

WASHINGTON SOON TO HAVE NEW LAWS

All but Few of Acts Passed by Last Legislature Are Effective Thursday.

SEVEN MAY BE REFERRED

Revised Motor Code, Mothers' Pension Measure and Legislation Changing Land Board Are Among Operative Statutes.

OLYMPIA, Wash., June 5.—(Special.)—All acts of the 14th Washington Legislature, 191 in number, except the few already made effective by emergency clauses, and seven which may be held up by the filing of referendum petitions, go into effect next Thursday, June 10.

The new motor code, increasing the license fees for all motor vehicles, is one of the acts to become effective.

All mothers' pensions heretofore granted will terminate June 10. Divorced women and those residents of the state less than three years will be ineligible to have pensions issued in future, but women eligible may apply at once for resumption.

The Tax Commission's Jackson and Brisland and State Forester Ferris, Governor Lister's appointees, will cease to be members of the State Land Board, their places being taken by Secretary of State Howell and State Treasurer Meath, Republican elective officials.

The State Department of Agriculture will begin a "clean-up" campaign of the state milk supply under a law allowing state compensation for condemned tubercular cattle.

The State Capitol Commission will undertake the issuance of \$1,500,000 bonds against the capitol land grant. The measure against which the referendum is being attempted are two acts requiring initiative, referendum and recall petitions to be signed at registration offices, an act legalizing party conventions and pledging candidates to support party platforms, the anti-polluting act, the Seattle Port Commission act, the certificate of public necessity and the city and county budget act.

Criminal Laws Numerous. Criminal statutes are numerous. New laws make it a misdemeanor for a person to represent himself falsely as deaf, dumb or blind; make it a misdemeanor to serve or sell Chinese, coolie or preserved eggs without each egg being so branded, and provides a penalty for sale of infertile eggs of less than 60 per cent germinable viability.

Intoxication of a jitney bus or taxi-driver is made a gross misdemeanor, as is also "joy riding" in another's automobile without his permission. Use of any vehicle likely to inflict damage upon persons or property is made a misdemeanor. Issuance of a check without funds is made a misdemeanor.

Other acts prescribe matriculation and tuition fees at the University of Washington, provide for the physical examination of plaintiffs in personal injury cases, authorize the commissioning of special police to protect railroads during strikes, and make city and county employes subject to garnishment.

Business laws include a uniform negotiable instrument act, and a general warehouse act, making receipts of Seattle and Tacoma warehouses negotiable.

LAND BOARD CHANGE DUE

WASHINGTON TO TAKE STEPS IN SCHOOL ACREAGE TRANSFERS.

Forty Positions to Be Apportioned in Effort to Effect Exchange With Government.

OLYMPIA, Wash., June 5.—(Special.)—When the McArdle law changing the personnel of the Washington Land Board becomes effective tomorrow, the first action of the new board, consisting of Land Commissioner Clark V. Swidge, Secretary of State I. M. Howell and State Treasurer Edward Meath, will be to apportion 40 or more positions and start work on the Federal and exchange lands which the state will give up 500,000 acres of school sections scattered through the forests for an equal area and value of land in convenient tracts to be eliminated from the forests.

While Idaho and Montana already have effected similar land exchanges with the Federal Government, neither of these projects approached the magnitude of the Washington exchange.

The trade will be handled for the Federal Government through the State G. S. Smith, Seattle Forest Supervisor, and by the state through a representative to be selected by the land board.

This probably will be a \$3000 plum and there are a host of applicants, but there are also numerous crushers, and the trade will be handled for the Federal Government through the State G. S. Smith, Seattle Forest Supervisor, and by the state through a representative to be selected by the land board.

STOCKMEN WILL GATHER

Sessions to Be Held at Burns and Canyon City.

BAKIER, Or., June 5.—(Special.)—Baker members of the Cattle and Horse Raisers' Association of Oregon will go in a body to Burns, where a meeting to boost the membership of the organization will be held next Saturday. William Hanley will be among the speakers. On the Monday following a meeting with the Grant County Stock Association will be held at Canyon City.

LEWISTON TO GRADUATE 46

High School Commencement Exercises to Be Held Tomorrow.

LEWISTON, Idaho, June 5.—(Special.)—A class of 46, the largest in the

history of the school, will be graduated at the commencement exercises of the Lewiston High School Monday night.

BRIDGES OF FIR URGED

CLATSKANIE BUSINESS MEN ASK SUBSTITUTION FOR STEEL.

Ability of Oregon Wood to Outlast Metal in Construction if Treated Properly is Cited.

CLATSKANIE, Or., June 5.—(Special.)—The Clatskanie Business Men's Club and the Clatskanie Development League, at a meeting held here recently adopted a resolution to the Columbia County Court urging the use of bridges of timber construction along the highways of the county.

Statistics were cited to show that properly treated such bridges in this climate outlast those of steel. Wood spans in the Willamette Valley, however, more than 75 years, and several in use for 90 years were pointed out as examples.

