Great Majestic Range

A Perfect Baker
Malleable and Charcoal Iron
A Fuel Saver

It Makes Good Every Day In The Year

The perfect range is the one which fully meets every requirement of the average housewife. In addition to all its other good points, it must be a perfect baker, week in, week out—month in, month out—year in, year out, and it must be economical in consumption of fuel. The wise housewife will not buy the range, from which she expects a lifetime of perfect service from any mere printed description in a catalog—but before deciding upon any range she will examine closely into all the superior points of merit of the Great Majestic—the range with a reputation—built upon honor of the best material.

Won't Break Or Rust Like Steel—Outwears Three Ordinary Ranges
It is the only range made of malleable iron and charcoal iron. Charcoal iron won't rust like steel—malleable iron can't break, and while the first cost of a Great Majestic may be more than some other ranges, it outwears three ordinary ranges.

Saves Half Your Fuel
The Majestic is put together with rivets. The joints and seams will remain absolutely tight as neither expansion nor contraction can occur when the oven is lined with pure asbestos being covered with an iron grate—put there to stay—you can see it. No heat escapes. The air gets into the oven through the door, and is other ranges, assure absolutely even, always dependable heat for perfect cooking. No burning anywhere, no smoking or put out of order. All doors drop down and form perfect seals. The heavy drop-down racks slide out automatically, holding everything they contain.

All Copper Reservoir
The reservoir is all copper and boils like a tea kettle through a copper socket, stamped from one piece, setting against lining of fire brick. By having a lever frame and reservoir are moved away from fire. This feature patented and exclusive in the Majestic.

Open End Ash Pan—No Showeling
The open end ash pan is made of ash pit. The patented ash pit prevents the heat from catching on the end of the ash cup catches the ash that would otherwise fall to the floor.

Greatest Improvement Ever Put In a Range
Increasing the strength and wear of a Great Majestic more than 100% at a point where all other ranges are weak.

Sold on Easy Weekly and Monthly Payments.

THOMAS IN FRENCH CAR WINS BIG RACE

\$40,000 Victor in Indianapolis 500-Mile Speed Test Sets New Time Record.

OLDFIELD FIRST AMERICAN

Barney Comes in Fifth With Crowd of 100,000 Pulling for Him—Six Men Are Injured—Tetzlaff and Burman Disappoint.

INDIANAPOLIS, May 30.—Rene Thomas, driving a French car, won the fourth annual 500-mile race on the Indianapolis motor speedway today. All speedway records from 5 to 500 miles were broken. The first American to finish was Barney Oldfield, who crossed the wire in fifth place. Thomas' time was 6:03:45.99-100. The winner maintained an average speed of 82.47 miles an hour. The former record of 6:21:00.3-100 was established by Joe Dawson in 1912. The new record established today was due in a large measure to the ideal weather conditions which prevailed.

Duray Finishes Second.

Arthur Duray finished second, seven minutes after the winner. Albert Guyot, teammate of Thomas, was the third driver to be given the checkered flag, and Jules Goux, winner of the 1913 race, finished in fourth place, six minutes ahead of Oldfield. Six men were injured, none of them seriously, during the contest. Joe Dawson suffered a broken collarbone and minor injuries when his car turned over on the south turn, after trying to dodge the wrecked machine of Ray Gilhooly. Vere Barnes, Dawson's mechanic, was hurt and Gilhooly and Nino Zonali, his mechanic, also suffered minor injuries. John Casagne and Albert Mitchell, handling an English car, limped away from their machine after it rolled over on a turn.

Finish Most Exciting.

The race was an exciting one from the start and the rivalry among the foreign teams made one of the most exciting finishes that has been witnessed at the course. Georges Bolliet, in a desperate effort to overhaul Thomas, pushed his car to such excessive speed that in the 147th lap he was forced out, when leading the field, because of a broken frame. Duray thrilled the spectators by his sensational effort to catch Thomas in the latter part of the contest, and Goux seemed always to be a contender for first place. Thomas made one stop at the pits, Duray two and Guyot one. In the first 100 miles some drivers stopped on almost every lap. The race began to settle down after the 100-mile mark was set and the average speed increased. Thomas drove the last 100 miles at an average of more than 84 miles an hour.

