All Unite in Endorsing

The written tributes from many grateful thousands to whom Duffy's Pure Malt Whiskey has proved a most beneficial aid in restoring digestion, in producing greater vitality, in making nerves sounder, and as a help in regaining new strength, is a most conclusive chain of evidence. For over fifty years, in all wasting and diseased conditions, doctors have prescribed and relied on Duffy's to build up, to brace up and to tone up the system, and are continuously gratified at the uniformly good results secured. Its absence from any family medicine chest is an oversight that should be corrected at once if you would be prepared for all emergencies.

Duffy's Pure Malt Whiskey

Made for medicinal purposes only, of carefully selected grain, thoroughly malted, including barley, one of the most expensive and nourishing of grains, it is of a higher standard of quality than is required by the U. S. Pharmacopœia. The harmful elements in ordinary beverage whiskies are taken out by repeated distillations in refining—that's why. Taken as directed, Duffy's Pure Malt Whiskey is a sure and reliable remedy in the prevention and treatment of coughs, colds, bronchitis, pneumonia, throat and lung troubles.

When taken before meals it stimulates the digestive organs to natural action, bringing to all tissues and organs the nutriment necessary to their sustenance and to the whole system strength, vigor, vim and vitality. Duffy's Pure Malt Whiskey is the best obtainable medicine for all conditions due to advancing years and invalidism. Letters of endorsement from the people here pictured tell a story of relief and recovery to convince the most skeptical. Read them and learn what this great medicine can do for you, too.

MRS. MARY A. SIMPSON

Health and Strength Restored
"Before taking your wonderful preparation, I could not eat, and when I did, I could not keep food on my stomach; but thanks to Duffy's Pure Malt Whiskey, I can now eat heartily and I have increased over 35 pounds in weight in the past six months, which is the length of time I have been taking Duffy's Pure Malt Whiskey. I now weigh 148 pounds, and I attribute my recovery of health and weight to Duffy's Pure Malt Whiskey."—Miss Kitty Howard, 290 Tillary Street, Brooklyn, N. Y.

Excellent in Emergencies
"I first used Duffy's three years ago at Sydney, Australia, at the Royal Theater. I was playing a very trying and difficult part which taxed my vitality, and the manager of the company had a bottle in his grip and he insisted on my trying it, and I found it gave me strength to complete the act. I take great pleasure in recommending it where a stimulant is necessary. It is excellent in emergencies."—Madeleine Illington, 133 E. 15th St., New York City.

Best Medicine He Ever Used
"I can truthfully say that Duffy's Pure Malt Whiskey has done me a lot of good—more good than any medicine I ever tried before. We are never without it and use it whenever we feel the need of it. It is surely a medicinal whiskey and worthy of all that you claim it to be."—Wm. Anderson, Sr., 283 Prospect St., Perth Amboy, N. J.

Suffered for Five Years
"I suffered for five years with a very bad form of bowel trouble and could get but slight temporary relief. I was induced by a friend to try Duffy's Pure Malt Whiskey. The result was marvelous. I am feeling fine and trust many more may use your splendid product and be restored to health again."—Fred O. Smith, 14 Linwood Street, Roxbury, Mass.

Enjoys Good Health at 89
Mr. John Henley, Sr., of Henley, Mo., in a recent letter said: "I have been using Duffy's Pure Malt Whiskey for the past 9 years and I have been enjoying good health. I am 89 years old and I can not say too much in favor of Duffy's Pure Malt Whiskey, which is a good medicine."

Strong and Healthy at 102
"I have used Duffy's Pure Malt Whiskey a good many years, and I find it gives me great strength and a good appetite. I am now 102 years old and in very good health for one of my years."—Mrs. Mary A. Simpson, 333 De Graw St., Brooklyn, N. Y.
