert Hubbard during his recent visit to Monmouth and he paid a high compliment to the

ONE DEAD; 3 HURT

Leslie Edwards, of Milton, Or., Killed in Crash on Athena-Weston Road.

MAYOR OF HELIX INJURED

Car Driven by Clarence Shuell Attempts to Give Way for Approaching Machine and Turns Complete Somersault

PENDLETON, Or., May 24 .- (Special.) One was killed and three were badly injured today on the Athena-Weston road near the Dudley place, when an automobile carrying four residents of Milton and Helix, Or., skidded, crashed off the side of the road and turned a complete sommersault. The dead:

Leslie Edwards of Milton, Or. The injured: Carl Engdahl, Mayor of Helix, Or. Guy Smith, of Helix. Clarence Shuel, chauffeur, of Helix.

Shuel, who owns and was driving the car, says he was going at a good rate of speed and in attempting to turn out for an approaching automobile, felt the car begin to skid. Before he could get it under control the machine swerved to one side, left the road and made a complete sommersault.

Edwards was hurled violently with the could have read allowed to the same and allowed to the state.

the car and died several hours later. His skull was fractured, several bones broken and internal injuries were inflicted. The accident happened at 11

o'clock. The surviving occupants of the car were badly bruised and cut, but they will recover. Shuel was the least in-

RAILWAY COMPILES FACTS

Pennsylvania System Records Annual Data on Lines. The annual record of transportation

lines of the Pennsylvania Railroad system has just been issued. It shows that the company now has 11,644 miles of line and 25,695 miles of track. There are some 97,000 shareholders interested in these lines, or nearly four for every mile of trackage.

A compilation shows that the system paid out last year \$188,749,312 in wages, or \$7346 for every mile of track, and that there are more than eight em-ployes for every mile.

The record reflects the intensive de-velopment of the system as demanded by the public, in the direction of im-

proved terminal facilities, second, third and fourth track, yard and sidings, in order to handle increasing traffic eco-

order to mande increasing trainic easonomically and promptly.

While the present mileage of the system is only 1088 greater than in 1902, there has been an increase of 1335 miles in second track, 277 in third track and 224 in fourth track.

Since 1902 the mileage of "company sidings" as they are called has been sidings," as they are called, has been increased from 5916 to 8965. or 3049 miles—every mile of which enables the company to expedite the movement of trains in congested periods.

WOMAN 'TRIED FOR BREACH'

York State Society Makes Merry at Monthly Meeting.

The New York State Society of Oregon held its regular monthly meeting Tuesday evening at the Manchester Hall. A mock trial of a breach of promise suit, in which Clarence Wagstaff Wilson was plaintiff and Mrs. Sylvia Haseltine Pankhurst was defendant, caused a great deal of amusement.

J. W. Mack presided as judge, M. J. Mors. was bailiff and Jack Luihn clerk. Junius V. Ohmart was attorney for the plaintiff and T. O. Hague for the defendant. The jury consisted of Wal-

again A conundrum luncheon followed, and those who were good guessers secured their favorite dishes, after which all were served with coffee and cake. An rectly received a prize, which was se-cured by Jack Luihn. A large number of new members joined. The next meeting of the society will be at the the same place on June 17.
