

# It begins it's first full week tomorrow— The Fire Sale

of the \$150,000 Fire and Water-Damaged Stock of Furniture, Carpets, Rugs, Linoleum, Drapery and Upholstery Materials, Etc.

Doors Will Not Open Until 9 o'Clock.

Reserve stock in our basement is now being unpacked and entered in the sale. Repairs and improvements to our building are now under way. This means that our entire stock must be disposed of immediately. To accomplish this we have not hesitated in marking every article in every department at a price so low that quick selling is sure to be the result.

Never before in the history of Portland or the Northwest has a sale of this character enjoyed such response to its announcement—never before such a disposal of Furniture, Carpets, Rugs, Drapery, Upholstery and Decorative Materials as that which has so far marked the first three days of this most opportune event. It's a sale you cannot afford to overlook if you have in mind the selection of home furnishings of the dependable kind. Bear in mind that from day to day, as the sale progresses and opportunity permits, the reserve stocks of every department will be entered in the sale at prices as interesting as those that have appeared heretofore. Watch and wait for further announcements. The sale will be conducted under the same conditions as heretofore:

No Goods Will Be Exchanged. Selections Will Not Be Held for Future Delivery. Delivery Will Be at Our Earliest Possible Convenience. Terms Strictly Cash. No Charge Accounts Will Be Considered During the Sale.
