He is giving to his customers the same product which has a continually increasing popularity the world over.

This reward will be paid in cash instantly upon proof. We positively guarantee the wholesome purity of Towle's Log Cabin Syrup. Any housewife who will order a can from her grocer and finds that it is not exactly as we represent, will have her money cheerfully refunded if she will write us.

Towle's Log Cabin Syrup has been a favorite in the market of Portland for 30 years. There must be, and there is, a mighty good reason for this. Towle's Log Cabin Syrup tempts the appetite and delights the taste because of its perfect flavor and unflinching high quality. This is secured by the exclusive Towle method of blending sugar cane syrup with maple syrup.

The principle is the same as that which makes a skillful blend of Mocha and Java the most perfect coffee the epicure can demand.

This Towle combination results in a product with the "body" of sugar cane syrup and the delicious, never-forgotten flavor of pure maple. It is said by thousands of people, lovers of the best food, to be the finest and choicest syrup they ever had on their tables.

This is all there is in Towle's Log Cabin Syrup. Just the pure maple and the pure sugar cane syrup "body"—but it is blended as only Towle's know how to blend it, and it always has been made by the same Towle method.

Towle's Log Cabin Syrup is not only sold all over the United States, but is shipped to the Philippines, Hawaii, Porto Rico, Alaska and other foreign possessions of this country.

It is sold in Great Britain and her colonies. The little German Fraulein knows it and likes it; the French child eats it; the Russian family enjoys it; the burgher in South Africa, the dweller in Australia, in New Zealand, in Japan, in the land of the Midnight Sun—wherever there is civilization you will find Towle's Log Cabin Syrup.

And Log Cabin Syrup is just as good, just as palatable, just as wholesome, for the family living in Portland as for the family living in Capetown. We want everybody in Portland to get better acquainted with our syrup. It is already a world favorite, and we know that the splendid co-operation of Portland's wholesale and retail grocers, who know what the best and purest food products are, is certain to help us put a "log cabin" can in every home in Portland—make Towle's Log Cabin Syrup a regular feature on every table here.

You will always know our syrup by the log cabin shaped can—which is at once our package and our trade mark. Grocers everywhere sell Towle's Log Cabin Syrup. People everywhere know it. Every one who tastes it wants more. Tell or telephone your grocer today that you want a can of Towle's Log Cabin Syrup. Write to us for our free booklet of recipes giving many delicious uses of Log Cabin Syrup.
