Tour Manager Sends Hurry Call for Adding Machines to Relieve Congestion.

TWENTY NOW ARE ENTERED

Plans Being Made for Entertainment of Portland Representatives at All Places on Itinerary of Luxurious Train.

Swamped in the flood of coupons that have been pouring in upon him for the past three days, the Rose Festival Association's tour manager yesterday sent out for adding machines and other equipment for handling the inpouring votes for the candidates officially in the field and working hard to keep the lead. At least half a dozen more candidates will enter tomorrow or Tuesday.

The inducement of the luxurious tour by special car, as guests of the Rose Festival, with lavish entertainment programmes in all the cities along the route of the ten-day trip, has made the interest and competition keen from the first, and in addition to the tour the 12 successful candidates will participate prominently in all the big events of the Rose Festival celebration after their return home. The Rose Festival special car will leave Portland May 25, visiting Tacoma, Seattle, North Yakima, Spokane, Salt Lake, Los Angeles and San Francisco, and returning to Portland on June 4, in time for "Queen Rose" and her maids-of-honor to have several days' rest before the festival celebration.

Organizations of all the cities to be visited by the Rose Festival's special car are making inquiries of the festival management as to the time of arrival and departure at each point, so that they may make the most of their opportunity to entertain the festival girls.

The Rose Festival's special car will be luxuriously equipped, and every comfort and convenience will be provided for "Queen Rose" and her royal suite. The girls will be chaperoned by a well-known Portland matron, and will be accompanied by the tour manager, who will attend to all the details of baggage and other matters, so that they will be entirely free to enjoy themselves.

S. W. GRATHWELL WINNER

Error Made by Judges in Announcing Result of Newberg Contest.

Recount of the award of the judges at the prohibition oratorical contest held at Pacific College, at Newberg, Friday night, made S. W. Grathwell, of Pacific University, winner of the contest and R. L. Putman, of Eugene Bible University, second. First announcement made immediately after the contest gave first place to Putman and second to Grathwell.

The error was made, President Bushnell, of Pacific University, said yesterday, by the officials in totaling up the awards made by the judges.

"Grathwell is one of the best-known prohibition speakers in the Northwest," it only fair to him, and to Mr. Putman, too, that the error be corrected. It was unintentional, I am sure, and the correction was made from the platform at the earliest possible moment."

FINAL ROAD RALLY SET

TOMORROW NIGHT, AT 8 O'CLOCK, COMMERCIAL CLUB THE PLACE.

All Interested Organizations Will Discuss Last Details of "Good Roads Day," Fixed for April 25.

Monday night, at 8 o'clock, in the Commercial Club is the time and place set for the final rally of the members of the various clubs of Portland who are to constitute the gang of laborers who will go out with pick and shovel to labor on the Columbia Highway, on "Good Roads day," April 25.

George L. Baker, chairman of the joint organization of clubs which have arranged to co-operate with the Ad Club, originator of the movement, will preside. Members of the County Commission, City Commission, state officials and many prominent good roads workers from other parts of the state will be present to participate in the rally.

Announcement of the details of the campaign and arrangements made for transportation, feeding and supplying the army of roadworkers will be made. W. W. Hewitt, chairman of the Ad Club committee, says he believes it will be possible to have a gang of fully 2000 Portland men at work on the Highway on "Good Roads day."

Challenges are flying thickly between the Realty Board, Rotary Club, Progressive Business Men's Club and other organizations as to the number of men they will turn out and the amount of work they will do in the day. The primary candidates who have good roads planks in their platforms have already responded to a summons from the Ad Club and have agreed to go out and put a day's work on the road. They are: Arthur Langguth, candidate for nomination to the State Senate, and C. W. Hohlt, candidate for County Commissioner. Other candidates are expected to take similar action before the end of the week.

Letters from other counties indicate that the interest in "Good Roads day" and its proper observance has widely spread and that there will be many thousand men out on the roads in every section of the state on April 25.

