Be Launched in 1915.

SIX SCIENTISTS IN PARTY

No Anonymous Donors Provide Sum
of \$20,800 Needed for Outfit of
Vessel—Additional \$10,000
Needed for 3 Years' Work.

STOCKHOLM, April 25.—At a meeting of the Geographical Society in this city, Admiral Palander, president of the special Antarctic committee, gave an account of the arrangements made for the expedition to Antarctica. The project, first mooted on the return of Professor Otto Nordenskiold from his last expedition to Graham Land in 1901, is now being revived.

The expedition will take a share in the expedition. Although the British Government has declined the Swedish Government's proposal for obtaining participation in the expedition, the cooperation of British scientific circles are expected.

QUEEN SENDS INVITATIONS
Presentation at Court Does Not Carry
Every Privilege.

LONDON, April 25.—(Special).—A matter that the court officials have felt it necessary to impress upon foreigners presented to the King and Queen is that the fact they have been presented at court does not carry all the privileges that are sometimes sug-

gested. Nobody who has not been presented at court or levee can be asked to meet the King and Queen, but the fact they have been presented does not mean that they will be invited to meet their Majesties on some other occasion.
