

BOMBS DROPPED BY ARMIES OF 2 ARMIES

While Germans Raid Dunkirk,
British Pay Visit to Zee-
brugge and Ghent.

GERMAN IS BROUGHT DOWN

Briton Escapes Seven Attacks, and,
Though Wounded, Inflicts Dam-
age on Submarine and Guns.
American Consulate Hit.

LONDON, Jan. 23.—While German
airmen on Friday morning were dropping
bombs on Dunkirk, one of which
damaged the American Consulate, two
British aviators paid a visit to Ghent
and Zeebrugge and succeeded, at Zee-
brugge, in damaging a submarine and
killing or wounding the crews of the
guns mounted on the mole to prevent
attack from the sea on that new
German base.

The British official report issued to-
night, says that apart from the break-
ing of the windows and the smashing
of the furniture of the American Con-
sulate, "no particular damage was
done" at Dunkirk. It makes no refer-
ence whatever to a Paris report that
six persons were killed and others
wounded, and it is therefore not known
whether this report covers completely
the attack of the German airmen, who,
according to unofficial dispatches,
dropped as many as 80 bombs on the
French port.

Briton Escapes Seven Foes.

One of the British aviators was
Squadron Commander Davies, who re-
cently made a night flight over
Bruges, dropping bombs on the railway
station there. Prior to reaching Zee-
brugge, Commander Davies was sur-
rounded by seven German airmen and,
although slightly wounded, succeeded
in making his flight along the coast
and returning safely.

"One of the 12 or 13 bombs dropped
by German aviators on Dunkirk, Fri-
day, fell just outside the American
Consulate, broke all the windows and
smashed the furniture," says an offi-
cial report issued by the press bureau
tonight. "Outside of this no particular
damage was done."

"French and British naval and mili-
tary airmen engaged the German aero-
planes, one of which was brought
down by a British military machine
just over the Belgian frontier, and the
pilot and observer captured."

Bombs Dropped on Submarines.
The report describes the dropping of
bombs by British airmen at Zeebrugge.
"During this day," it says, "bombs
were paid to Zeebrugge by Squadron
Commander Davies and Flight Lieu-
tenant Pearce, and 27 bombs were
dropped on two submarines and guns
on the mole. It is believed that one
submarine was damaged considerably
and that many casualties were caused
among the gun crews."

"In reconnaissance before this, Com-
mander Davies was surrounded on one
occasion by seven German aeroplanes,
but managed to elude them. He was
slightly wounded on the way to Zee-
brugge, but continued his flight, ac-
complished his mission and is now pro-
gressing satisfactorily."

A report issued at German army
headquarters at Berlin today said that
airmen of the allies had dropped bombs
on Ghent and Zeebrugge, but denied
that any damage had been done at
either point.

The military Governor of Brussels
has offered a reward of \$5000 for the
capture, "alive or dead," of any hostile
aviator.

P. M'INTOSH IS RELEASED

District Attorney's Office Will File
More Serious Charge Monday.

Peter McIntosh, who was arrested
following the testimony of Miss Carrie
Barnes, against whom he had lodged
a complaint of larceny Friday, was re-
leased from jail yesterday afternoon
by Municipal Judge Stevenson and
sited to appear Tuesday morning be-
fore the court.

A charge of disorderly conduct is all
that has been lodged against McIntosh
as yet, but Deputy District Attorney
Delch intends to file a more serious
state accusation against McIntosh
Monday. McIntosh is 32 and Miss
Barnes is 19.

Judge Stevenson will not try the
case, admitting that he is prejudiced
against the defendant. He suggested
a jury trial.

VATICAN ORGAN "NEUTRAL"

Attack by Belgian Catholic Paper
Is Answered.

ROME, Jan. 23.—The Osservatore
Romano, the Vatican organ, in answer-
ing an attack of a Belgian Catholic
paper, which accused it of conducting
a "shameful campaign against con-
quered and martyred Belgium," says
it has always maintained the strictest
neutrality, publishing impartially the
official communications from both
sides. The Osservatore Romano adds:
"If the Belgian newspapers refer to
the suppression of some dispatches re-
garding the announced arrest of Car-
dinal Mercier, we did this only because
we knew in a positive way the news
of that arrest was not true."

ELK RECEPTION IS PLANNED

Many Expected to Greet State Offi-
cial at Vancouver Tuesday.