OLD "A" MEN ORGANIZE

VETERANS OF FAMOUS BATTERY TO PERPETUATE GLORIES.

Military Organization Is Oldest in the West of Its Kind—Roster of ex-Members Starts With Full Lists.

Miss Hazel Gallagher

"Veterans of Battery 'A'" is the name of a new organization which has been brought into existence for the purpose of perpetuating the history and high standing of Battery "A," Oregon National Guards. This battery is the oldest military organization in the West.

In order to foster comradeship among its ex-members and to maintain interest in the present active battery, which still enjoys an enviable standing among the National Guard batteries of the field artillery of the United States, this "Veterans" organization has been formed.

For a number of years the ex-members of the battery have contemplated getting together. The ex-members assembled at the Armory on April 2, at a "charter member" meeting roster. General Charles F. Beebe, an honorary member, was present and gave a very interesting historic talk on the earlier struggles of the battery and National Guard. Reminiscent talks were made by other "veterans" touching on the 48-year history of the battery.

The officers of the "Veterans of Battery 'A'" are: Lee M. Clark, commander; W. H. Downing, lieutenant-commander; George E. Hall, secretary; O. A. Moe, treasurer.

The charter members are: E. O. Bender, Fred A. Burgard, F. H. Burna, O. G. Campbell, C. W. Campbell, M. Clark, Bert V. Clayton, W. H. Downing, R. R. Doane, Frederick W. Finke, Hal V. Grim, Charles R. EVANGELIST HOLDS MEETINGS IN WOODLAWN

Melvin Putman, one of the best-known evangelists of the Christian Church, is holding meetings at the Woodlawn Christian Church. Mr. Putman differs from most evangelists in that he attracts the people by his eloquence and powerful presentation of the gospel, never resorting to sensationalism, slang or funny stories.

The Woodlawn Church obtained his services because of an unexpected off date. The meetings will continue throughout this week.

Great Furniture Sale

Don't Think of Buying a Piece of Furniture Until You Have Read This

The Entire Stock of One of Portland's Largest Furniture Houses on Sale at About ONE-HALF Price

Now, right here in Portland, ladies and gentlemen, is presented to you the greatest opportunity you have ever had to buy the best of furniture at a saving.

A real furniture sale is being held, a sale where everything is reduced and deeply reduced. It is a sale with a reason, a sale where your choice of the very best of furniture, the pick and cream of the furniture world, is being offered at a saving of about one-half price.

The Golden Furniture Co., one of Portland's greatest stores, located at East Burnside Street and Union Avenue, had stocked up heavily for Spring business. Then came the crash that necessitated and forced this sale. The Portland Railway, Light & Power Co. rerouted the cars. Cars that formerly passed this big store are no more, and what was one of the busiest trading centers of the city is now far remote from the trade centers. That is why, with this big store located in this deserted district, this sale is brought about. The store is not going out of business, however, but an immediate adjustment of affairs to the new conditions is necessary, and that is why all surplus stocks are being sold now at once.

The particulars of this big sale were given the readers of The Oregonian a few days ago in a large two-page advertisement, since which time this great store has been a bee-hive of activity. If you are in need of furniture, be the purchase large or small, this is an opportunity you cannot afford to overlook. The savings are simply immense, and you will be amazed at the offerings in all departments. Make up your mind now. Get out that pocketbook and come.

To reach this sale take Rose City or Beaumont cars. They stop in front of the store during the sale, or transfer to the Russell-Shaver cars. They pass within one block.

THE STORE WHERE THIS BIG SALE IS BEING HELD IS THE GOLDEEN FURNITURE COMPANY, OCCUPYING THE LARGE FOUR-STORY BUILDING AT EAST BURNSIDE STREET AND UNION AVENUE, AT THE EAST APPROACH OF THE BURNSIDE BRIDGE.
