There are brassieres of allover embroidery, allover lace, cambric of the finest and most substantial qualities, with trimmings of real Irish and cluny laces and insertions, fine Valenciennes and novelty laces, panels of embroidery, lace and embroidery medallions, yokes of eyelet embroidery, veenings and beadings, shadow laces, some lined with net. Also brassieres of glove silk in flesh color, in plain style, or Irish lace trimmed.

They are made in hook-front, cross-back and cross-front styles, in the newest and most up-to-date models shown this season. All are reinforced and light or medium boned.
