REBUILT FEDERAL TRUCKS.

A Safe Used Truck to Buy, A REBUILT FEDERAL is as good value for the money as a new truck. By repolit we mean that the truck is entirely taken apart, each part examined and if necessary replace by a new part made at the Federal actory, the eating truck repainted and refinished and everything necessary done to make the truck practically as good as new in every detail.

When you tay a the same policy and interest that see give to all Federal you are protected by the same policy and interest that see give to all Federal with the confidence of the accordance of the same policy and interest one supply of Federal parts is complete, and the accordance of the prompt filling and parts orders. We slive operate as the prompt filling and parts orders. We slive operate and the accordance which issues the prompt filling and all parts orders. We slive operate parts and single "slewys at your call." The Federal being a good truck in the first place and protected by a company which is equipped and has the disposition to give you service, is consequently

A SAFE TRUCK TO BUY. If you are in the market for a truck from \$1000 to \$1400, we used you to com-pare used Federals with new trucks at similar prices. We think we can convince you of their superior value. GERLINGER MOTOR CAR COMPANY, King and Washington Streets.