Tetzlaff and Burman Disappoint.

The showing of Bob Burman was a disappointment as was that of Tetzlaff, Disbrow, Mulford, Cooper and other stars. It is estimated that 100,000 persons saw the contest. Thomas was given a hearty cheer when he drew up to the pits and embraced his mechanic, top during the last 50 miles the crowd was shouting for Oldfield and urging him on to regain the honors America lost to France over the same course last year.

Thomas' Car No. 16.

Goux carried the same number to victory last year. Thomas won first prize of \$20,000 and accessory prizes and trophies will swell this amount to about \$40,000. Josef Christiansen in a Belgian car finished sixth, Harry Grant in an English machine was seventh, Keene and Rodgers in an American car placed eighth and William Carlson was ninth. E. V. Rickenbacher in an American car finished tenth, the last of the prize winners. Haupt, Mofford and Burman, in Knipper's entry, finished the race in the order named.

The starters are as follows:

- No. 1, Disbrow, United States
- No. 2, Cooper, United States
- No. 3, Oldfield, United States
- No. 4, Wilson, United States
- No. 5, Keene, United States

RIDGEFIELD BESTS LINCOLN

County Record for Relay Race Is Lowered by Home Team.

RIDGEFIELD, Wash., May 29.—(Special.)—The Ridgefield High School track team in a closely contested meet defeated the Lincoln High School of Portland on the local athletic field this afternoon by a score of 69 to 61. The time of the old county record of the relay was lowered two seconds. The record stood at 28.4 and the new time made is 37.2. Shobert was high point winner for Ridgefield, 23.4 points being chalked up for him. The relay was forfeited to Ridgefield and was run against time with a team composed of Shobert, Brunkow, Zahn and Horn. Last year Ridgefield defeated Lincoln by the score of 75 to 47.

SOUND YACHT RACE IN DOUBT

Geoduck Finishes First in Tacoma Seattle 55-Mile Run.

TACOMA, Wash., May 29.—The Do-man cup race, the annual cruiser event of the Seattle and Tacoma yacht clubs, which was run today from Seattle around Bainbridge Island to Tacoma, a distance of about 55 miles, ended with the winner in doubt. This was due to a change in the course after the handicaps had been worked out. Of the seven boats which started five

finished. Geoduck, of Seattle, was first, making the run in 3 hours 16 minutes, but as the cruiser was not listed in the yacht handicap, the winner appears to have been either Corsair, of Tacoma, or Honeyboy, of Seattle. Honeyboy finished 42 seconds in the lead, but the result hinges upon the decision of the race committee of the Seattle club as to the handicap.

LA MONTAGNE TO BE ON TEAM

Polo Player to Be Fourth Man on American Team.

HEMPSTEAD, N. Y., May 29.—Judging from his display of polo, which has appeared up to international form, Rene La Montagne, of the Rockaway Hunt Club, will be selected as the fourth member to represent America in the international matches with England, according to an unofficial announcement today at Meadowbrook.

On field No. 2 at Meadowbrook the international players, J. M. Waterbury, Jr., Devereux Milburn and Lawrence Waterbury, with La Montagne as a member of their team, played today against a strong combination consisting of H. C. Phipps, Charles G. Rumsey, Foxhall P. Keene and Malcolm Stevenson. Owing to accidents only six periods were played.

REGATTA SETS RECORD

TEN FOUR-OARED CREWS ENTERED MOST EVER KNOWN HERE.

Races Are Close—Collision Marks One Full of Thrills—Summary of Winners.

The Portland Rowing Club pulled off the most interesting local regatta in its history yesterday. There were ten four-oared crews entered in the races, which is by far the greatest number that ever rowed in one event on the Willamette River during the club's career of 30 years of racing. The races were close and exciting, and the canoe events furnished thrills.
