WIDE CENSORSHIP PLAN

CO-OPERATION BY PORTLAND AND OUTSIDE BOARDS URGED.

Federation Council Meeting Attended by 50 and Several Matters Are Referred to Committees.

Co-operation between the board of motion picture censors of Portland and censors of other cities and towns of the state was one of the principal considerations at a meeting yesterday of the Council of the Federation of Women's Clubs held at the Oregon Hotel.

Fifty women, including several from out of town, attended.

It is the purpose of the council to work up such co-operation that when a motion picture is condemned in Portland it cannot be produced in the picture theaters in any of the smaller cities or towns. E. B. Colwell presented the case.

A committee, consisting of Mrs. Harry Vorse, Miss Grace DeGraft and Miss Helen Gillespie, was appointed to make an investigation of the new efficiency system adopted by the City Commission to govern city employees.

Mrs. Millie Trumbull spoke on the subject and ridiculed the new system because of its harshness and the impossibility of enforcing it on the employees. The committee will look into the system and make a report.

A committee, consisting of Mrs. Trumbull, Misses Thoms and Miss Colletta Dowling, was appointed to investigate the question of immigration.

Mrs. Joseph McCord, of Rogue River, Or., reported that she had a letter from friends who are motoring in Europe to the effect that in Portugal and Spain they saw a great deal of literature advertising Oregon and the Pacific Coast. It is feared that the advertising may bring in many undesirable aliens.

Mrs. Robert Gerger, of the Overlook Improvement Club, brought to the meeting a complaint against the Home for Public Minded to the effect that a child at the institution has been ill-treated. The report was referred to the committee on state institutions for investigation.

Mrs. Joseph Pettit and Mrs. W. F. Amos were appointed a committee to investigate a report that a local concern has placed on the market a rennet with vulgar wording.

LETTER CARRIERS ELECTED

Association and Auxiliary Have Installation of Officers.

Officers of branch 82 of the National Association of Letter Carriers and the auxiliary were installed jointly Wednesday night at the regular monthly meeting of the organization. W. O. Barnes and Mrs. Rose Kelly were installing officers. After the ceremony the Letter Carriers and Clerks' band gave several selections, after which supper was served and dancing enjoyed.

The officers of the National Association of Letter Carriers for the term are as follows: President, Joseph Hadley; vice-president, James Bucher; secretary, Fred P. Holm; financial secretary, M. K. Watkins; treasurer, E. Northcutt; sergeant-at-arms, B. F. Doty; trustee, H. E. Collette; director, M. B. A. John G. Francis; official correspondent, W. P. Lyman. Officers for the Auxiliary are: President, Mrs. A. W. Young; vice-president, Mrs. W. J. McGinnis; secretary, Miss Ada Taylor; treasurer, Mrs. H. J. Hildebrandt; mistress-at-arms, Mrs. H. V. Woodworth; official correspondent, G. A. Kelly.

TEN SCAVENGERS IN COURT

Fines of \$10 Each Assessed for Not Having Wagons Covered.

Ten scavengers, who failed to place the proper covering over their wagons, were fined \$10 each in Municipal Court yesterday morning, after they had been arrested in an early morning crusade by policemen on the downtown beats.

Conditions of scavenging in the city have been pronounced bad by the police for some time, and a general roundup was scheduled for yesterday morning as a warning measure. Further convictions will bring increased fines, announced Judge Stevenson.

Those convicted were Adam Gettiff, Adam Scheinik, John Albert, Mielk Schriener, William Yost, August Bott, Jacob Fink, Henry Heiser, John Ston-price and Lawrence Hayward.

WASCO GIRL BECOMES BRIDE OF LYNDON J. LUCAS, OF MORO, OR.

Miss Lyndon J. Lucas, of Wasco, Or., became the bride of Lyndon J. Lucas, of Moro, Or., on Wednesday morning at the home of the bride's mother, Mrs. Eva Deane. The wedding march was played by Miss B. Estelle Ford, and Miss Mary A. Smith, a cousin, sang "I Love You Truly," preceding the ceremony. Rev. U. S. Crowder officiated. Mr. and Mrs. Lucas are making a trip to the Coast cities, and upon their return will make their home in Moro.

DEEP CHANNEL IS TOPIC

AID FOR DREDGE TO BE SOUGHT AT LUNCHEON TOMORROW.

Prominent Leaders Are Allied With Chamber of Commerce in Effort to Get Federal Assistance.

Representatives of commercial interests which reach out from Portland to the entire Columbia River basin will join in a luncheon under the auspices of the Chamber of Commerce at the Commercial Club tomorrow, to organize for the support of a movement in favor of providing a new dredge for service at the mouth of the Columbia and continuing the improvement of the river as rapidly as possible.

Some confusion was caused by the announcement Friday that the meeting was to be held on Tuesday, and President Averill has sent out an emphatic announcement that the meeting will be held tomorrow.

