If the two cracks are brought together 18 holes will be played over each course. A new scoring system—at least the order named.

new scoring system-at least the order named. Travis says it is new-was tried out Travis says it is new-was tried out on the Garden City links last week for the Belgian relief fund. Walter J. Travis, former British and American champion, claims the honor of invent-ing the new scoring system, which is for four-ball matches. The new scheme ought to take he-

The new scheme ought to take, because it has the merit of giving the duffers a chance to do something be-side trail along behind unwept, unhonored and unsung.

ored and unsung. Under this method a 3 is possible on each hole. The best ball counts 2 and the next ball counts 1. For example, A and B are playing C and D. On the first hole the score 1: A, 4; B, 6; C, 5; ball, 4, and C and D score 1 for the next best ball, C's 5. There seemed to be some doubt as to how to score in this case: A, 4; B, 5; C, 5, and D, 5. The score would be 2 for A, B, on the best ball, the next best best ing a tie. of the list. The women of the college also started a tennis tournament, but it has not been finished, on account of the weather, combined, with the fact the weather, combined with the fact to playground baseball, and a number of interclass games have been staged. A handball tournament among the men is now in progress, and rankings will be made as in the tennis tourna-ment. Play in the first round will be completed tomorrow. Several men have a good chance to get the title. Among
