You Are Invited to Join Us in the Celebration of Our Twenty-Second Birthday

Twenty-two years ago this month we established our first store on Market street in San Francisco. During June of each year we regularly hold a series of sales celebrating the month of our birth. Monday will be the first day of our Anniversary Sale, which will last all week.

Instead of the usual custom of giving away souvenirs, we make the occasion memorable by offering our patrons unusual price attractions. There will be a special sale each day; no day will be alike and no item will be repeated. Watch our windows for full particulars. "It pays to watch Owl windows."

We intend to make Anniversary Week of such an interesting nature that you cannot afford to miss a single day.
