

MRS. MALLET IS HEAD OF W. C. T. U.

Multnomah County Union Prevails on President to Accept Re-election.

HOP INDUSTRY CENSURED

Early Shopping by Women Is Indorsed in Hope That Shoppers May Have Easier Time. Coffee Carts Suggested.

The annual convention of the Multnomah County Women's Christian Temperance Union was held in this city on Tuesday, at the First Christian Church, and was one of the notable events of the week, for it brought together distinguished temperance workers from all parts of the county, who gave their reports and received inspiration in their work.

The unanimous re-election of Mrs. Mary Mallett to the presidency was an occasion of rejoicing, for Mrs. Mallett had declared her intention to withdraw from the leadership of the county unions, and it was only at the urgent call of the delegates that she consented to return to the high office she has so capably filled.

The programme was replete with interesting and helpful features. The report of Mrs. Mallett was a record of good work well done. Six new unions have been added to the roll of the county this past year and in every instance progress has been noted.

Hop Industry Condemned.

The resolutions committee, including Mrs. Earl C. Arnold, Mrs. B. F. Wolf and Mrs. Francis Henderson, presented several excellent resolutions, the most important of which was that condemning the hop industry. As hops are used in the manufacture of beer and that beverage is branded by the Union as the cause of so many unhappy homes and of much poverty and misery, its making is considered a detriment.

A suggestion made by Mrs. Lucia Addison in her report on "labor" was that the women indorse early shopping during the holiday days and that they do not shop on Saturday afternoons. By so managing their household affairs, they could, she said, make the life of the shop girls and storekeepers much easier.

Speakers Are Heard.

The women of the Christian Church served luncheon to the delegates during the noon hour. Among the subjects reported upon and the speakers were: "Freaks," Mrs. S. T. Lysons; "Charity and Rescue," Mrs. Rachel Kelly; "Purity in Literature and Art," Mrs. Mary L. Mallett; "Penal and Reformatory," Mrs. Mary Post; "School Savings Banks," Mrs. Fannie McCourt; "Sabbath Observance," Mrs. J. A. Sanner; "Sunday School," Mrs. J. M. Allphin; "Social and Red-Letter Days," Mrs. M. L. T. Hildan; "Scientific Temperance Instruction," Mrs. Jane Donaldson; "Soldiers and Sailors," Mrs. Elizabeth Kiehlhoff; "Systematic Giving," Mrs. Minerva Van Tynes; "Work Among Children," Mrs. M. E. Fullilove; "Secretary Young People's Branch," Mrs. Linnie Carl; "Lecture Bureau and Institutes," general officers; "Anti-Narcotics," Mrs. Anna O. Foote; "Christian Citizenship," Mrs. J. W. Wilkins; "Evangelistic," Mrs. E. K. Norcup; "Flower Mission," Mrs. Luitia Rowley; "Health, Hygiene and Medical Temperance," Mrs. Lora C. Little; "Legislation and Arbitration," Miss Frances Gotshall; "Literature," Mrs. Ella Little; "Narcotics," Mrs. Lucia Addison; "Moral Contest," Mrs. C. M. Poney; "Mothers' Meetings," Mrs. Mattie Sleeth; "Mercy," Mrs. J. C. Scott; "Peace," Mrs. Alice Hanson; "Noon-tide Prayer," Mrs. Ida Barkley.

Beside Mrs. Mallett, the officers elected at the convention were: Vice-president, Mrs. Margaret Houston, Central Union; corresponding secretary, Mrs. J. W. Wilkins, Mount Scott; recording secretary, Mrs. O. C. Arnold, Astoria; treasurer, Mrs. Alice C. Richardson, Mount Scott.

HEPPNER, Or., Sept. 20.—(Special.)—The Morrow County Teachers' Institute has been in session at Heppner this week. The instructors were J. A. Churchill, Mrs. M. L. Fulkerson and C. H. This was Superintendent Churchill's first visit to Morrow County, and he made a most excellent impression on the teachers and citizens.

GRESHAM FAIR PAYS

Receipts Show Balance After Expenses Are Covered.

3000 ATTEND ON LAST DAY

Plans Are Started for 1914 Annual Show of Multnomah County and More Ground May Be Obtained—Holman Impressed.

GRESHAM, Or., Sept. 20.—(Special.)—Today the seventh annual Multnomah County Fair came to an end, and after a day of full enjoyment and an evening of entertainment, attended by more than 3000 people, the lights were turned off.

It was the most successful fair held under the present management. The receipts, while not all in today, will be sufficient to pay all the premiums, all obligations and leave a comfortable balance. Today was Gresham day, and the town people turned out en masse. Children under 14 years of age passed through the gates free, and they came in large numbers.

The attractions today were many. First was the exhibition races between Gresham, Lewis and Astoria girls' horse teams on the racing course. In the afternoon the race track was the scene of several good races under the auspices of the Gresham-Riverside Amusement Association, John J. Kaddery, president, and were witnessed by a large crowd. One of the main attractions was the races, the success of which was due largely to Mr. Kaddery, Charles Cleveland, Fred Brooker, Fred Merrill and some other members of the association.

Baby Show Drawing Card.

The baby show at P. M. was a drawing card, and many proud mothers came with their babies.

Superintendent Jackson, of the County Farm, came with his charges, who were admitted free to the fair grounds. Also the County Commissioner and the Gresham city officials were on the grounds. County Commissioner Holman declared that the fine showing made was an eye-opener to Portland and he favors a larger appropriation for the fair next year.

