

PEDESTRIANS WILL THANK TO WHISTLE

New Traffic Regulations, Approved by Council, Provide Many Changes.

PARKING LIMITS ALTERED

Speed Maximum Will Be 20 Miles, Dazzling Lights Barred, Trucks and Drays to Be Kept Off Busy Streets in Daytime.

Important changes in traffic regulations in Portland will be brought about by an ordinance prepared by City Commissioner Brewster and approved by the City Council.

The measure as it stands will require pedestrians to obey the whistle signals of traffic policemen; will cut the rate of speed in residence sections from 25 to 20 miles an hour; will change the district where parking is permitted; will require all automobile drivers to give plain signals before making turns; will prohibit powerful or dazzling headlights and will change the system of parking automobiles in the business district.

Pedestrians Are Affected. Following is the wording of some of the most important new changes the new measure would bring about:

"Pedestrians shall obey the traffic directions of policemen. A vehicle shall not make a turn to reverse its direction at any place where traffic will be obstructed, but it shall go around the block on a street wide or free enough for the purpose."

"A parked automobile shall not occupy a space more than nine feet from the curb between 9 A. M. and 6 P. M. and shall head out from the curb in the direction of traffic."

"A driver slowing down, stopping, or turning shall give timely and unmistakable signal by outstretched arm. The driver of a vehicle, before backing, shall give ample warning."

Blinding Lights Barred.

"A vehicle headlight shall not be so controlled that it will not blind, dazzle or confuse other users of the streets or make it difficult or unsafe for them to ride, drive or walk thereon."

"A vehicle shall not be parked in front of an entrance to any building or so as to interfere with free access to such entrance."

"Sound signals shall not be used except for necessary warning."

"The following rates of speed shall not be exceeded: For emergency vehicles in any part of the city 25 miles an hour; for motor vehicles (except motor trucks) outside the congested district, 20 miles an hour; for motor vehicles (except motor trucks) inside the congested district, 15 miles an hour; for motor trucks, 10 miles an hour; for vehicles passing a public school on school days between 8 A. M. and 4 P. M., 10 miles an hour; for horses outside the congested district, 8 miles an hour; for horses inside the congested district, 6 miles an hour; for a bridge crossing the Willamette River, 6 miles an hour; for horses on a bridge crossing the Willamette River, 4 miles an hour; for vehicles crossing a sidewalk, 4 miles an hour."

Trailer Not Allowed by Day.

"A vehicle shall not be used which is so constructed, enclosed, equipped or loaded as to be dangerous, retard traffic, or prevent the driver from having a view sufficient for safety."

No Truck or Dray Shall Use Morrison Street, Alder Street or Washington Street Between Second and Tenth Streets From 9 A. M. to 6 P. M. Except on Holidays, Unless Making a Delivery on Such Streets.

TAX STATISTICS SOUGHT

State Senator Perkins Confers With City Officials About Changes.

To get information on what is required in the way of changes in the system of collecting taxes, Dr. T. L. Perkins, chairman of the Senate committee on taxation, held a conference yesterday with City Commissioner Bigelow and others. He returned to Salem with information which he will present to his committee.

The city authorities are much opposed to any change which will throw the date of collection of the second semi-annual installment later than the present date. The city year ends December 1 and the city would not have sufficient money to carry its affairs over, if tax revenue dates were pushed ahead.

WAR ECHOES GIVEN

Paul Pferdner Gets Letter From Soldier in Field.

MEN IN CAVES ARE HAPPY

Hatred of England, Spirits of Kaiser's Troops and Loyalty of People Revealed—Battle Is Called Greatest in History.

A letter echoing the din of battle at the front and the confidence of the German troops in victory was received yesterday by Paul Pferdner, of 702 Overton street, from Hans Reiche, a young German student stationed near Rheims.

Soldier's Family Prominent.

Following is the letter from Mr. Reiche and an introductory letter from Mr. Pferdner: "To the Editor: I inclose a letter right from the firing line from an earth cave near Rheims. It is from a young man student at the University at Munich, one of about 30 with whom I used to fraternize during my stay there a year ago. They came from the part of Germany. This one came from Dresden and must have been one of the first to volunteer, as he was in training camp by August 4. His father is prominent in Dresden. "I have translated the letter and if you think it of interest, use it, but I request you will return to me the letter and postal card. The letter discloses perhaps more than anything else can the feelings and real condition of those at the front. This young man, like all other German students, is highly intelligent and his letter is interesting, as coming from a place of which we hear of often. It took 35 days for the letter to reach here. "PAUL PFERDNER." "My Hole-in-the-Ground near Rheims. "December 4, 1914. "My Dear Mr. Pferdner: As I am not sure if it will ever get into your hands, I hope it will, and I should be glad if you will also write to me. I would like it best if you would send this letter to your newspaper, and send me a couple of copies. It is my opinion that you would do the German cause a good service and will at the same time interest the readers.

Hundreds Wait in Line.

