MRS. RALPH WILBUR WINS

William Walter on 'Edgewood Girl'  
Takes Half-Mile Dash—Heat  
Is Outstanding Feature of  
Society Gathering.

BY ROSCOE FAWCETT.  
Before one of the swiftest, warmest,  
most fashionable galleries that ever  
watched a local horse club affair, several  
pantries full of silver plate were  
foisted upon blushing horsemen and  
horsewomen of Portland yesterday at  
Garden Home.

The occasion was the annual field day  
of the Portland Hunt Club, and, said  
meet—despite the cruel maledictions of  
the weather man—done the nervous  
cog in the general scheme of the pen-  
dulum of hot and cold—was by far  
the most successful with the memory  
of the oldest resident of this thriving  
suburb of our fair city.

Mrs. Ralph W. Wilbur and William  
Walter were the headliners. Mrs. Wilbur  
piloted King to first position in  
two straight heats in the half-mile  
dash—class A—for women, and the best  
of it was that Mrs. Louis Gerlinger,  
Jr.'s, mount, Jim Johnson, was tipped  
to win the event by the wise ones.

William Walter's prominence in the  
photo-films was due to his great victory  
in the class A half-mile dash for  
men. He rode Lady Nicolet Edgewood  
girl over the half-mile course in 55  
flat, winning from Walter A. Gruetter  
on Lady Marie and Howard Charlton  
on Ellis Hart.

The veteran campaigner Oregon  
Frank was unable to start in the event  
and this was the one disappointment  
of the afternoon. Natt McDougall's  
mount tried to fraternize with a barb  
wire fence and his acrobatics put him  
hors de Hunt Club.

Somewhere between 500 and 1000  
souls braved the fiery sun, and most  
of them will be well merchandised  
this morning. It was not enough to bake  
a pretzel. Those who were unable to  
squeeze away on the clubhouse  
veranda, either took their steaming in  
style in a languorous automobile, or  
else sprawled out on the hillside and  
dreamed about Greenland, Tupper  
Sandwich, Mount Hood, water  
melons, B. V. D.'s and other refresh-  
ing subjects.

Heat Only Marrying Feature.  
And yet, though the gallery went out  
to disport upon the Rhine only to be  
sent across the Rubicon, everybody  
seemed to be having a good time.  
When the folk weren't asking their  
next door neighbor who won the pre-  
ceding event, they were discussing  
around lemonade bowls remarking:  
"My, but isn't it warm?"

Indeed it was warm. The thermome-  
ter registered in the shade about 85 or  
more in the shade, and it must have  
been 100 down the backs of some of the  
colliers.

But "murder will out," as the saying  
is said to be. More about the race meet  
and how broken, so why not now—  
and here?

The class A half-mile trot for women  
was the first event of the day, and one  
of the most exciting. Mrs. Wilbur  
coaxed King around in both heats until  
the stretch and then came in with  
yards to spare. William Walter on  
Vinca captured second in both heats,  
and Mrs. A. M. Cronin on Midnight,  
third. Jim Johnson broke badly in  
both heats and needed despite  
occasional bursts of speed.

FINISHES ARE EXCITING  
Records Made Rank Well for June  
The Beaver in 2:07 Pace Goes  
Mile in 2:05 1-4—One Ac-  
cident Has No Serious Result.

SAN FRANCISCO, June 5.—The ex-  
position summer harness meet which  
opened here today brought on what  
was termed by followers of the game  
to be the fastest June times ever made  
in this country.

Three events were on the card—the  
2:30 class trot, the 2:07 class pace and  
2:08 class trot, run in three heats.  
Every heat was bitterly contested and  
the finishes were all close.

The first race of the day, developed  
in the first heat of the 2:07 pace be-  
tween Hal Boy and Teddy Bear. Both  
horses came into the stretch together  
and raced neck and neck to within a  
few yards of the finish, when Hal  
Boy won by a few inches.

The Beaver, driven by Fleming, did  
well in the pace. The driver had fine  
control at all times.

The only accident occurred in the  
2:08 class trot. In the first heat Kid  
Cupid and Albaloma were thrown when  
the former stepped into Driver Dan-  
iels' sulky. No damage was done, and  
both horses were given places.

Twenty-five per cent of each purse  
was awarded on each heat and 25 per  
cent divided on the final race. The  
first four participated.

Full Course—Finish to  
Match Is Brilliant.

NEW YORK, June 5.—For the fourth  
time in his long golfing career, Walter  
J. Travis, the Garden City veteran,  
won the championship title of the Met-  
ropolitan Golf Association on the Ap-  
pamans Club links today. In the 36-  
hole match, which decided this year's  
title, Travis defeated John G. Ander-  
son, of New York, by two up, after  
playing twice over the full course and  
holing over a 20-foot putt on five holes  
green for a three. It was a brilliant  
finish to a well-contested match, the  
first half of which found the men on  
even terms.

ST. LOUIS WINS TWO GAMES  
Fielder Jones' Team Makes Clean  
Sweep of Series With Chieftans.

CHICAGO, June 5.—Good pitching,  
batting and fielding gave St. Louis a  
double win over Chicago today, 6-4 and  
6-0, the visitors making a clean sweep  
of the five-game series. Hendrix got  
a home run in the fourth inning.  
Davenport relieved Watson for St. Louis  
in the second game and yet his record  
chance Prendergast had to hold down  
St. Louis. Scores:

Baltimore 7, Brooklyn 5.  
BROOKLYN, June 5.—Brooklyn out-  
batted Baltimore, but lost a 10-inning  
game 7 to 5.

