

McMANUS' WIDOW TO REMAIN IN MEXICO

Woman Will Not Abandon Property That Husband Died in Effort to Defend.

HELP IS GIVEN TOO LATE

Letter Tells How Brazilian Legation Attempted to Save Man After Attack on Ranch by Soldiers Had Begun.

CHICAGO, April 24.—A letter from Mrs. John B. McManus, dated at Mexico City March 13, three days after her husband was murdered by Zapata soldiers, reached Mrs. McManus' sister-in-law, Miss Elizabeth McManus, here today. The envelope was marked "received through Department of State in diplomatic pouch." The letter gave the story of the writer's anxiety over her husband.

"We all begged John either to come with us or to move the stock closer to the city," ran the letter, "but he scoffed at the idea, saying he was capable of protecting himself. I am just beginning to realize the hell he had lived through to do it. Because I was so worried about his safety he had not told me of the numerous times he had been shot at and searched and how often he had to face alone the dangers of the present anarchical conditions in Mexico. It is hard to imagine a case of greater bravery and courage or a more wanton murder than his."

Brazilian Legation Tried to Aid.
Mrs. McManus tried to warn her husband by telephone of the movements of the soldiers, but the wires were cut between the city and McManus' dairy ranch. Next word was received that the ranch was being attacked.

"I called up everyone who could give assistance, beginning with the Brazilian Legation," continued the letter. The Legation immediately sent a machine with flags and a protest, but they arrived too late."

Mrs. McManus went with others to the ranchhouse.

"And such a sight," she wrote. "John had to be lowered from the room, where he had gone, the better to protect the place, and—oh, I can't write about it. I didn't see him—I couldn't. He had been hit in the head at close range with either a dum-dum or a shot and the whole top of his head was gone."

Attacked Party Numbers 400.

"The house was beyond description. The windows were peppered with bullets. About 400 joined the attacking party. The force was a confusion of broken glass, upset furniture, dresser drawers, closets, books, pictures, broken eggs and dirt. They took what they wanted and threw the rest on the floor.

"You probably think it strange that I do not now leave for the states, but I am placed like so many other Americans. Here I can support my family with comparative ease, but to give my property away, as I would have to do if I left now, and then try to make a living in the states would be perfectly impossible."

The letter said that the funeral was attended by nearly everyone in the foreign colony.

WOMEN ATTACK POLICE

WIVES OF STRIKING LABORERS AT STAMFORD RESIST ARREST.

Refusal to Disperse After Meeting Precipitates Row and Leader Is Locked Up.

STAMFORD, Conn., April 24.—Wives of striking laborers here, to the number of 50 or more, armed with broomsticks, pick handles and salt, fought hand to hand with the police today when the latter attempted to disperse them after a demonstration at the Town Hall. One arrest was made.

About 800 laborers, including nearly all of those employed by the city and local contractors, are on strike for \$2 a day, an eight-hour day and recognition of their union.

The women marched in a body to the Town Hall, and when Mayor Brown appeared called on him to concede the strikers' demands. The Mayor explained that only the Common Council could act on the demands and that it would not meet until Monday. He asked them to disperse, and when they refused directed the police to disperse them. Police Chief Brennan seized the leader of the women, Mrs. Mary Doldosi. This was a signal for the outbreak and the policemen were scratched and beaten by the women, who rushed to their leader's assistance. Mrs. Doldosi was hurried into the Town Hall, where she was charged with breach of the peace. The women then dispersed.

CHICAGO TO CELEBRATE

PROSPERITY MAILED BY 30,000 MARCHERS, 10,000 AUTOS.

Inauguration of New Mayor to Be Occasion of Rejoicing by Business Men and Manufacturers.

