

KECK BOOTS OUT FACTORY FOR CLUB

Oregon Aggies Lose, 6 to 0, as Result of Two Well Directed Place Kicks.

RODES BIG STAR OF GAME

Multnomah Quarterback Tears Into Holes Ripped in Corvallis Line by Winged M Forwards—Fumbles Costly to Local Team.

BY ROSCOE FAWCETT. (Referee Multnomah-O. A. C. Game.)

Two field goals off the trusty boot of Captain Walter Keck won for the Multnomah club over the Oregon Aggies yesterday in the opening major-regular struggle of the Northwest. The score was 6 to 0.

Frequent penalties and several physical hits, charged without Queensberry dignity, marred the game. The Aggies suffered two disqualifications for roughness, Lutz and Christman, and Multnomah one, Conville, being ordered to the sidelines. Multnomah lost heavily in the distance penalties.

While Keck's great booting directly caused the Corvallis rout, Quarterback Rodes was the big noise in the Winged M camp. This former Naval Academy star outshined at every turn. With Rodes doing most of the carrying, the beefy club lineman experienced little difficulty in ripping through the wiry fighters from the state agricultural school.

Fumbles Costly to Clubmen. Fumbles and sensational stands by the visitors when their goal line was endangered invariably worked off the inevitable touchdowns, however, and on such occasions Dr. Stewart's huskies used great judgment and booted out of danger.

Larsen's punting was a revelation. To "Swede's" orthopedic endeavoring the Aggies can attribute the low score piled against them. Larsen booted for an average close to 25 yards, gaining from 16 to 15 yards on every change with Keck and Cobb.

Toward the close the Multnomah boys showed signs of the slight fatigue, and, but for a fair catch in front of the O. A. C. goal, there would have been no place kick in the fourth quarter. Keck caught the ball on the 31-yard line and plunked it squarely between the posts for the last three points.

Multnomah's first placement in the initial quarter was a presentation by Quarterback Dewey, of the Aggies. This game little field general was unable to hold one of Cobb's spiraling, 20-yard line and Multnomah recovered. Keck then exercised his right brawn and booted the oval between the posts.

Keck's kicking average was good. He failed on two attempts at placement in four attempts in the first and fourth quarters. Although defeated, the Oregon Aggies made a showing of worth. Friends among the 1500 enthusiasts who cheered lustily in the huge grandstand along the west flank of winged "M" field.

Coach Stewart's team was outweighed more than ten pounds to the man, and, in addition to that handicap, several of his reliable veterans—Shaw, Blackwell, Hoyer and Mays—were out of the game as a result of injuries. Battling against odds the Corvallis huskies set up a wonderful exhibition. Lutz, Larsen, Christman and Hayes, doing particularly well.

Clubmen Lack Teamwork. Multnomah showed a wealth of latent power, but there was a woeful lack of teamwork among the backfield men. This can be attributed to the fact that the clubbers are building up an entirely new backfield. Muckelstone, Streblich and Keck all broke through for sporadic gains, but there was lacking the timely punch of the Clarke-Wolf regime.

Keck negotiated the longest gain of the day, a yarded swing and a 40-yard line in the line of Manager Stott's huge linemen performed their tasks well and ably. With a tackle-to-tackle arrangement of Muckelstone, Larsen and Rodes the Aggies had no chance to do consistent plunging.

O'Rourke, Conville, Rupert, Philbrook and Carlson started in the central formation. Both squads used a small regiment of substitutes and alternates. At and the clubbers also seemed to have an edge on the Corvallis boys. The Aggies kicked on first down a major portion of the time, so furnished no real test for Multnomah's extremity guardians, but on punts the winged "M" men—Ludlum and Cobb—boxed their rivals rather too consistently for a first-class college eleven.

Kicking Features Contest. A great deal of kicking featured the strife, the Aggies punting at every opportunity. Both teams tried the forward pass, but with little moderate success, not an aerial heave being good for a 10-yard gain.

Summing up, the Oregon Aggies proved quite a team. They are booked for a return battle with Multnomah next Saturday at Corvallis, and with Abrahams, Mays, Blackwell and Christman, Larson and back in harness an even closer game can be expected.

COACH WORKS AT DISTANCE Illini Football Squad Is Directed From Press Stand.

CHAMPAIGN, Ill., Oct. 4.—(Special.)—Long-distance football coaching was inaugurated here by Coach Zuppke, whose innovations keep the Illini on their toes. "Zup" was discovered in the press box on top of the stands, from whence he megaphoned advice to the embattled eleven.

The idea was to get an aeroplane view of the men. Zuppke discerned many flaws not visible at close range, and will take frequent trips to the point of vantage.

An hour and a half of scrimmage produced indifferent football. Ziebens, one of the new candidates for the line, went to the infirmary with a lame back. Tupper, member of a freshman squad some years back, joined the squad and will try for a line position. Armstrong, a former Notre Dame freshman, showed promise at end.

North Kentucky, today warned Coach Zuppke that Kentucky University, which opens the season here next week, is strong.

STATEMENTS OF COACHES AND CAPTAINS, MULTNOMAH-O. A. C. GAME.

Dr. E. J. Stewart, Oregon Aggies—My team did well, I think, against great odds. I think the score should have been 3-0, but 6-0 is as close as anybody could expect. They whipped us last year 9-0 and we had the Indian, Bauer, and all our regulars in the lineup. I will give them a little rest Saturday.

