How to Find What You Lose or Restore What Is Lost

The Only One Surest Way to Find What You Lose

If you are the one who has lost something that you prized, you know just how somebody would feel if you were the finder instead of the oser. It is a joy to find the lost article because it gives joy to return it. But how will you find what you have lost, or the owner that has lost what you have found? Very, very simple. Get next to the greatest number of people right off. Only one sure way. Come to our office with your story. Concentrate it into a few, specific words and we will insert it as a little Want Ad. The cost will be triffing. The results almost always sure and without loss of time. Our little Want Ads go into about every nook and corner of Suggestions for You to Adopt this city. Lost something? Found

something? Do this today-"The Want Ad Way"

LOST A solid gold stick pin with a small yeard setting. Greatly prized because of its association. Will liberally reward the one who cetures to the following address: FOUND—A beautiful stick oin with small pearl setting. Will be beturned stadly to sensor by calling at this office and payfur for this ad and further describing the oin. Address: Furnished Houses.

IRVINGTON-7-room completely furnished home, 3 bedrooms, handsomely furnished; Oriental rugs, oil paintings, expensive library, grand plano, ohima, sliver and linen left; beautiful lawn and flowers, modern garage in rear. This is very attractive. Rent moderate.