VANCOUVER, Wash., Jan. 23.—(Spe-
cial.)—All of the Elks on the north
bank of the Columbia River from Lyle
to Castle Rock are expected to attend
a reception here by Vancouver Lodge
No. 323 the evening being the visit of
Henry W. Parrott, district deputy grand
exalted ruler of the Western Washing-
ton district.

The reception will be held in the
Lodge Room here Tuesday evening.
This will be the regular annual recep-
tion trip of the official.

Elaborate preparations are being made
to entertain the distinguished guest.

WOMAN PLEADS FOR SERBS

Three large missions sent from Eng-
land, she said, had greatly relieved
that situation, but there was still need
of experienced bacteriologists, first-
class surgeons, good nurses, absorbent
cotton, bandages, chloroform and anti-
toxin.

"I served in one hospital in Kraguje-
vac, where there were only 10 trained
nurses and 1200 wounded men," she
said. "There are now 25,000 Austrians
and 35,000 Serbians crowded into im-
proved hospitals in Serbia."

OBREGON IS LOYAL

Overtures to Join Gutierrez
Are Declined.

PUEBLA'S FATE DISPUTED

Villista Column Attempting to Pen-
etrate Coal Fields of Coahuila
Said to Have Been Routed.
Merida Troops Revolt.

WASHINGTON, Jan. 23.—General Al-
varo Obregon has declined to accept
overtures from General Eulalio Gutier-
rez to join the latter in an independent
movement against Carranza and the
Villa-Zapata coalition, but will remain
loyal to Carranza, according to an an-
nouncement tonight by the Carranza
agency here.

The following telegram from General
Obregon, dated Puebla, was made pub-
lic by the agency here, as follows:
"Deny all versions of the report that
I have joined Gutierrez. As always,
I have the honor to form a part of the
constitutional army, worthy com-
manded by Venustiano Carranza. Gen-
erals Gutierrez, Robles, Benavides,
Blanco, Natera, Chao, Zuzana and San-
chez have initiated a campaign against
Villa and have issued a manifesto dis-
cussing his latest crimes."

Capture of Puebla Disputed.
As the message was held to be dated
Puebla, January 22, the Carranza
agency deduces that there is no truth
in the report that Puebla has been
taken by the forces of General Zapata.
Enrique C. Lorente, Washington rep-
resentative of the convention govern-
ment, however, announced the receipt
of a telegram, also dated Puebla, via
Mexico City, saying the Zapata forces
had entered the city.

The Carranza agency also issued the
following dispatch from the border:
"Generals Maclovio Herrera and Luis
Gutierrez joined their respective forces
and, attacking a Villista column, de-
feated and completely routed it. The
Villistas were attempting to penetrate
the coal fields of Coahuila, as they are
short of fuel."

Town Looted by Villistas.
A State Department announcement
this connection says:
"Authentic reports received in Eagle
Pass from Monclova were to the effect
that 60 Villistas took Cuatro Ciénegas
on January 21, looted the town and
killed a few hundred men."

General Luis Gutierrez has arrived at
Monclova with a large force of troops
from Nuevo Laredo. Nothing but mil-
itary trains are passing between Mon-
clova and Piedras Negras.

"A portion of the principal state
troops revolted in Merida," the state-
ment says. "These troops are known as
the Copeda Ferazza battalion and con-
sist of about 9000 men, practically all
Yaqui Indians."

The men divided into several bands
and attacked the Governor's palace,
city hall, police department and one of
the barracks, where the battalion
known as the Pino Suarez was station-
ed. It is said that this battalion
consists of only a few hundred men.

It is reported that the uprising was
caused by discontent on the part of
the officers in command of the Copeda
Ferazza troops. The meeting was at-
tended by approximately 50 promi-
nent fruitgrowers of Douglas County,
and many matters of importance to the
fruit industry were discussed.

BILL PARTY MEASURE

Senate Democrats Act in Cau-
cus on Ship Bill.

CIVILIANS PUT ON BOARD

Amendment Adopted That Would
Take Control of Proposed Lines
Out of Hands of Exclusively
Government Bureau.

WASHINGTON, Jan. 23.—Senate Dem-
ocrats in caucus late today reached
final agreement on the Administration
ship purchase bill and adopted a resolu-
tion making it a party measure.

The caucus adopted no important
amendments to the bill in addition to
those agreed on at previous confer-
ences.

Senator Kern, Senator Stone and oth-
ers who fought for an agreement on
the measure declared they expected the
bill to pass before March 4. Repub-
lican Senators insisted that their fight
against it would be continued.

