

FOR SALE. Automobiles. REBUILT FEDERAL TRUCKS. A Safe Used Truck to Buy. A REBUILT FEDERAL is a good value for the money as a new truck. By 75 built we mean that the truck is entirely taken apart, each part examined and necessary replaced by a new part made at the Federal factory, the entire truck repainted and refinished and everything necessary done to make the truck practically as good as new in every detail.

A SAFE TRUCK TO BUY. If you are in the market for a truck from \$1000 to \$2000, you can compare used Federal with new trucks at similar prices. You will find that you can convince you of their superior value.
