FROM ONE ROOM TO **BIG PLANT IS GROWTH**

Miller, Simington & Calhoun, Portland Dry Goods and Notion Wholesalers, Reach Trade of Many States.

ROM the modest beginning of a single room in the Blake-McFall building in 1911 to a \$25,000 fire-proof brick structure of their own in 1914, is the encouraging progress shown by one Portland wholesale to remain on its hands for more than 24 hours.

Calhoun deals mainly with customers in Oregon and Washington and West-

in Oregon and Washington and Western Idaho.

All staple notions, laces, embroideries, handkerchiefs, veilings, knit goods infant hosiery and underwear are carried by the firm, which is gradually branching out stronger in the dry goods lines. The company is the Pacific Coast representative of the Richardson Silk Company, of Chicago, and handles a complete line of their silks and art goods.

The new quarters of the firm at Fifth and Couch streets are airy and light, covering ground 100x100, and incorporating many modern time-saving devices in the handling of goods. A desk fitted with wheels running on a small track is used in the billing of Portland to furniture dealers from all department to expedite the work.

house—that of Miller, Simington & The stock is kept continually movings. The stock has increased from small proportions to what is now valued at \$100,000.

The firm is almost entirely changed every six months. Modern methods of handling make necessary little delay in the placing of new stock or in the

The firm is now employing 25 clerks and has 10 salesmen on the road. A new catalogue just issued is being sent to 2000 merchants in Oregon, Washington and Idaho.

Though orders have been received from as far as Nome, Alaska, on the north and Long Beach, Cal., on the south, the firm of Miller, Simington & Calhoun deals mainly with customers patronize home industry, for wherever possible local goods are pushed by the company.