Up to the time he went to New  
York in 1913 Arthur Fromme, the new  
Venice pitcher, was with a  
losing team and yet his record  
is an excellent one. Fromme be-  
gan pitching in 1905 with the  
Quincy Independents. In 1909  
he went to Cincinnati in the  
Brennan deal and his record  
since then follows:

1910—With Cincinnati; won 19,  
lost 13; 584.  
1910—With Cincinnati; won 3,  
lost 4; 229.

EIGHT EXCITING RACES HELD IN  
ANNUAL SPRING EVENT.  
Upsets From Passing Launches, Spills  
and Narrow Escapes Add Thrills  
to Close Finishes.

Eight fast and exciting races were  
held yesterday at the annual Spring  
rowing regatta of the Portland Rowing  
Club on the Willamette River in  
front of the club moorings. Sensa-  
tional finishes marked each event.

Captain Allen, of the crews, had  
charge of the contests, assisted by  
Stuart Chickering in the launch  
Kitty. The first race of the day went  
to Walter Reising, with Harry Gammie  
second, in the Junior singles. Gammie  
was leading about five or six feet,  
when waves from the launch Skipper  
upset his stroke and threw him  
back.

conference football teams was

resentatives comprising the "big nine"

This step was taken in response to  
sentiment that secrecy was useless.

St. Louis Country Club, Saturday be-

when she defeated Miss Laurie Kaiser,  
of the Glen Echo Club, in the finals of

COACH HAHN LEAVES WHITMAN  
Athletic Director Expected to Ac-  
cept Brown University Job.

WHITMAN COLLEGE, Walla Walla,  
Wash., June 5. (Special.)—Archie  
Hahn, coach of athletics at Whitman  
for the past three years, completed  
his work here for the year yesterday,  
and left today for New York City,  
where he will meet Professor Fred

athletics at Brown University. Provi-  
dence, R. I., and confer with him in  
regard to the position of track coach

Coach Hahn came to Whitman in 1912  
from Pacific University at Forest  
Grove, Ore., and has coached all branches  
of athletics, except baseball, until this  
year, when F. D. Applegate was given  
charge of baseball. His name has  
always been noted as hard-fighting  
aggregations.

NINE RECORDS FALL  
AT ATHLETIC MEET

Wisconsin Wins Western Con-  
ference by Single Point  
Over Chicago.

WORLD HURDLE MARK TIED

Simpson of Missouri Tops High  
Sticks in 15 Flat—Distance  
Runs Result in New Time.  
Relay Decides Contest.

URBANA, Ill., June 5.—University of  
Wisconsin athletes won the 15th an-  
nual track and field meet of the inter-  
collegiate conference athletic associa-  
tion on Illinois field today, having a  
margin of but one point over the team  
of the University of Chicago. The first  
contests were Wisconsin 28, Chicago 27.  
The University of Missouri was third,  
with 21, and University of Illinois, last  
year's champion, fourth, with 18. Nine  
conference records were broken or tied  
in the 15 events. The final score by  
points follows:

Wisconsin, 28; Chicago, 27; Missouri,  
21; Illinois, 18; Notre Dame, 9; DePaul,  
8; Northwestern, 7; Minnesota, 5; Pur-  
due, 4; Coe College, 3; Ohio State,  
3; Iowa State, 2; University of Iowa,  
2; Kansas, 1; South Dakota, 1.

World's Record Tied.  
Chief among the star performers  
were Robert Simpson, Missouri hurdler,  
and Francis T. Ward, of Chicago. Simp-  
son tied the world's record of 15 seconds  
for the 120-yard high hurdles, and  
cleared the conference record in the  
200-yard hurdles to 0:21 5-8. Ward  
equaled the National record of 1:22 1-2  
for the 100-yard dash, and cleared  
and tied the conference mark of 0:21 5-8  
in the furlong.

Other noteworthy performances were  
recorded by L. Campbell, of Chicago,  
who ran the half mile in 1:53 3-8; Mike  
Mason, of Illinois, who made 2 1/2  
miles in 9:32 2-5; Myers, of DePaul, an  
unheralded runner, who covered the  
mile in 4:19 1-8; Stiles, Wis., who cleared  
42 feet 3 1/2 inches in the broad jump,  
and Arlie Mucks, Wisconsin's giant  
weight man, who won 12 points for his  
school and scored more than any other  
individual in the meet.

Chicago Flights Heed.  
The contest early settled down to a  
struggle between Chicago and Wiscon-  
sin. Superiority on the track gave  
Stagg's men the jump, but Wisconsin,  
by taking first place in the broad jump,  
went into the track and field meet  
of Lake Forest and Bachman, of Notre  
Dame, both defeated Mucks in the ham-  
mer throw and thereby raised the hopes  
of the Marquette Cardinals. Chicago  
front in the relay, but Wisconsin's quiet  
managed to finish ahead of the Mis-  
souri Valley champions, and the three  
points raised the Cardinals' total to 28.

Wisconsin; Scott, Chicago; Edward, Wis-  
consin. Time, 4 minutes 19 1/2 seconds.
