

## MASSONIC BODIES DENOUNCE "FAKE"

English, Scotch and American  
Officials of Order Brand  
"American Federation."

### SALE OF "RIGHTS" EXPOSED

Prosecution in Canada Results in  
Fine and Deportation and Sur-  
prise Expressed That Dupes  
Still Are Being Found.

That a coterie of unprincipled men are victimizing many who would join the Masonic order by taking what they call "confidence" money is the charge of Grand Secretary Robinson, of the "American Masonic Federation." Robinson says this "confidence game" has been going on for years. Two members of the order, which is styled the "American Masonic Federation," Nathan B. Wineberg and Joseph Mendel, were fined \$200 each by Magistrate Shaw in Vancouver, B. C., last December and were deported from Canada. The charge was obtaining money under false pretenses.

The grand organizers of these "Clandestine Masonic Bodies" are called, is McBlain Thompson, of Salt Lake City, who, according to a letter from Alfred A. Murray, grand secretary of the grand chapter of Scotland to Grand Secretary Robinson, is an expelled Mason.

The organizers of the American Federation in Oregon have been A. E. Lucas and W. H. Lindsay. Lucas began operations in Portland in 1910, under authority of McBlain Thompson. He had offices in the North End, where, according to Grand Secretary Robinson, he pretended to confer three degrees of Ancient Craft Masonry on his victims in the short time of 35 minutes, charging a fee of \$35.

**Rights Sold in Allegation.**  
"After he had made considerable money peddling his spurious masonry, he transferred the business to W. H. Lindsay for \$400," said Secretary Robinson yesterday. "Lindsay operated the business for some time until he was arrested by the Portland police for contributing to the delinquency of small boys. He was tried in Judge McGinn's court, fined \$200 and paroled. Then he disappeared and has not been heard of since."

"After Lindsay's disappearance, the business of the American Masonic Federation was transferred to A. J. Court, G. B. M. Somerville, S. H. Haines, J. A. Wheeler, E. A. Johnson and others, who are still pretending to organize lodges and confer Masonic degrees on anyone they can prevail upon to put up the money."

"These self-constituted officials pretend to confer any degree of masonry from the first to the 33d degree, and many other degrees not recognized by legitimate Masonic bodies. These impostors will give them some kind of degrees and call it masonry. And of course if any of these victims come of any of our lodges we cannot admit any. They cannot be recognized by any Masonic lodge in the country."

**Portland Victims 26.**  
"There have been about 26 victims of this bogus Masonry in Portland, T. C. Hunt, who recently was admitted to the bar in this city, is one of them. He sued the organizers for obtaining money under false pretenses. The case was tried before Judge Kavanaugh. The jury stood nine to three for conviction. At a second trial the organizers were acquitted. It was shown by their attorney that no fraud was intended, in proof whereof he pointed to a sentence in small printing on the certificate which read: 'This does not give you the right to visit any other lodge.'"

A stack of letters four inches high in the possession of Grand Secretary Robinson, most of them from Lucas to Lindsay and some from Thompson to Lindsay, throw some light on the operations of the organizers and where the greater part of the fees went.

Following is a letter written by Grand Secretary Robinson in answer to an inquiry regarding the "Clandestine Masons":  
"In reply to your question: 'What standing will Mr. Thompson have in the Masonic fraternity and will he be permitted to visit the lodges of Ancient Free and Accepted Masons in Oregon if he should join a lodge of the American Masonic Federation?' I have to inform you that he will have no standing in it. He is not a member of the lodge of which he is a member, and is not to visit or be recognized as a member by any member of or any lodge of A. F. and A. M. of Oregon or of any other state or country in the world."

**"Imitators Are Branded."**  
"The 'American Masonic Federation,' like many other imitations of Masonic bodies, are known and branded by all A. F. and A. M. Masons as clandestine or fake Masons."

"None of the persons you name, to-wit: McBlain Thompson, A. J. Court, G. B. M. Somerville, S. H. Haines, J. A. Wheeler or E. A. Johnson, have any authority to join a lodge of or Grand Lodge of A. F. and A. M. in this or any other country to establish lodges or confer Masonic degrees."

"Any person joining the American Masonic Federation, expecting they are getting legitimate Masonry or expecting to be recognized as Masons or permitted to visit or affiliate with lodges of A. F. and A. M. will be badly disappointed."

"No, it is not true that the courts of Oregon have pronounced the 'American Masonic Federation' a legitimate body. One of their own victims (F. C. Hunt) when he found that he had been humbugged had them arrested and tried for obtaining money under false pretenses, and they only escaped conviction on a technicality."

"On February 14 two of the agents of the 'American Masonic Federation' attempted to foist their spurious Masonry on some persons in Vancouver, B. C. They were arrested, tried, convicted and fined \$200, and informed by the judge that a repetition of the offense would be more severely dealt with and punished with a prison sentence."

**Any Connection Is Denied.**  
"The fraternity of A. F. and A. M. of the world are in no way connected with or responsible for the claims put forth by the above named clandestine body calling themselves Masons."

"These clandestine or fake 'Masons' have been exposed so many times through the public press and otherwise that it is astonishing any intelligent person can be so shamefully imposed upon by them."

"If you will call at this office I will show you letters from one of their members to another of their members where they divided the money obtained from some of their victims and where one of them bought for \$400 from another of their agents the (pretended) right to establish lodges in Oregon."

"Also I will show you letters from the Grand Lodge of Scotland denying

that it (the Grand Lodge of Scotland) ever gave the 'American Masonic Federation' any charter or authority to establish lodges in America or elsewhere."

"No Masonic grand body of Scotland or any other country can legally form Masonic lodges in America."

"Hoping I have made this so very plain that any can understand it, I am fraternally yours."

**JAMES F. ROBINSON,**  
Grand Secretary Grand Lodge A. F. and A. M. of Oregon."

Following are extracts from and copies of letters from grand secretaries of England and Scotland bearing on the standing of McBlain Thompson and others connected with the American Masonic Federation:

Extract from letter of Albert A. A. Murray to W. H. Lindsay, a member of the "American Masonic Federation":  
"Edinburgh, Scotland, Feb. 18, 1914."  
"W. H. Lindsay—I have received your letter of January 27."

"Fourth—It is active members are, so far as I know, of no standing whatever."

"Fifth—The Supreme Grand Royal Arch Chapter of Scotland, which is the only legitimate Royal Arch body in Scotland, does not recognize the Council of Rites."

"The latter has no authority whatever to confer the Royal Arch degree, either in Scotland or out of it."

"In no circumstances will Thompson or his confederates, in my opinion, be recognized by the Grand Priory" (Knights Templar).

"They have absolutely no right to confer the degree of Master Mason, conferred by them or by their authority will not be recognized by any of the Royal Templar Jurisdictions throughout the world."

"Neither Spence, Thompson or Jamieson have the thirty-third degree."

"That I have no authority from the grand lodge at all. Nor has he any authority from any regular and recognized Masonic body."

"His nefarious work is engineered by himself and a few others of his kind, and the authority he relies on is derived from himself."