Walter Keck, captain, Multnomah Club—Our line acted nobly under fire, but we are a little shy on co-operation in the backfield. That will come only by practice. Yesterday the team was not as strong as it was one year ago.

Flowerdew Stott, Multnomah manager—I was well pleased with the game, although I regretted the one or two unpleasant incidents of the afternoon. The day was fine and the crowd as big as expected for a game so early in the year.

Dow Walker, superintendent Multnomah Club—The receipts were close to \$600. Archie Hahn, coach Whitman College—(Sporting editor's note—Coach Hahn was a secret visitor in the grandstand from Walla Walla. He came down to get a line on the Oregon Aggies for use later in the conference campaign.)

Second Quarter. In the second period, the local linemen repeatedly opened up big holes in the O. A. C. defense, and the quarter consisted of repeated gains by Rhodes, Muckelstone and Keck. The visitors tightened in the pinches, however, and Larsen each time brought his team out of danger by his punting. Late in the quarter an end run by Hayes, who played a good game at half for the Aggies, gave Stewart's boys the required ten yards in four downs for the first time in the game.

Fourth Quarter. A 12-yard plunge by Rodes, coupled by consistent gains by Streblich, gave the winged M team the ball on the 30-

STATUS OF COLTS ACTS AS BAR. The fact that there appears to be some uncertainty as to the attitude of the Pacific Coast League towards barring the Northwestern League from continuing to hold its franchise in Portland is all that prevents the judge from personally looking over the Boise proposition.

Couch, Not Satisfied With Short Game, Sends Freshman Against Regulars for Additional Workout—Parsons Is Star.

UNIVERSITY OF OREGON.—Eugene, Oct. 4.—(Special.)—Coach Bezdak's well-conditioned varsity string trounced the Alumni stars in the first football game of the season this afternoon and won by a score of 41 to 3. Although the youngsters had been figured to win on their advantage in training, the ease with which they walked away with the game was a surprise.

Several of the veterans who had been slated to play did not report, but there were six former all-Northwest stars in the aggregation which assembled. The quarters were only ten minutes in length, but the pace became so swift that the final period was cut short several minutes to afford the Alumni relief. Not satisfied with the game, Coach Bezdak received Bezdak sent it against the freshman 11 for an additional scrimmage.

Parsons scored four of Oregon's touchdowns and Beckett and Huntington one each. Fenton kicked all but one of the goals. Moulten scored the Alumni's three points by a pretty place kick from the 25-yard line in the second quarter.

Parsons, Cook, Beckett and Malarkey starred in the backfield for Oregon. Cornell at quarter made several spectacular returns of kicks and Bryant, a new man, distinguished himself at end. Bezdak used 17 men during the game. Plinkham at tackle played the strongest game for the Alumni.

PORTLAND ACADEMY WINS. ESTACADA, Or., Oct. 4.—(Special.)—Scoring at will, the Portland Academy eleven, of Portland, defeated the local high school team, 29 to 0, in the first football game of the season.

The whole visiting team worked like a machine and the local boys could not stop the onslaughts of Captain Brix and McCung. Two of the touchdowns were made by forward passes, and the other two were straight line snafus. The other score was made by a triple pass going 30 yards.

WALLA WALLA ELEVEN WINS. WALLA WALLA, Wash., Oct. 4.—(Special.)—Walla Walla High School easily defeated Waukegan High School here today, 27 to 6, in the first football game of the season.

ALBANY HIGH TEAM IS FAST Coach Marquand Says Squad Quickest in School's History.

ALBANY, Or., Oct. 4.—(Special.)—That the Albany High School will be represented this year by the fastest team in its history is the opinion of Professor Marquand, principal of the high school, who is coaching the team again this year. This is saying a great deal, too, for during the last few years Albany has had several teams which have made splendid records in competing with interscholastic teams of Western Oregon, and Albany is always rated as a strong contender for the high school championship honors of the state.

The high school will begin its season with a game with the alumni of the school in this city next Saturday, and November 8, with Corvallis High School, in this city, on Thanksgiving day, and with the Oregon Agricultural College freshmen in this city, October 25. Several games are in prospect for the open dates, and it is very probable that one of the Portland high school teams will be brought to this city for a game during the season.

ALBANY TO HAVE FOOTBALL College Team to Represent School First Time in Years.

E. Whitney, an Albany high school teacher, and among the prominent candidates for the team are Hodge, who played with the last team halfback on last year's strong Albany High School team; Looney, a guard on the high school team last year; Stewart, French and Dresser, all of whom had some football experience at Albany High School, and Custer, Acceson, Cushman, Blair, Hunter and Naper, all of whom are new men but who are showing up well.

MOTHER AND AUNT LEAVE GERMAN MAN LEGACY OF \$115,000.

ST. LOUIS, Oct. 1.—Charles Kramer, a stableman at the home of Clark Wray, East St. Louis, has received a letter from lawyers in Germany telling him he has fallen heir to \$115,000 through the death of his mother, Mrs. Rose Halwitz, 93 years old, and his aunt, Mrs. Anna Preter, 79. The aunt died in Heidelberg about three months ago and his mother two months ago. Kramer, according to the letter, is the only surviving relative.

Kramer came to America a year ago from Germany. Five months ago he went to East St. Louis. The value of the estate left by his aunt was \$25,000 in United States money and the rest of the \$115,000 is his mother's estate. Kramer said he would make arrangements to return to Germany and claim the estate. He is 49 years old. He says he likes America and that as soon as he collects the money he will return to East St. Louis to reside.
