The railroad man, while on his way to the depot to take charge of his train, was assaulted by Charles Perana, who arrived here yesterday from California, where he has been for the last 12 years. Using his fists, Perana gave Christen a decisive beating. Perana was arrested and released on bail pending a hearing. Perana refused to talk about the case when asked why he assaulted Christen, except to say he had an "old grudge" against the trainman. It is said that Perana has been harboring ill feeling against Christen for several years, for after he went to California 12 years ago, Mrs. Perana got a divorce and married Christen.
