One Hundred Ostrich Trimmed Hats

June Sale Price, Special \$5.00

—Not the conventionally trimmed hat created for sale purposes only, but particularly attractive hats for particular women who want every fashion note expressed in their chapeau, but who still cling to the black hat and ostrich trimmings.

—On Monday we shall exhibit 200 ostrich trimmed hats that will create the liveliest selling in our millinery section, for there are surely 25 women for every hat.

Of Lace Of Maline Of Chiffon Of Leghorn

—A customer who looks to our millinery section for all her hats remarked to our manager that he took unfair advantage of his patrons by creating new models, every few weeks, prettier than the preceding ones.

—We wonder what this woman will say tomorrow when she views these new midsummer hats just out from our milliners' hands and on show for the first time now.

They are radically different from anything shown so far this season. Most of the hats are created on leghorn bodies, with combinations of lace, maline or chiffon.

—In most stores they would be considered modestly priced at \$15.00.
