This Is the Most Important Sale of Women's Fine Tailored Suits the Lipman-Wolfe Store Has Ever Announced

—A combination of causes, seldom found together, brings about this sale.

—1. A cold uncertain Spring—affecting the women's suit business everywhere.

—2. The Tariff—Projected changes in the wool schedule causing manufacturers to thoroughly clear their stocks in readiness for whatever may come.

—3. Market Conditions—resulting in heavy over stocks of manufacturers and retailers, that must be moved at once.

**Of Our Entire Stock of Suits, We Selected the Best
317—And They Are Ready Tomorrow—Monday**

—You have our assurance that every suit in this sale is new this season, representing the last note in the late Spring and mid-Summer fashions.

—Many models in fancy cutaway and trimmed suits, also an abundance of the always-popular and ever-fashionable plain tailored suits.

—Every suit is lined with the best quality peau de cygne silk, and perfectly tailored by custom tailors.

—The range of colors is broad, being represented by every staple as well as many new Spring shades.

—Black and white checks and stripes in great variety, also plain diagonals, serges, and becoming combinations of Scotch worsteds.

—These suits are reproduced from the best French models, in styles that are modified to meet the taste and requirements of the American woman.

—The skirts are cut in a variety of the newest straight gored and fancy draped styles, and trimmed to match the jackets.
