TELEGRAPHIC SPORTING BRIEFS

CINCINNATI.—Fred C. Merkle, first baseman of the New York National League club, was sued for \$400 in common pleas court here by James M. Crow, of Wheeling, W. Va., who alleges that the ballplayer owes him for a 16th interest in a West Virginia company which is now drilling for oil.

Savannah, Ga.—At a meeting to consider offering financial assistance to the grand prize and Vanderbilt cup races Thanksgiving day, Arthur W. Solomon, secretary of the Savannah Automobile Association, said it is quite probable the races will be called off a lack of entries is given as the cause.

Indianapolis.—Magnates of the Federal League of baseball clubs began their Fall meeting here with Acting President J. A. Gilmore, of Chicago, presiding. The session probably will continue through Monday. Several important matters are being discussed, including increasing the league to an eight-club circuit and the posting of \$50,000 bonds.

Philadelphia.—Ralu prevented the starting of the cricket match between the Incegniti Club, of London, and the Philadelphia Cricket Club. The match will start Monday, weather permitting.

St. Louis.—Miller Higgins, manager of the St. Louis National team, signed a contract to manage the team next year.

New York.—Rochester faltered at the finish and Newark won the international League pennant, ending a race for the flag that was the closest and most exciting in years. Rochester spoiled the last chance to land the championship by losing a double-header

Chicago.—The Manhattan cup races for class B sloops will be sailed here Monday. The Manhattan cup was won last Summer by Michleago, of the Chicago Yacht Club.

San Francisco.—Willie Ritchie received a message from Promoter Gibson in New York that arrangements had been completed for a bout with Leach Cross to be held in New York City October 31.

Atlantic City, N. J.—Breaking 55 targets straight in the shootoff, R. N. Brun, of Brooklyn, Pa., defeated Charlie Newcomb, of Philadelphia, for possession of the Atlantic City cup in the concluding match of the trap shooting Westy Hogan tournament.

Lawrence, Kan.—Willis K. Bramwell, who was elected captain of the University of Kansas football team at the close of last season, and Edward W. Stuewe, fullback on last year's eleven, notified Coach Sloche that they would return to the university in a few days.

WHITMAN SQUAD ENCOURAGING

New Football Material Reported to Be Promising.

WALLA WALLA, Wash., Sept. 20.—(Special.)—Archie Hahn, coach of Whitman College, is much encouraged over the football prospects this year, the squad which is turning out for daily practice giving promise of developing into a good team.

Nine of the men have had football experience with the Missionaries and in addition a large number of freshmen are out.

There is some promising new material. Mason, of Seattle, a 165-pounder, is trying for the backfield, as is Bishop, of Vancouver. High New wanger, 150, wants to play tackle; Hoover, of Waukesha, is training for a backfield position; Henderson, of Milton, and Post, of Olympia, are working at quarters; Bossor, of Milton; Fitz Blackwell, another veteran, has entered the Oregon Agricultural College, where he will take an engineering course.

Will take an engineering course, Evanston, Ill., where he will put in his last year at the Northwestern University.

The student body and followers of the sport in Salem know that with the material as limited as here it will be utterly impossible to make up these losses. The student body and followers of the sport in Salem know that with the material as limited as here it will be utterly impossible to make up these losses.

At present three veterans are in the starting line-up. Parsons, a second year Homan, last season's quarter back; Rowland, half back, and Bolt, tackle, are doing what they can to bolster up the team.

Several players from last year's second team should make a strong fight for the varsity. Among these second string men are: Parsons, second year; Homan, last season's quarter back; Rowland, half back, and Bolt, tackle, are doing what they can to bolster up the team.

