BULLETINS

CHICAGO, Oct. 15.—The Levee of the Michigan, Illinois and Indiana Railroads, which opens the line from Chicago to the keelboat on the Ohio River, will be ready on Nov. 10, it was announced by the company's president, Mr. C. E. Reed. The railroad will be equipped with a new iron bridge across the Rock River at Belvidere, and will be ready for traffic by that date.

WASHINGTON, Oct. 13.—The government has placed the first order for 100,000 boxes of tobacco for the U.S. Army, it was announced by the Secretary of War, Mr. E. M. Allen. The order is to be filled by the U.S. Tobacco Company, which has already received a contract for the same purpose.

PARIS, Oct. 15.—The French government has decided to increase the number of troops in the Rhône Valley, it was announced by the Prime Minister, Mr. Paul Painlevé. The increase will be made from the 10th division, which is now stationed in the area.

LONDON, Oct. 15.—The British government has announced that it will not renew its agreement with Germany for the supply of coal, it was announced by the Foreign Secretary, Mr. E. A. Guinness. The agreement, which expired on Oct. 1, will not be renewed, and the British government will supply all its coal requirements from other sources.

BRUSSELS, Oct. 15.—The Belgian government has decided to increase the number of troops in the districts bordering on Germany, it was announced by the Prime Minister, Mr. L. Dejardin. The increase will be made from the 1st division, which is now stationed in the area.