Mr. Averill will preside at the meeting, and E. N. Tonal will be the principal speaker. A resolution endorsing the bill for an appropriation by the Federal Government of \$1,500,000 for dredge work will be presented at this meeting. This resolution was adopted at the annual meeting of the Chamber Thursday and the meeting tomorrow will endorse it and urge Congress to pass the bill for the proposed appropriation.

Dr. Alfred Kinney, of Astoria, chairman of the Ports of Columbia committee, will speak upon the plans for dredging work.

The outcome of the meeting is expected to be a general awakening of interest among business men in the need of continuing the work at the mouth of the Columbia River as rapidly as possible, and bringing all possible pressure to bear to obtain adequate Federal aid. The Chamber probably will send a special agent to Washington to work in behalf of the bill. J. J. Hill, the "Empire Builder"; W. P. Clough, chairman of the board of directors of the Northern Pacific, and several other prominent men have promised to give all assistance in their power in the movement to obtain Federal aid for this work.

HOB0 HOTEL TO BE CLOSED

City Commission Fears Ambition to Work Will Be Dwarfed.

Believing that the so-called unemployed are having such an easy time at the temporary hotel at the Gipsy Smith Auditorium that they will lose all ambition for work, the City Commission probably will abolish the lodging place this week.

NO RELIEF IS SOLICITED

LOSS OF LIFE IN JAPANESE DISASTER NOT GREAT AS REPORTED.

Chamber of Commerce Ready to Provide Fund, but will Await Further Information.

The Portland Chamber of Commerce, while it holds itself in readiness to raise funds for relief of the sufferers in the eruption of the Sakurashima volcano in Japan, will take no definite steps until further information is received or a request for assistance comes from the people of Japan or their representatives.

Mr. Ida, Consul to Portland from Japan, received yesterday through the office of the Japanese Foreign Minister at Washington, D. C., a copy of a cablegram from Japan, in which there is indication that, while the loss of property and the privations that follow the eruption are great, the loss of life is much less than reported.

The official information announces that: "One-half of the 3500 houses on the island were burned. Inhabitants escaped by ships to the main island of Klushu. The number of those who perished or were wounded is believed to be somewhere about 200."

"Ashes fell upon the city of Kagoshima, where an earthquake was also felt; while the houses in the city were damaged more or less; the people took refuge in different directions, about 20 being wounded or killed. The railroad, telegraph and telephone communications were cut off, but they were again restored."

"Owing to the flood and climate since last summer, the crop of rice in eight northeastern prefectures and in Hokkaido was a great failure. The poverty of small farmers is intense. In addition to the sum of \$300,000 granted by the imperial house to aid sufferers, the government appropriated \$300,000 yen to loan to the people of the districts."

HOUSEWIVES ARE WARNED

Electrical Inspector Thinks Some Callers Agents for Burglars.

Beware of men representing themselves to be city wiring inspectors. They may be burglars or spotters. This is the warning given yesterday by City Electrical Inspector Dunlap. He declares reports have reached him that a number of men have been going about the residence district and have gained entrance to homes on the pretense of being electrical inspectors.

Mr. Dunlap says apparently they are men trying to steal something or are burglars getting a line on houses selected for burglaries. Mr. Dunlap asks that all householders demand that such callers show their badges.

Six Held on Gambling Charge.

G. A. Anderson, proprietor of the saloon at Fourth and Stark streets, was arrested yesterday afternoon by Deputy Sheriffs on a charge of allowing a gambling game in his place of business, and was held in the County Jail in default of \$100 bail. Six witnesses were taken at the same time,

GAMBLING CHARGE FAILS TO HOLD

LAWYER, PROPRIETOR OF A DELICATESSEN PLACE IN MONTAVILLA, WAS DISMISSED YESTERDAY BY DEPUTY DISTRICT ATTORNEY ROBISON, WHO SAID THERE WAS NOT SUFFICIENT EVIDENCE TO HOLD LAWYER, OR ON WHICH TO BIND HIM TO THE GRAND JURY.

Deputy Sheriffs raided the Lawyer place, and when they found a card game in progress arrested Lawyer. Robison says that all the evidence he can get is that the party was playing hearts for no stakes.

CALIFORNIA GIRL PLAYS IN "LITTLE WOMEN"

Miss Marta Oatman, who plays the role of Mrs. March in William A. Brady's "Little Women" (a dramatization of the beloved Louisa M. Alcott story of the same name), is a California girl, whose home is in Riverside, Cal.

She began her stage career with a stock company in Los Angeles, and after two or three years there migrated to New York, where she was in demand for leading roles with big traveling organizations. For three seasons she was leading woman for Henry Miller, and her most notable success was in the title role of the recent thriller, "Madame X."

In the role of "Madame X" she toured the country for four seasons and made a reputation for herself as one of the best of emotional actresses. She will be seen here in the role of Mrs. March the week of January 26, when "Little Women" will be the attraction at the Hellig Theater. There will be four matinees, Wednesday, Thursday, Friday and Saturday.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and luster to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.—(Adv.)
