

BIG EXPEDITION SEIZES 14 RIFLES

Colorado National Guard Sent to Strike Territory but Result is Small.

POPGUN ALSO GIVEN UP

Strikers Declared to Have Hidden More Than 1000 Weapons—Two Regiments, Two Troops and Artillery Make Trip.

TRINIDAD, Colo., Nov. 1.—Fourteen rifles and a pop-gun was the net result of an armed expedition, consisting of two regiments of infantry, two troops of cavalry and a platoon of artillery, composing the Colorado National Guard, which left here early today to occupy the Ludlow district and seize the arms and ammunition of the striking miners of the Ludlow tent colony and those of the mine guards in the camps of Berwind, Tabasco, Hastings and Delagua.

The pop-gun and the 14 rifles were turned over to General Chase and his command at the Ludlow colony and at the coal camps the troopers learned that the guards had been discharged, with three or four exceptions. The soldiers, with the exception of a detachment of 125, returned to their camps at Trinidad and Walsenburg tonight. No organized search for weapons has been made yet. It is declared that more than 1000 rifles have been carried away and hidden by the strikers.

Soldiers Received With Music.

A remarkable demonstration was accorded the state militia on its arrival at Ludlow shortly before noon. Adjutant-General John Chase and his staff rode overland from Trinidad with the two troops of cavalry and the artillery. The infantry went from Trinidad and Walsenburg on special trains. The arrival of the three divisions at Ludlow was timed perfectly and the cavalry and artillery slowly circled the tented village occupied by the striking miners and their families. The trains drew up at Ludlow Station and the infantrymen detoured and marched to the colony.

Nearly 2000 men, women and children pressed forward to greet the militiamen. The men carried picks and the women and children American flags and all joined in singing National airs to the accompaniment of an impromptu band consisting of a cornet and a few harmonicas.

Tents Not Searched.

The strikers' parade was headed by John R. Lawson, who greeted General Chase with the statement: "You know you come in peace and as friends, and we greet you as friends."

The soldiers were then marched between solid lines of strikers to the Ludlow tent colony, where a brief conference was held with Lawson. General Chase then left with a detachment from the camp and Major Williams was left in charge. A few minutes later Major Williams asked that all arms be turned over to the state.

"Certainly," said Lawson, and leading the way to the commissary tent, he pointed to the little stack of firearms. These were turned over to the soldiers, who carried them off. No tents were searched.

At Berwind the rifles of 53 deputies were seized today and officers were brought to Trinidad by a military escort.

One hundred mine guards and Deputy Sheriffs were dispatched to Berwind. Adjutant-General Chase at Berwind. Their arms and ammunition were taken from them and the strikers were given them of leaving the camps or joining the militia. They left the camps.

NOVEMBER BERRIES SOLD

Once Nominee for Governor, A. S. Caton Now Grows Winter Fruit.

OLYMPIA, Wash., Nov. 1.—(Special.)—State officials for the first time in Olympia's history are enjoying November strawberries, grown locally.

This is due to the efforts of A. S. Caton, a local grower. Caton was once nominee for Governor of Washington on the Prohibition ticket, but recently has devoted his attention to the more profitable business of berry growing and this year achieved the November strawberry, unheard of previously in this latitude, as a regular market visitor.

2000 ELTOPIA LAMBS SOLD

Heavy Rains Reported and Season Exceptionally Favorable.

ELTOPIA, Wash., Nov. 1.—(Special.)—W. A. Butler, of Ellensburg, has purchased 2000 head of lambs from the DeWue brothers, extensive wool-growers of Eltopia. The stock will be shipped here.

The Northern Pacific Railway has a crew of men engaged building a stockyard and stock pens here.

Heavy rains fell during the week. Fall wheat is growing in fine shape. The season has been particularly favorable on account of no high winds.

OLD ALLEN ROUTE CHOSEN

Washington Board Acts on Sections of Pacific Highway.

OLYMPIA, Wash., Nov. 1.—(Special.)—After Surveyor-General M'Henry had made a personal inspection of rival routes for the "Waterfront road," which is the northern portion of the Pacific Highway, and the only part of that road in Washington on salt water, Governor Lister, Auditor Clausen and Treasurer Meath, comprising a majority of the Highway Board, today recommended abandonment of the Ball survey, made recently under the direction of Highway Commissioner Roberts, for the Allen survey, made four years ago, and rejection of all bids received.

The report further recommends the employment of James Allen, who ran the old line, to draw up plans and profiles in place of the present engineering force of the highway department, while the department is criticized by inference for running new lines instead of checking old ones.

The Highway Board today approved plans for two portions of the Pacific Highway in Cowlitz County, three miles from Carrollton north and 3.3 miles from Kalama to Martin's Bluff and directed calls for bids as soon as right of way has been secured. This work will cost approximately \$50,000.

JEALOUSY MAY KILL TWO
HUSBAND SHOTS MAN WITH WIFE AND KILLS SELF.

While Pendleton Streets Are Crowded, Tragedy Is Carried Out—Victim May Die.

PENDLETON, Or., Nov. 1.—(Special.)—Charles Cook shot and perhaps fatally wounded David Rowan tonight, then, turning his weapon, he killed himself instantly.

The reason ascribed for the attempted murder is jealousy. Rowan was with Cook's wife on the streets at the time he was shot. Surging round the trio was an instant crowd of people, drawn from the Saturday night throng surging on Main street.

The shooting occurred at 9 o'clock. Rowan was rushed to St. Anthony's Hospital, where it is feared he will not recover.

281,947 ACRES PLANTED

Washington Sees 12,925 Acres of Apples Planted in Spring.

OLYMPIA, Wash., Nov. 1.—(Special.)—The extensive plantings of last Spring, according to nursery reports made to the Department of Agriculture, brought the total area in the state planted to fruit trees to 281,947 acres, the Department announced today. Of this total 230,765 acres are in apples, a total of 710,576 trees, equivalent to 12,925 acres being set out in this fruit last Spring.

Yakima County led the state in total number of trees planted and in number of apples, pears and cherries. The Yakima-Oaknogan and Grant Counties not far behind.

Although plantings were heavy, they were not so great in the state as a whole or in the Yakima Valley, as the Spring of 1912.

Vice-President Off for Rest.

KANSAS CITY, Nov. 1.—Vice-President Marshall, en route to Arizona to rest and hunt, passed through this city today.

He spent 45 minutes in the station between trains, giving that time to a stroll up and down the platform. The Vice-President was accompanied by Mrs. Marshall. They expect to go direct to their ranch near Phoenix.

A SORE THROAT

Exposes the Whole System to Germs.

Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system.

Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat, as explained in the new "Hills of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes, of McMinnville, Tennessee, sent to Sheriff of Warren County, Tennessee. From exposure to the elements he acquired throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure.

After using four bottles of Peruna he claims he was entirely restored to health.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good. I pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely relieved."

Those who object to liquid medicine can now procure Peruna Tablets.—Adv.

Points Way to Health.

I can truthfully say that Dr. Kilmer's Swamp-Root is a very good medicine, not alone for kidney trouble, but also for weak and sore back, as well as for rheumatism.

About a year ago I became ill and unable to work, my trunk being lame back. I read of your Swamp-Root in the newspaper and in an almanac. Believing it would do me good, I went to my drugist, Mr. Skinner, and purchased a bottle. Finding relief in one 50-cent bottle, I purchased several more and in a short time was able to continue with my work and am today feeling well and strong. I always recommend Dr. Kilmer's Swamp-Root to my friends, as I believe it is as good a medicine as can be found.
