

OAKLAND SURPRISE TO SEADMEN FANS

San Francisco Begins to Regard Pennant Race as No Walkaway.

PITCHING WEAKNESS SEEN

Fernoll, Baum, Reisl and Smith Not Up to Form—Attendance in Coast League Parks Starts Off With Rush; Outlook Bright.

SAN FRANCISCO, April 10.—Special.—Based on the two clubs seen in action here so far in the Coast League the fans are not so certain the Seals are going to have an easy time in lifting the pennant.

Oakland has strengthened considerably. The addition of Jimmy Johnston and Howard Mundorf in the outfield has speeded up that division and Red Kuhn ought to be a lot of help to the catching department.

Seal Pitchers Fall. One thing seems to bother the Seals—pitchers.

To be frank, the pitchers, so far, have been slow in rounding to form. Skeeter Panning has been the only one able to go the route in good shape, although Jack Killyay pitched a great opening game on last Tuesday against the Tigers.

Fernoll, Baum, Reisl and Solemn Charlie Smith of Chicago, are all far from showing their true form and unless they get into the going shortly, Wolverton's crew is due to lose some games.

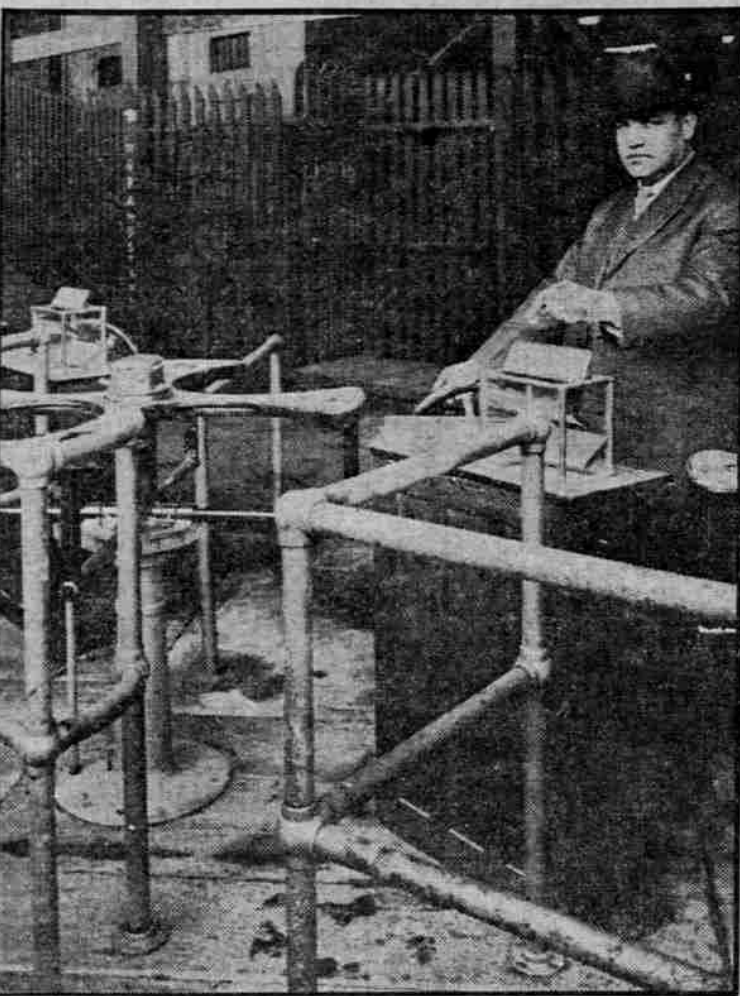

Baseball is a funny game in some respects. Last week, for example, San Francisco had a pitching staff consisting of Bill Leard, as well as Manager Wolverton, all recently with Oakland, on the San Francisco club.

Baseball Draws From Fair. The attendance so far has been promising. The crowds for opening week could hardly have been better and standing room last Sunday was at a premium.

World's Baseball Title Among Odd-fellows to Be Settled. Among the 1915 fraternal ball teams will be Hassalo Lodge, No. 15, Independent Order of Oddfellows, known as the Hassalo Hyenas.

Santa Clara Beats Junction City. JUNCTION CITY, Or., April 10.—(Special).—The high school baseball team was defeated by the Santa Clara squad, 7 to 6, in Santa Clara on Friday.

NEW PAY-AS-YOU-ENTER TURNSTILES WHICH WILL BE INNOVATION AT PORTLAND COAST BALL PARK THIS SEASON.

W. W. METZGER, BUSINESS MANAGER, EXPLAINING OPERATION OF NEW GATES.

TURNSTILE FACES TEST

FANS MUST PAY AS THEY ENTER AT OPENING-DAY GAME.

Device is Said to Pass About 2000 an Hour and Requires That Money Be Deposited in Glass Box.

When the Coast League park is thrown open to the surging crowd April 13, on the occasion of the Beavers' first appearance of the year in Portland, the pay-as-you-enter turnstile system will get its initial real test in baseball.

Heretofore fans have purchased tickets and these have entitled them to pass through the turnstiles, but now only 25 and 50-cent pieces will be accepted at the gates.

Most of our crowd comes in a bunch about 2:45 o'clock, so we are going to have some congestion April 13 unless every fan obeys instructions. We will have both ticket offices open and the fans can secure the proper change at these windows.

In order to facilitate matters I wish every fan would make it a point to secure the right change before going out to the park. If he is bound for the grandstand alone he should have a 50-cent piece and if accompanied by a companion he should have \$1. For the bleachers the charge is 25 cents. Children are the only ones for whom tickets will be sold. These can be purchased at the change windows at the park.

GOLFERS PREPARE FOR TRIP. Qualifying Play On to Select Team for Eugene Next Sunday.

H. E. Van Ness. As the team to go to Eugene will consist of at least 12 members, more entries are expected to be forthcoming.

Work on the two new tennis courts at the Portland Club will be started shortly. The ground has already been prepared.
