23 CITIZENS ADMITTED

EIGHT APPLICANTS DENIED NATURALIZATION.

One Presumptive American Declares Constitution Only Provides for Republicans and Democrats.

That the Progressive party and all other political organizations except the Democratic and Republican parties have no constitutional rights was asserted by one of the applicants for citizenship examined in Circuit Judge Cleeton's court yesterday. The applicant in answer to a question regarding the Constitution of the United States propounded by Henry B. Hazard, special examiner, said that the Constitution provided for only the two parties.

Twenty-three applicants representing 12 nations were admitted to citizenship, eight were denied and two cases continued when the applicants could not qualify by showing a sufficient knowledge of the principles of government. The Government was represented at the hearing by Mr. Hazard, special United States naturalization examiner.

Henry B. Hazard, Department of Labor Official, Who Conducted United States Naturalization Tests in Circuit Court Yesterday.

There will be no naturalization day in October in either the United States or state courts, as the law provides that there shall be no naturalization of aliens within 30 days next preceding a general election within the jurisdiction of the court. There will be a referendum election in this state on November 4. Those who were passed yesterday and their native country were:

Frederick Kruse, Russia; Peter A. Dahlstrom, Sweden; Michael Stepanowicz, Austria; Andre Meyer, Austria; Joseph Macken, Ireland; Jacob Cabe, Canada; Stainslaw Przbylski, Germany; Richard M. Gregory, England; Mandus T. Peterson, Sweden; Richard Farcell, Wales; Carolus T. Schuelderman, Netherlands; Carl A. Ostrom, Sweden; Leonard Schofhausen, Hungary; Frank W. Swanton, Ireland; Simon Bayer, Germany; Franz Simon, Germany; August Minx, Germany; Montague B. Coade, England; Harman Sabisch, Germany; Paul C. Wepfer, Switzerland; William Clement, Russia; Willis E. Markell, Canada, and Luigi Sciarra, Italy.

SCHOOL LEVY GAIN DUE

SLIGHT INCREASE IN TAX THIS YEAR IS PROBABLE.

New Site and Building For Couch District Favored by Director Sabin. Operation Costs Are Larger.

The school tax for the coming year probably will show a slight increase. It is probable that the school directors will ask for two new buildings; one to replace the old Couch building and another for the Trade School.

School Director Sabin favors the abandonment of the Couch School building and the purchase of a new site 200 by 400 feet—two city blocks—on which a building should be erected at a cost of about $130,000, the site to cost not more than $125,000. A site for the Trade School was bought two years ago adjoining the Lincoln High School, and the new building, Mr. Sabin believes, should be made especially strong to contain the necessary machinery.

Salaries and expenses of operation of the schools this year will be slightly in excess of last, owing to the growth and the addition of new departments. Probably about as much will be realized from bonds and premiums, county apportionment, state apportionment and tuition and delinquent taxes. The annual meeting of taxpayers will be in the latter part of November, the exact date not yet having been fixed. The last levy was 5.5 mills, which realized $1,485,985.50. Bonds and premiums brought $151,200; county apportionment, $321,550.25; delinquent taxes, $20,258.27; interest, $11,348.55; state apportionment, $75,000; tuition, $2411; miscellaneous, $48,243.06, totaling $2,001,026.73.

The expenditures for the year to date are $1,436,493.86, with a balance on hand August 31 of $921,431.32.

AZORES MAY BE NEUTRAL

Britain, Germany and United States Propose Big Move.

LONDON, Sept. 20.—A proposal to make the Azores' Archipelago an international neutral zone is being considered by the American, British and German governments, according to today's Manchester Guardian. The proposal is said to be incidental to the opeening of the Panama Canal.

The fact that German, American and British companies have joint cable stations on the islands makes free access to them of the utmost importance. "It is proposed," says the Guardian, "that a joint treaty be arranged between Portugal and the other civilized nations by which a neutral international zone shall be established and strictly maintained in the archipelago. It is suggested that all vessels within this zone be protected against attack or seizure and allowed to receive provisions and fuel."

Theft From Fellow-Worker Charged.

CHEHALIS, Wash., Sept. 20.—(Special.)—Anton Ritsic, a young man employed by the Stillwater Lumber Company at Vader, is in the County Jail charged with stealing $235 from a fellow employe named Irwin Kemp. The latter is 56 years old and had secreted his money in a jumper which he hid behind a pile of lumber. Ritsic is alleged to have taken the money and paid off $84 of his debts with a part of it, the balance being found in his room. He is expected to plead guilty.

Fourfold Piano and Player Piano Sale Continues at Eilers

Extraordinary Offers of Extraordinary Importance to Every Musicless Home.

Old Style Pianos for Only $65, Some for $35—Excellent Ones for $185 and $190—Magnificent $900 and $1000 Kinds for Half—If a Family Can Spare $6 or $8 or $10 a Month, There Is No Excuse or Reason Now for Absence of Good Music.

The most unusual sale of player pianos ever witnessed in Portland is nearing end.

