Creme Elcaya

"Makes the Skin Like Velvet"

Creme Elcaya—a favorite on the American woman's toilet table—is delightful to use—exquisite in fragrance—individual in character and unequalled for preserving and beautifying the complexion. It is always suitable and serviceable—at any time or place—and is an ideal "Dressing Cream" for the effective use of "powder."

A boon to those motoring or traveling, removing the dust better than soap and water, leaving the skin in better condition—more hygienic and always ready.

Nature's Best Beauty Aid. Price, Jar, **39¢.**

Thousands of Women Use Pompeian Massage Cream

—and all are loyal in their praises. Pompeian Massage Cream offers the easiest way of acquiring the much-desired skin perfection. It cleanses, refreshes, improves and invigorates the skin, exercises the muscles of the face and thus creates a fine skin health. If used faithfully for a short time the result will be marvelous.

The almost total absence of oils in Pompeian makes it an ideal Cream to use before appearing in public, for it does not make the skin shine like many Creams do.

"Don't envy a good complexion—Use Pompeian and have one."

Men and women alike will benefit from its use. Usually 50c, 75c and \$1. Special for our October Drug and Toilet Goods Sale—Jar, **29c, 49c and 69c.**

A PERFECTED MILK FOOD IS BORDEN'S MALTED MILK

Not only to invalids, infants and mothers is Borden's Malted Milk nourishing and strengthening, but those desiring a wholesome and refreshing drink—either hot or cold—will find it a splendid substitute for coffee and tea—and its nutritive value is unequalled. Where preferred, it may be flavored by adding chocolate or any pure flavoring extract.

Travelers, athletes and sportsmen find Borden's Malted Milk invigorating and sustaining, and if taken before retiring it will induce sound, refreshing sleep.

Priced at, the jar, **39c, 79c and \$2.98**