"Immediately at the beginning of this year I was forced onto our dear German Fatherland, I applied as a volunteer to a field artillery regiment in Dresden. Notwithstanding the immense crowd (the young men waited in hundreds before the barracks gates) I was uniformed after a physical examination and put into training from August 4 to September 11. I applied and was one of the first to be sent to the field, this being the reason for the short training time. After a long railroad ride and several days' marches, I have been lying here near Rheims for eight weeks. "The battle which is now going on (and we are directly on the front) is the greatest in the history of the world. Continually the cannons are roaring, every hour the rifles are rattling. We have made ourselves quite comfortable here. Like the Froglodytes we are living in earth caves which are two meters (78.74 inches) deep. They are covered with the trunks and earth, a stove, table and chairs make the place cheerful. A good deal of straw, and warm, soft blankets make it warm and soft for sleeping. We are safe from bombs and grenades. While we are lying still here in the center of the German battlefront, our troops near Ypern and Verdun are steadily advancing.

BOOK EULOGIZES MR. DOLPH

Memorial Addresses Read Before Bar, Issued for Friends.

Resolutions and memorial addresses on the life and character of the late Cyrus A. Dolph, read at a meeting of the Multnomah Bar Association last July, make up the contents of a handsome book of 55 pages just issued for presentation to the immediate friends of Mr. Dolph. The volume is a de luxe edition, containing a fine portrait of Mr. Dolph, and it includes addresses by Joseph Simon, W. D. Fenton, E. C. Bronaugh, Wallace McCamant, J. H. Woodward, W. W. Cotton, M. L. Pipes, J. M. Gearin and Chief Justice McBride. The resolutions, prepared by a special committee of the Bar Association, give a brief biography of the man in whose honor they were drawn.

SLOGAN HELP ASKED

Large Committee to Aid in Judging Winning Motto.

4000 OFFERED IN CONTEST

Railroad Officials and Presidents of Leading Clubs Will Decide on Phrase to Popularize Rose Festival of 1915.

To aid them in selecting the winning slogan in the 1915 Rose Festival contest, which closed Friday, the board of governors yesterday decided to call in 4000 slogans to read. It is likely it will require several hours to complete the task. Slogans not in keeping with the conditions will be eliminated at once to reduce the number and bring about a decision in the contest at the earliest date possible.

Interest Is Widespread.

Many of the slogans have merit and are desirable for the 1915 Festival. The board decision may be left to a special committee of five or nine men selected from the board of governors and the organizations represented. The recent slogan contest has created such widespread interest in Portland and over the entire State of Oregon that the Festival governors desire to give considerable time and thought to their decision.

Among Portland Railroad Men Who Will Assist the Board of Governors are:

William McMurray, general passenger agent of the O. W. R. & N.; C. P. Osborne, president of the "Made in Oregon League" of the Portland Railway, Light & Power Company; Henry Dickson, city passenger agent of the Great Northern Railway; A. D. Charlton, assistant general passenger agent of the Northern Pacific Railway; G. W. McMath, president of the Harriman Club; W. D. Skinner, traffic manager Spokane, Portland & Seattle Railway; William Morrison, president Transportation Club; John Scott, general passenger agent Southern Pacific Company.

Invitations Are Accepted.

Among the presidents of commercial and business organizations who have accepted the invitation to serve on the general slogan committee are M. B. McFall, East Side Business Men's Club; J. C. English, Rotary Club; D. Ramon, Commercial Club; O. M. Clark, Chamber of Commerce; George L. Baker, Ad Club; Jacob Kanzler, Progressive Business Men's League; Reverend Alexander Christie, William C. Tunks, Portland News; Hugh Hume, the Spectator; M. C. Dickinson, president Oregon Hotel State Association. The board of governors of the Commercial Club, after their meeting Tuesday, will be asked to join with the governors of the Rose Festival in the task of selecting the winning slogan.

MANUE IS COMPLETED

A manse for the Lancelwood Methodist Church in the South East Side, has been completed at a cost of \$2500. The residence contains seven rooms and stands next to the church.

It is estimated that in London 29 per cent of the days are wet.

URIC ACID SOLVENT

For Rheumatism and Kidney Trouble 50 Cent Bottle (32 Doses) FREE

Just because you start the day worried and tired, stiff legs and aches and muscles, an aching head, burning and bearing down pains in the back—worn out before the day begins, do not think you have to stay in that condition. Those sufferers who are in and out of bed half the time, who are unable to calculate the rest, comfort and strength this treatment gives. For any form of bladder chronic or weakness the action is really wonderful.

Be strong, well and vigorous, with no more pains from stiff joints, sore muscles, rheumatic suffering, aching back, or kidney or bladder troubles. To prove the Williams Treatment conquers kidney and bladder diseases, rheumatism and all uric acid troubles, Reverend Alexander Christie, William C. Tunks, Portland News; Hugh Hume, the Spectator; M. C. Dickinson, president Oregon Hotel State Association.

The board of governors of the Commercial Club, after their meeting Tuesday, will be asked to join with the governors of the Rose Festival in the task of selecting the winning slogan.