Three exceptionally very beautiful new player pianos in mission design still are to be had. We finish these in our big Pettygrove shop to match in color any particular surroundings. All go at half price.

There are several brand new player pianos for only $310; there are two for $355; two of them for $285—all of them practically half price.

These instruments, two carloads of them, belonged to bankers who advanced money on them. We got them at virtually our own price. We pass our advantages along to the quick buyer in order to keep business humming in the big piano house.

For this purpose, too, we are making a preliminary clearance of all used instruments, many of which have come to us of late in part payment for new player pianos and for baby grands.

$35, $185 AND $225.

We'll supply old-style pianos tomorrow for $55 and $65. Some even for only $35. We must have them out of the way. We'll supply discontinued styles of Hobart M. Cable, and Lester, and Kimball, and Weber, and other pianos for $185 each, and we shall furnish still better Decker, Hazelton, Chickering, Steinway, Kimball and numerous other world-renowned makes at $225 each; $25 down and $10 a month will buy them, and the less expensive styles will go for only $15 down and $6 a month.

There are dozens of these used pianos; every well-known American make is represented; the reductions are genuine and prices lower than they will ever be made again this year on instruments of similar grade and quality.

WILL SELL ON TIME NOW.

In order to make quick work of disposing of the rest of the remaining new player pianos in this sale, as advertised, we now offer to sell them on our regular easy-payment plan. $50 down and $12 a month, but the plainer and smaller styles remaining on hand may be had for only $10 a month.

Remember, the instruments in this sale are the very best standard highest grades. We cannot say any more than has been said heretofore. We got these pianos from a firm of bankers who accepted our own offer. We unhesitatingly state that we have never presented an opportunity so favorable as this. Never heretofore could latest high-grade player pianos be purchased so advantageously as just now. But it is necessary to hurry. There were only 42 to commence with. If it had not been for an unavoidable delay in our sales department all, no doubt, would now have been sold, so come at once if you wish to participate in this wonderful money-saving opportunity, for now that we propose to sell them on little payments and at these low closing-out prices they will be quickly taken.

A THIRD-FLOOR SURPRISE.

At the same time we continue on the third floor the introductory sale of a wonderfully improved upright piano, the Duotonal.

This instrument possesses two scientifically arranged sound boards instead of one, and a bigger tone in fortissimo, and also a more liquid and singing quality of tone throughout the entire register of the instrument is obtained by virtue of this new improvement.

THESE GO FOR $21 CASH.

One hundred and thirty-five of these fine new instruments are being included in this introductory sale, all at a uniform introductory price and on uniform terms of payment, $21 cash and $8 a month.

A PIANOLA-PIANO SLAUGHTER.

And last, but not least, every pianola piano in this establishment is to be closed out, slaughtered is the word. Weber pianola pianos, Steck pianola pianos, Wheeler pianola pianos, Stuyvesant pianola pianos, virtually every catalogue style. Many of them rebuilt in our own shops, whereby nearly all of the salient features which they heretofore lacked have been added.

All of these pianola pianos are being closed out under a factory-price-maintenance agreement, as so-called "second-hand" instruments, and at prices virtually the same as though they were regular uprights instead of pianola pianos with the much-advertised Metrostyle and Themodist features which, before the invention of the Rythmodik music rolls, were quite important.

There are more than 20 pianola pianos altogether. Never was the Eilers little-profit-per-piano policy so effectually demonstrated as in this fourfold sale, which should provide a piano immediately for many a musicless home. The long Winter evenings are coming, get ready for them. This sale points the way. Eilers Music House, Broadway at Alder st.—Adv.

GRAIN RECEIPTS GROW

WEEK'S SHIPMENTS EXCEED 1912 BY 249 CARS.

Since Beginning of Present Season Value of Products Arriving Is Given as $5,400,115.

Grain, flour and hay of the new crop are coming into Portland from country points at a splendidly increasing rate. The totl receipts in the past week, as compiled by the Merchants Exchange, were 1073 carloads. This is 249 cars more than were received in the same week last year. In every line a good gain was shown.

Arrivals in wheat alone were 978,900 bushels, as against 767,000 bushels brought in during the corresponding week last year.

If all the past week's arrivals were combined, they would make a train nine miles long. The total value of the week's receipts was $1,114,186. Wheat led with a valuation of $821,276.

Since July 1, the beginning of the present grain season, the receipts at Portland have been as follows, compared with the same period last year.

	1913.	1912.
Wheat, bushels	4,312,100	4,057,300
Barley, tons	17,745	13,965
Oats, tons	8,550	4,950
Flour, barrels	207,200	186,400
Hay, tons	10,660	10,220

This season's receipts represent a money value of $5,400,115 and would fill a train of freight cars reaching from Portland to Cascade Locks.

GUNS WILL BOOM TODAY

SHAM BATTLE ON CLACKAMAS RANGE IS SCHEDULED.

Paraffine Bullets Will Be Used in Theoretical Warfare of Multnomah National Guards.

Portland today will hear the rattle of the muskets and the booming of the cannon of war, if the wind is in the right direction. However, it will be the noise made by sham battles because the Multnomah County National Guard troops will this morning wage a theoretical war on the Clackamas Rifle Range.

