BRAVES WIN SECOND GAME

(Continued From First Page.) Barry waited patiently until James passed him to first, Schang fanned, but Walsh, batting for Plank, also was walked by the rattled pitcher...

With two on and one out, the fans felt sure that the Mackmen were to break through and win, and the uproar was deafening. How To Stop The Liquor Habit Secretly

By a Specialist. That the liquor habit can be treated secretly at home at very little expense is the claim of a well-known specialist who has treated thousands of cases. In a recent interview he made the following statement: "The cost of the drugs used to treat the liquor habit in the high-priced sanitariums amounts to very little. Here is a simple, inexpensive prescription that can be given secretly in coffee, tea, milk, water or in the food, as it has no taste, color or odor. To 7 oz. of water add 29 grains of muriate of ammonia, a small box of Varlex Compound and 10 grains of pepsin. Put into coffee or food a teaspoonful three times a day. This prescription is perfectly harmless, can be obtained at any drug store, and will be found very effective in the treatment of the liquor habit."
