"The Salamander"

—is a study of social life in America—certainly the most daring book Owen Johnson has written.

—Unprecedented in the history of French literary criticism was the action of the French critics in reviewing *The Salamander* before it appeared in a French translation.

—They were so struck with the truth of the author's pictures, the subtlety of his psychology and the timeliness of his story that they gave *The Salamander* a place ahead of the works of French authors. They recognized the Salamander—the new American girl—for they had seen her in their own land.

—This wonderfully interesting and clever book is on sale in our Book Shop, Mezzanine Floor. Phone your orders.

G. Lesquendieu Paris

It's an Ill Wind That Blows Nobody Good

The Man Who Couldn't Attend Last Week's Sale

Here Is Good Shirt News

New \$4.00 Shirts **\$2.95**

Silk Mixed and Silk Striped Novelty Madras

—These shirts are for the dressy man—the fellow who likes to show an expanse of shirt bosom and cuffs.

—For the man who discards his vest and makes his shirt a prominent feature of his attire.

—Exquisite patterns and color combinations in silk mixed and woven madras and every design is exclusive.

—You'll not duplicate one in this city.

—We say four dollar shirts for \$2.95 because we wish to be conservative. Our own investigation has brought us the startling information that shirts of this character are being sold as high as Five Dollars.

—Tomorrow morning stop and look in our Washington street window and see an exhibit of the snappiest, out-of-the-ordinary dressiest shirts ever shown before.

—They are made, of a necessity, in the soft negligee style that shows off the delicate colorings to the best advantage. The cuffs are fashioned in the soft French turnback style. In all sizes.
