

MAKE REPUBLICANS WORK IS SLOGAN

Democrats Plan to Crowd Tar-
iff Bill by Holding All-
Day Sessions.

VOTE IN JULY PROMISED

Senate Leaders Now Admit Vote of
Vice-President Will Be Needed
Unless Poinsett Decides
to Vote for Measure.

WASHINGTON, May 31.—"Make the
Republicans work" is the slogan adopted
by the Democratic leaders of the Senate
in charge of tariff legislation who to-
day predicted that the Senate would
vote on the bill by August 1.

Members of the finance committee
said that the bill would be out of sub-
committee by June 9, that the full
committee's report should be ready for
caucus by the following week and that
the revised measure would be reported
to the Senate on June 22. Then it will
be pursued vigorously until placed on
its passage. Senator Hoke Smith, of
Georgia, said that the Senate should
vote on the bill in the latter part of
July. How this could be accomplished,
the Senator said, would be demonstrated
when the debate began.

Long Workdays Outlined.
"We will keep the Republicans who
want to discuss the bill working, and
we will keep at work ourselves from
the very beginning," he said. "We will
meet in the Senate every day at 10
o'clock in the morning and keep at
work until 5 o'clock at night. That will
prevent the opposition from delaying
the bill by playing with it. We will tire
the Republicans out of playing."

It was made evident today that the
fight against the Democrats on the wool
and sugar schedules would be concluded
in the caucus and that the bill would
be passed. Senators Hoke Smith, of
Georgia, and Senator Walsh, of Idaho,
because of their opposition to the sugar
schedule and Senator Walsh, because
it became of free raw wool. The ad-
ministration leaders were never more
positive than today that the bill would
come from the Senate and that it would
pass through the House of Representatives
with free raw wool and sugar in three
years remaining unscathed.

Amendments Will Be Offered.
Amendments to the sugar and wool
schedules will, of course, be offered on
the floor of the Senate, and the Demo-
crats who will remain actively against
the bill as it is reported will be ex-
pected to vote for them. Even then,
the leaders assert, the bill can be
passed as President Wilson approves it.
They admit, however, that a prob-
lem will require the vote of Vice-President
Marshall to pass the bill unless Sen-
ator Poinsett, the only avowed Pro-
gressive in the Senate, votes for the
measure.

Increase in all articles in the cotton
schedule that may be classed as lux-
uries are to be made by the Senate
Finance sub-committee. Members of the
committee admitted this today, assert-
ing that expensive cotton table covers,
table cloths of the finer grades and
table linens would be raised. A re-
duction in the cotton schedule will
be made, the rate on cotton card laps,
roping, silver or roving being reduced
from 10 to 5 per cent. On cotton yarns
the duties are to be increased, 10 per
cent to be taken as the lowest rate in-
stead of 5, and the rates of the Under-
wood bill to be increased from that
basis upward.

Retaliation Is Threatened.
The citrus fruit rate fight was said
today to have been practically settled,
and the sub-committee will report the
rates practically as they came from the
House.

Johnston's sub-committee is still
considering the advisability of putting
a retaliatory duty on print paper from
Canada, owing to Canada's restrictions
on wood and wood pulp. It has not
reached a decision on this point, how-
ever.

The agricultural schedule is still un-
der debate. Some of the Democratic
leaders say that it is not definitely
determined how to equalize raw materi-
als and their raw products with re-
spect to livestock and grains. Some
Senators favor a duty on most grains
and oatmeal instead of placing cattle,
sheep, hogs and grains on the free list.
Members of the sub-committee are
inclined to free list the raw materials,
but they said today that the sentiment
of the Senate would be sounded further
before their final report on this ques-
tion was made.

**Feet So Sore
Couldn't Walk
Down Stairs**

TIZ Cured Her Quick.

Send at Once for Free Trial Package.

If you have sore feet, tired feet,
sweaty feet, lame feet, tender feet,
smelly feet, corns, calluses or bunions,
read what happened to Mrs. Crockett,
of Jeffersonville, TIZ did it. Mr. Crockett
said: "After the second treatment
she walked downstairs one foot at a
time. She had not been able to walk
downstairs before in past five years,
except by stepping down on each step
with one foot at a time. This is re-
markable. Send five more boxes."

No matter what ails your feet or
what under heaven you have used
without getting relief, just use TIZ.
It's the only foot remedy ever made
which acts on the principle of drawing
out all the poisonous exudations which
cause sore feet. Powders and other
remedies merely clog up the pores.
TIZ cleans them out and keeps them
clean. You will feel better the first
time it's used. Use it a week and you
can forget you ever had sore feet.
There is nothing on earth that can
compare with it. If anyone offers you
an imitation that is claimed to be "as
good as TIZ," ask why it is just as
good. They don't dare to come out and
advertise it. Don't you be a victim—
get the genuine. TIZ is for sale at all
drug stores, department and general
stores, 25c per box, or direct, if you
wish. Money back if TIZ doesn't do all
we say. For a free trial package write
today to Walter Luther Dodge & Co.,

Voters, Be Warned

The opposition to the HEUSNER
FRANCHISE is moving heaven and
earth to defeat the same, and will,
doubtless, resort to Roerbach methods,
and will mail, at the eleventh hour, a
letter to all voters setting forth a sell-
out or other equally lying statement.
Pay no attention to such lying letters.