Among the new students trying for the position of heavy man are put in an appearance, this being Pepper, of Dayton, a 180-pounder, with no football experience. Torkelson, of Astoria, is another promising first year candidate. Fiegel, of Portland, a player on last year's Jefferson High School team, is showing up well for a line position. Parsons, a second year man, new at the game, of fair weight, is another who will come near landing a varsity place. Teeters, of Boise, Idaho, is a likely appearing player who is trying out for center. The schedule includes games with the Alumni October 4, University of Oregon, at Salem, October 18, and other games to be played are those with Whitworth, Gonzaga, Chemawa, Pacific and Vancouver Soldiers.

Thanksgiving day will be filled by a strong team, which will be closed within a few days.

SPORTING SPARKS

THE kidney spinal blow is to go under the hammer. The Wisconsin and New York Boxing Commissions are discussing it and say that the blow should be barred. Oakland, Cal., is advocating the use of pillows for gloves. Probably good will become, as the London Times has intimated, the popular pastime with the live fans.

Ty Lober may spend the Winter playing with the Santa Monica team of the California Winter League. Santa Monica, wants the pennant of that organization and has announced that the team will have Johnston, of San Francisco; Bayless, of Venice; Tennant, of Sacramento; Lohman and Jost, of Oakland, and Boles, of Los Angeles.

If Joe Jackson beats out Ty Cobb this season, South Carolina is planning to annex Georgia and sell its citizens into captivity, according to Grantland Rice, of New York.

With the intercollegiate tennis and golf settled, football and crew at Har-

vard and Yale can go their ways without occupying too much space. Prospective students this year will have to consider the New York state holder of the golf title and old John Harvard at home with the tennis laurels.

George E. Pardy, of Chicago, says the line against the black heavyweight will remain until there is a "white hope" who is really a match for the British man, such was the announcement of the golf title and old John Harvard at home with the tennis laurels.

St. Louis fans are wondering how it has come that Miller Higgins traded Larry McLean to New York for Otis Crandall and then sent Crandall back with the statement that he would get a main event with the state holder of the title. It seems, wanted McLean and the players wanted Crandall back, so it was a case of getting both.

The United States Golf Association will next year send a team of ten men to compete against the cracks of Great Britain in the annual Ryder Cup tournament. The team will be headed by the champion of Henry Schmidt at a banquet in his honor a few days ago.

CHRISTIE'S TEAM STRONG

CALIFORNIA HOPES TO WIN THE PORTOLA TRACK MEET.

Strong Competition Expected From Colleges and Clubs of the Pacific Northwest.

UNIVERSITY OF CALIFORNIA, Berkeley, Sept. 20.—(Special.)—Trainer Christie, of the varsity track team, has started an active interest in Fall track work by announcing that the Fall track meet, which will be held as a preliminary try-out for the big Portola festival, track and field carnival, Gold medals will be given for first place in this meet. Besides this there will be a series of try-outs and relay races for both track and cross-country squads.

Christie is out to win the Portola games for California and in a measure retrieve himself for the defeat administered to his team last April by the Stanford protégés of Dad Moulton, when they came out on the long end of a 61-10 to 69-4-5 score after several of the most exciting contests ever witnessed in this section.

The fact that both the Northern and Southern sections of the country are competing in these Portola games makes them well worth winning.

From the north it is expected that Multnomah will send McClure, Philbrook, Hawkins and Bellah. The Seattle Athletic Club will send Con Walsh, the world record holder in the 50-pound weight event, and possibly one other.

Among the college men that have been invited to compete are Windigme, of Oregon; Baker, of O. A. C.; Vindor, of Washington; Phillips, of Washington State; Phillips, of Idaho, and Clyde, of Washington.

In the middle distances California will be well represented by the varsity Miller, is devoting his time to the five-mile this Fall and Earl Crabbe is getting into shape for the steeplechase.

The time trials for the varsity football team will be held on the shorter distance. This will be his initial appearance in a shorter event and after a short rest, Miller, recently ran the century in 10:35-4 a remarkable performance for a two-mile. At present he is also leading the cross-country squad.

GIRLS' SPORTS ARE INCREASED

Volley Ball, Indoor Baseball and Tennis Introduced in Schools.

