The site was purchased early in the year for \$78,000 and it is expected to go ahead with the work this year. According to present plans, the struc-ture will be about six stories and will cost in the neighborhood of \$120,000. The building will be fitted up with a fine lodge room and entertainment half and in addition with a gymnasium, swimming pool, bowling alley and the various other adjuncts of a modern clubhouse. clubhouse.