In domestic science the fine display was due to the efforts of Mrs. O. A. Eastman, who worked up an enthusiasm for her department. Juvenile exhibits deserve praise. Theodore Brugger was superintendent. There was much to admire and appreciate in the art department under the charge of Mrs. E. L. Thorne. It was due to her efforts that the display was practically new. The fine floral displays of Gill Bros. and Jay Gould added to the beauty of the pavilion. C. M. Lake won the \$50 for the best farm display and also the Merchants' Produce Association cup for this display.

1914 Plans Under Way.

The Portland Railway, Light & Power Company donated \$25 to the fair and it was added to the Jersey premiums. The 3000 people who visited the fair grounds today divided their time between the livestock sheds, the pavilion and the races.

a success were: President, H. E. Lewis; secretary, Emil Kardell; vice-president, D. M. Roberts; treasurer, Theo. Brugger; superintendents, grounds and pavilion, A. P. Miller; agriculture, J. W. Townsend; horticulture, M. O. Nelson; floral, R. W. Gill; livestock, H. G. Mullenhoff; dairying, James Kelly; poultry, C. M. Lake; domestic science, Mrs. O. A. Eastman; art, Mrs. E. L. Thorne; juvenile, Theo. Brugger; L. M. Lepper and J. J. Johnson, of Portland, assisted materially.

Already plans for larger effort for 1914 are being discussed. It is thought that if 10 or 15 acres more can be acquired adjoining it may be done. More stock barns will be provided. It was demonstrated that the races are a drawing card, and these will be enlarged on.

EDUCATIONAL SUNDAY HERE

"The How of Twentieth Century Manhood," Y. M. C. A. Subject.

Preliminary to the formal opening of the educational department of the Young Men's Christian Association to-morrow night, "Educational Sunday" will be observed at the association with a men's meeting this afternoon at 3 o'clock. The principal speaker will be Dr. Luther R. Dyott, pastor of the First Congregational Church, who has announced as his subject, "The How of Twentieth Century Manhood."

This meeting is open to all men, and the association secretaries will be especially pleasing to have the attendance of new and prospective students. Besides the address by Dr. Dyott, there will be a special musical program. It will be the first auditorium meeting of the Fall, informal lobby meetings having been held during the Summer.

Tomorrow night at 7:30 o'clock the annual educational rally will be held. It is expected that several hundred men will crowd the auditorium at this time, the meeting being open to all friends of the association. W. M. Ladd, president of the organization, will preside, and there will be short talks by General Secretary Stone and Educational Secretary French. Following the programme the class work will immediately begin.

"ROLLERS" READY TO DIE

Religious Sect Abandon Farms in Idaho "Before Judgment Day."

BOISE, Ida., Sept. 19.—(Special.)—Members of the "Holy Rollers" are holding camp meetings in Southwest Idaho in preparation for their pilgrimage to Southern California, where they will assemble shortly for judgment day. Many of them, owners of farms, have abandoned their holdings in the belief that they no longer can be of use to them because it will be impossible to take worldly wealth with them when they go to their judgment.

The Holy Rollers have one of their largest camps near Caldwell. Daily members of the faith are reporting there from all parts of the state. Meetings are held continually by those present. Early in October they all plan to depart for California, confident that they go on their last pilgrimage.

THE MOST HUMAN OF ALL

"Because the player-action attends to the technique in its entirety, but gives over the control of personal musical expression in every detail into the hands of the performer."

The vast majority of "player pianos" are combinations of a piano made by one manufacturer and a player action made by some other entirely different manufacturer. Not originated expressly for the particular piano in which it is ultimately installed, the ready-made "player" mechanism must be adjusted to the piano and the piano to the player. Each inevitably loses individuality in making these mutual concessions.

The Kranich & Bach player piano, on the contrary, is made completely in every part by one concern; the entirely new and original player action being created solely for Kranich & Bach pianos, which, therefore, are not altered in the slightest degree, as pianos, when equipped with this wonderful invention.

Every feature of "musical expression" is personally controlled and secured by the performer himself in playing the Kranich & Bach player piano. There are no automatic or self-acting devices for that element which is the most personal part of music. Only the purely technical part, the sounding of the right note or notes at the right moment is automatic.

The Kranich & Bach player piano, then, is one of the world's leading pianos combined with an improved and exclusive "player" mechanism which enables any one to play all music. And, when the personal devices for "musical expression" are properly used they enable any one to secure every conceivable effect possible to the hand-playing virtuoso. Complete and comprehensive as these devices are, however, they are yet entirely simple and easy to use.

We will take your old piano as first payment, allowing its present market value, balance cash or \$1 or \$2 weekly. You can afford to pay \$6 monthly for a Piano \$10 monthly for a Player Piano. You can, therefore, afford to buy now.

Make your selection now and pay \$1 down. If you do not want to pay the full payment, and then, before delivery, you pay the balance in cash or \$5 or \$3, or whatever amount you make for the first payment, and the balance \$6 monthly, etc., until the piano is paid for in full.

Every Piano or Player Piano purchased carries with it the Graves Music Co. guarantee of satisfaction, as also the usual guarantee from each manufacturer of these new musical instruments, besides, we will take it in exchange within one year, allowing full amount paid—if desired.