At a meeting of the directors of athletics in the grammar schools of the city it was decided to introduce three new sports for the girls. These are volleyball, indoor baseball and tennis for the Winter months and tennis for the Spring term. With five kinds of athletics already indulged in by the boys, the three new sports for the girls will be well representing the various grammar schools. The athletic committee, under the supervision of Robert Krohn, has charge of the program and all dates will be decided on soon.

Because a great deal of interest is being manifested in athletics by the high schools of Portland it will in all probability be added to the sports recognized in the interscholastic league. Already students from Lincoln High are getting into trim under Leon Fabre, physical director of the school, and with Dr. Rinehart tutoring the gymnastics classes of the Jefferson and Washington Highs a triangular meet may be looked for before the end of the term.

RULE FOR OPTIONS AMENDED

Players Sent to Minors Subject to Recall Before August 15.

CINCINNATI, Sept. 20.—The National Baseball Commission has amended the rule that the rule of the commission prescribing the conditions under which an optional agreement will be approved and voided has been amended by the addition of the following paragraph: "A purchased Major League player, who has participated in a game and been regularly relieved on, may be released before September 15 of the year of its execution under an optional agreement, exercisable on August 15 of the following year. Such player shall, however, be subject to draft in the year of his release regardless of the approved option agreement."

The commission also construed the rule relating to the number of players on a major league club to mean that the club will not be required to include in its list the name of any player who is incapacitated by injury or illness that he is unable to render services and the chances of the recovery of his athletic ability are questionable. Such player shall be reserved as "disabled" and not count in his team's limit.

HEAVY WORK BEGINS

High School Teams in Scrimmage Work on Gridiron.

SEASON IS 12 DAYS AWAY

Washington Has Biggest Squad With Lincoln Not Far Behind—Boys Have No Serious Accidents in Early Practice Trials.

But 12 more days of practice remain before the first football game in the Portland interscholastic league. The various teams of the league are fast getting into condition and by the end of the week the squads will be separated into first and second teams and third if necessary.

At present the Washington High has more candidates than any other school, with more than 55 out, while the Lincoln High is a close second, with more than 42.

Light scrimmage work has been dealt with by but three teams and as yet no serious accidents, outside of "charley horses" and sore muscles, have been reported. For the first time since the opening of Washington High the Lincoln High has more students to draw from, there being more than 1300, while Washington comes next with fewer than 1200, and Jefferson last with less than 1100.

Hill Military Academy is fast getting into shape to open the league schedule with the Lincoln High, on October 5. The second game will find Columbia University and Portland Academy fighting it out on October 10, and after the third affair, October 15, has been played, all the teams of the league will have played a game.

At present eight of last year's team are out with the Lincoln High squad, Frank Busch, Holt, Johns, Ray Grove, Mulkey, "Rusty" Grove, Freeman and "Major" Melton being the letter men, and with the addition of Meter Newman, who created such a sensation in 1911, the prospects of a winning combination seems bright.

AMERICANS WIN AT MONTREAL

Two Canadian Track and Field Records Are Broken.

MONTREAL, Quebec, Sept. 20.—American athletes won eight out of 20 of the important events at the championship track meeting of the Quebec Amateur Athletic Union of Canada held here today.

Canadian records were beaten by H. Barwise, Boston Amateur Athletic Association, with 6 feet 2 1/2 inches in the high jump, and J. H. Duncan, of the Broadhurst Athletic Club, New York, who threw the discus 140 feet 1 inch, and T. J. Halpin, Boston, won both the quarter mile and half-mile races, the former in 49 seconds and the latter in two minutes.

The mile race went to J. A. Power, Boston Amateur Athletic Association, whose time was 4:23-4.5, while J. C. Lawler, unattached, of Boston, won the 15-pound shotput event with 45 feet. M. A. Connor, Boston Amateur Athletic Association, took the 100-yard sprint in 10-1/2 seconds, and H. J. Smith, Bronx Church House, New York, the five-mile event in 25 minutes 28 seconds.