CHICAGO, April 24.—(Special.)—Chicago's greatest foot and automobile parade, the "prosperity parade," which will be presided over by Mayor Thompson's inauguration on Monday, grew in dimensions today until officials made desperate efforts to keep its size within bounds at the same time issuing a new schedule of regulations. The procession of 20,000 marchers, 600 floats and 10,000 motor vehicles will move at 2 P. M. The "prosperity parade" probably will survey the assembly and then proceed on horseback to the big reviewing stand, built against the City Hall, with aides and a cowboy escort. A civic salute of 25 aerial bombs, one for each ward of Chicago, will be the signal for the start.

The "prosperity" significance of the parade is illustrated by the fact that at least 1200 commercial concerns will be represented by marchers, cars and floats. Thousands of business houses and factories have given the parade committee assurance that they will close their places at noon Monday. State street will be decorated from Harrison street to the river. Bunting and flags made their appearance on buildings throughout the Loop district today.

MAN SLAIN IN HOME

Corvallis Resident's Body Is Found Below Window.

HEART PIERCED BY DIRK

Chairs Upset and Other Signs of Fight Found—Victim Relative of Official of Portland.

Neighbor Is in Jail.

CORVALLIS, Or., April 24.—(Special.)

—William A. Purdy, about 35 years old, who lived with his mother, Mrs. Fannie E. Purdy, of this city, was stabbed to death last night with a dirk or similar sharp instrument. The crime was committed in the house and the victim evidently died after having jumped out of the dining-room window. The weapon pierced his heart.

The body was discovered early this morning by three section hands on the Portland, Eugene & Eastern Railroad, who were going to work in passing the Purdy home, which is near that railroad, they saw the body in a head-downward position near the house. They went to the house to give the alarm, but no one was there.

Ed Scott, a neighbor, went to see what the men wanted, and on learning of the crime notified the police and waited until the coroner arrived to take the body away.

At a coroner's inquest this afternoon a verdict that the man met death "at the hands of a party or parties unknown" was returned.

Conditions of the Purdy home indicate that a fight took place there. Chairs were upset, a stand was knocked over, blood stains were found, and a window of the dining-room, directly above the spot where the body was found, was broken and fragments of glass were scattered about on the ground.

It is believed that in a quarrel the man was stabbed and in attempting to get away he may have jumped through the window, but died before he could get any further.

George Avery, a neighbor, who is said to have been found drunk this morning, was arrested and is in jail.

Deputy City Auditor Jones, of 621 Hancock street, whose wife was a sister of William A. Purdy, received the news of his brother-in-law's death at 9 o'clock yesterday morning, directly above his daughter in this city, by phone call from Mrs. Robert L. Glass, of Corvallis, a sister-in-law. The mother, Mrs. Francis Purdy, who had been visiting her daughter in this city, left Portland yesterday afternoon with Mr. and Mrs. Jones for Corvallis.

So far as was known by Mr. Jones, Mr. Purdy had no enemies and Mr. Jones' theory is that his brother-in-law was killed by one or more thugs who had been interrupted in their work of robbing the Purdy home in Corvallis.

Twin Brothers Marry Sisters.

POTTSVILLE, Pa., April 13.—Two Ashland young men, twins, were married to two Mt. Carmel girls, sisters, when Lewis Baglin became the husband of Miss Ruth Maurer and James

Baglin was married to Miss Ada Maurer. The brides were dressed exactly alike.

Ex-Court Clerk Freed at McNeill's.

TACOMA, Wash., April 24.—(Special.)—Sam D. Bridges, ex-clerk of the United States Court here, was released today from McNeill's Island Prison on the completion of his term. Rev. R. G. Reed, sentenced for sending obscene letters, also was released at the completion of his term.

SPRING MEDICINE

Hood's Sarsaparilla, the Great Blood Purifier, is the Best.

Spring sickness comes in some degree to every man, woman and child in our climate. It is that run-down condition of the system that results from impure, impoverished, devitalized blood.

It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption.

The best way to treat Spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alternative and tonic, and is absolutely the best Spring medicine.

Get your blood in good condition at once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.—Adv.