The principal difference of opinion in
caucus arose on Senator Hoke Smith's
proposal that with the restoration of
normal conditions at the end of the
European war, the Government lease
the ships purchased to private corpo-
rations for operation instead of operating
them through a Government-controlled
corporation. This amendment was de-
feeted.

Senator Kern announced that two-
thirds of the Democrats, however, were
not present when this action was taken.

As perfected in caucus, the bill pro-
vides for a shipping board to consist
of the Secretary of the Treasury, the
Secretary of Commerce and three civil-
ians to be appointed by the President,
with the consent of the Senate. This
amendment was a compromise with a
proposal submitted by Senator Bank-
head. In the original bill the shipping
board to control affairs of the pro-
posed corporation would have consisted
of the Secretaries of Treasury and
Commerce and the Postmaster-General,
with no civilians.

The only other amendments to the
original bill of material nature was
one to incorporate the proposed ship-
ping corporation under the laws of the Dis-
trict of Columbia, another to provide
that the original capital stock of
\$10,000,000 can be increased at any time
only to the extent of \$10,000,000 more.

AUDITORIUM RULING URGED

Both Sides Anxious for Verdict on
Site for Building.

Hastening of a decision in the case
now before the State Supreme Court
involving the question of the right of
the city to use the Market block on
the West Side as a site for the pro-
posed public auditorium, will be urged
by Chief Deputy City Attorney Latou-
rette, representing the city, and L. M.
Lepper, representing the opponents of
the West Side site.

A majority of the members of the
City Council decided that the Audi-
torium should be built on the Market
block if that property could be used
for the purpose. The East Siders con-
tested the action on the ground that
the Market block was dedicated to the
city for market purposes.

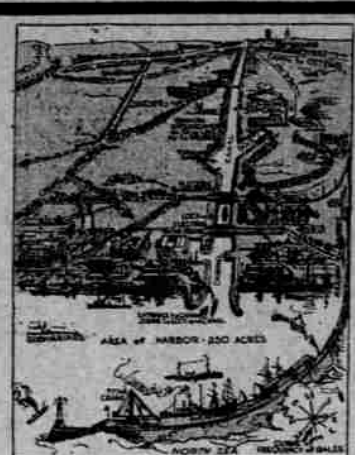

HOLD WOOL CLIP, IS ADVICE

Utah Growers Are Informed That
High Prices May Be Expected.

SALT LAKE CITY, Jan. 23.—(Spe-
cial.)—Telegrams were sent to wool-
growers all over the state today by
C. B. Stewart, secretary of the Utah
Woolgrowers' Association, advising them
to hold their clips for higher prices.

The action was based on information
received from Boston that the world's
supply of last year's clip was already
in the hands of consumers and that
prices were expected to rise at once.

OCEAN RATES ADVANCE

PROMPT TONNAGE STILL SCARCE
IN BRITISH PORTS.

Demand for Vessels to Load in Argen-
tina Hampers Indian Trade—Liver-
pool Roadstead Congested.

LONDON, Jan. 12.—(Correspondence
of the Associated Press.)—Ocean
freight rates continue to advance in
practically all directions and prompt
tonnage is as scarce as ever. Owing
to the early commencement of ship-
ments of grain from Argentina and the
scarcity of steamers to load at River
Platte ports, high prices for freights
are being paid. The demand for ton-
nage to load at the River Platte is
said to be so keen that shipowners are
refusing freights at market rates to
India, preferring to send their boats to
Argentina to take cargoes now wait-
ing shipment at the profitable rates
current.

American rates to this side also are
strong, not so much for early loading
as for later positions, and some com-
petition is going on for space for grain
shipments against cotton, coal and
time charters.

LIVERPOOL, Jan. 15.—(Correspondence
of the Associated Press.)—Im-
ports of foodstuffs, raw materials and
other commodities at Liverpool con-
tinue on an unprecedented scale, and
the congestion at the docks is already
acute has been accentuated by the ar-
rival of 21 more cargo vessels from
various ports of the world.

Shipping, dock and railway interests
in turn assert they are doing their
best to relieve the situation and clear
the cargoes as rapidly as possible.
With several ports in the United King-
dom closed to ordinary traffic, the
bulk of the overseas trade is now com-
ing to Liverpool.

Some vessels are said to have been
lying in the river a fortnight waiting
to be unloaded.