The whole will be on a basis of real warfare. The companies will be divided into two sections, one the defenders of the 250-acre tract and the other the invaders.

Each force will be supplied with a platoon of artillery. Scouts will skirmish the country and help the officers to determine the points of attack and when the march is started the place will have the appearance of a seat of real warfare.

The guns will be loaded with real shells and real powder but the bullets will be made of paraffine, making the pellets harmless at a greater distance than 100 feet.

The soldiers will have instructions not to fire in the general direction of the spectators of whom, it is expected, there will be a big number.

In the afternoon soldier games will be staged in which the members of the companies will show their skill at military tactics for trophies.

This programme will include the pitching of tents, picking up of wounded, scaling walls and all the other "stunts" not in the manual.

HUMPHRIES NOT TO ARGUE

Seattle Judge Will Not Attend Debate on Free Speech.

SEATTLE, Waash., Sept. 20.—(Special.)—When the debate between the personal representative of Superior Judge John E. Humphries, A. J. Speckert, lawyer and spiritualist preacher, and Dr. Hermon Titus, Socialist and I. W. W., on the question of free speech takes place in Dreamland Pavilion tomorrow night, the Judge will not grace the gathering with his presence.

"Let 'em debate all they want to," said the Judge this morning. "I'm not running around to all the things they get up. No, I'll not be there."

The question of debate is, "Resolved, That the principle of free speech is endangered by the recent injunctions issued by Judge Humphries against street-speaking at Fourth avenue and Pike streets."

DAUGHTERS ARE LUXURIES?

Dresses for Little Girls Cost More Than Mother's Gowns.

LONDON, Sept. 20.—The misses of nowadays are more expensive in their dress than are their mothers, and the little daughters are fast growing to become an expensive luxury if they are to appear fashionable.

Fashion decrees that mothers shall buy dresses for their daughters exactly similar to their own, says one of the leading dressmakers in talking of the changing customs, and the "simple" frock for the daughters often cost from $5 to $10 more than a gown for their parents.

Even without any special extravagance, the dressing of the little girl is growing to be one of the leading items to be met by the husbands, and the bills which are being sent to London fashionable homes which have daughters by dressmakers are often a revelation to the fathers.

COLONEL THATCHER IS DUE

Traveling Good Roads Advocate to Reach Portland Tomorrow.

Colonel Charles W. Thatcher, the good roads advocate who recently visited in Portland and later attended the good roads rally at Gearhart, will arrive in Portland tomorrow, according to information received by Julius L. Meier, president of the Columbia River Highways Association. Mr. Meier said yesterday that the association would appoint a committee to meet Colonel Thatcher and escort him into the city.

The road enthusiast, who has crossed the continent several times with his little Mexican mules, is returning from Seattle, where he has been preaching good roads. In all of his speeches he did not forget to call attention to the work being done in this community, and assured Mr. Meier that the Oregon good road situation had been materially benefited by his Seattle tour.

PLAY MAY COST BOY'S LIFE

Deaf and Dumb Lad Wanted to Get Into Indian Game; Falls.

NEW YORK, Sept. 11.—Little John Kostyk, deaf and dumb, was left home by his wodowed mother, as usual, when she went to work the other day. She came home at night to find that the lad had fallen four stories down an airshaft and would probably die.

Late in the afternoon John grew lonesome and clambered up to the roof of a house nearby, where a dozen boys were playing Indian. Though he could neither yell nor hear, he tried to enter the game. As he stood near the edge of the air well he toppled over.

Dr. Knowles, of Bellevue Hospital, found the boy suffering from a fractured leg and internal injuries which he thinks mortal.

BLAZE AT TRACK QUENCHED

Bucket Brigade Quickly Puts Out Fire at Baker Fair.

BAKER, Or., Sept. 20.—(Special.)—Quick action with a bucket brigade averted a panic among the nearly 2000 people watching the races at Baker County Fair this afternoon.

Fire was discovered in the center entrance, just back of the spectators, by William H. Ellis. It was smoking merrily and he called for volunteers, who, with buckets, quickly extinguished the blaze.

The crowd was busily watching the exciting 2:20 trot and did not hear the cry of fire started outside the stand. The damage was small.

OLD TOMMY AIDS SEAMEN

Befriended Feline Patrols Pier With Box for Hospital Fund.

LONDON, Sept. 20.—Though belonging to no one in particular, Old Tommy, a splendid tabby cat, the pet of the pier hands at Greenwich pier, has made a hobby of collecting money for the funds of the seamen's hospital at Greenwich.

Already Old Tommy has collected $35 for this fund. Two years ago Old Tommy wandered to the pier, a miserable, little, stray cat. He was fed and befriended, and now he patrols the pier with a little collecting box hanging from a leather collar round his neck. The box is marked: "Please remember the hospital. Yours faithfully, Old Tommy."

Tommy watches for steamboat passengers on the pier, and so successful is his collecting that during the past five or six weeks 10 shillings weekly has been obtained for the hospital.

Lebam Conventions Coming.