The reasons cited for the action followed: "Whereas, Columbia County is about to build a new bridge across the Clatskanie River, near Clatskanie, on the Hazel Grove road; and

Whereas, we understand that the Commission on Oregon Fir is of the opinion that which means money that has been largely raised through tax on timber will be sent out of the state; and

Whereas, our state has one-fifth of all the standing timber in the United States, with 75 per cent of all business in this state depending thereon; and

Whereas, the bridge proposed in Oregon has been found by Government tests to be particularly adapted to bridge construction; and

Whereas, such a bridge properly constructed of Oregon fir is of a steel bridge and will outlast the latter; therefore it is hereby resolved, that our County Commission cause this bridge to be constructed of Oregon fir in the construction of all bridges in our county.

NEW COUNTY PROPOSED

FORMING UNIT FROM PARTS OF COOS AND CURRY URGED.

Bandou Commercial Club Debates Question—Road Construction Object of Project Backers.

BANDON, Or., June 5.—(Special.)—A proposal to form a new county out of the southern half of Coos and the northern part of Curry counties is causing much discussion in this section.

The proposed new county would include that part of Coos County lying south of the Coquille River and all Curry County north of a line extending east and west halfway between Port Orford and the Rogue River.

The eastern boundary probably would be on a line with the present east boundary of Coos County. Within these lines is the Riverton coal district, the Salmon Mountains and Rock Creek placer mining districts and the dairy country along the coast south of Bandon and the most heavily timbered area in the state.

Better roads is the principal idea of those who argue in favor of the division. The new county would have an area of approximately 1650 square miles and a population of 5500.

OREGON GRADUATE ELECTED PRINCIPAL OF OAKLAND HIGH SCHOOL.

OAKLAND, Or., June 5.—(Special.)—Anthony Jureguy, a member of this year's graduating class of the University of Oregon, has been elected principal of the high school department of the Oakland schools.

Mr. Jureguy is manager of the Oregon Emerald, treasurer of the senior class, president of the Oregon Club, with a membership of 325, on the Y.-M. C. A. cabinet, and a member of the Alpha Kappa Psi, the National Commerce Fraternity.

The position, which is one of the best teaching positions in Douglas County, was held in former years by such prominent Oregon men as Ben Williams, Ferd Neubaer and George Schanlin.

Miss Marie Cathay, graduate of the Oregon Agricultural College and for two years an instructor in Sutherland High School, has been elected as teacher for English and German in the Oakland High School.

The rest of the teaching staff, including the superintendent, were re-elected sometime ago.

SETTLER LOST IN WOODS

Cambridge Man Unable to Find Way for Three Days.

WEISER, Idaho, June 5.—(Special.)—To be lost in the hills for three days suffering from exhaustion and injury more than 100 miles when only 16 days from his destination when he started, is the experience of William Dusenberry, a homesteader, residing near Cambridge, 40 miles north of Weiser.

Dusenberry, who has been riding the range for a cattle company in the vicinity of New Meadows, decided to visit his home. To make the journey by train would require nearly a day, so he decided to make the trip across the country horseback.

96 TO GET DIPLOMAS

Normal School Graduation Exercises to Be June 16.

GIRLS TO WEAR \$5 GOWNS

Fifty-Five Per Cent of Class Enrolled as Teachers for Next Year.

Thirty-Four Counties Are Represented by Graduates.

MONMOUTH, Or., June 5.—(Special.)—Ninety-six students, representing 34 counties and 52 towns of Oregon, will receive diplomas from the Oregon Normal School, June 16. The present percentage of the 96 already hold appointments as teachers for next year.

Simplicity and economy which have been the rule throughout the year will be emphasized at the graduation exercises, when the girls will be attired in gowns costing not more than \$5 each, and the men also will wear suits reduced in cost.

The class is the largest in the 22 years of the institution's existence. Early efforts by the class and students of the school were made to secure a large representation of the Alumni at the annual festivities and many letters are pouring in to the residents of Monmouth and the student rooming houses from former students who will be on hand.

Activities Begin June 12. Commencement activities will begin Saturday, June 12, when President and Mrs. J. H. Ackerman will entertain the class at a breakfast. The Juniors' promenade will take place Saturday evening.

Rev. Luther B. Dyott, pastor of the First Congregational Church of Portland, will preach the baccalaureate sermon Sunday morning in the Normal School chapel. Students will hold their last chapel Monday morning at which time members of the faculty will give a resume of the year's work.

Old "grads" will be assembled Tuesday morning at their annual meeting. Alumni Picnic Tuesday. At noon Tuesday the members of the Alumni are to gather on Cupid's Knoll, west of the city, where a picnic will be held.

Wednesday is commencement day. At 10 o'clock William T. Foster, president of Reed College, will deliver the address to the class. Brief ceremonies will follow, in which President Ackerman will make the presentation of diplomas and a short talk to the graduates.

Portland leads in the number of graduates in the class, Eugene is a close second, and Corvallis runs third. Washington, Idaho, Montana, California, and Wisconsin are represented.

The willingness expressed by the graduates to accept positions in rural schools has attracted attention. A strong desire has been shown to become engaged in the work of improving the rural life.

UNION SHOW IS CLOSED

Weather Excellent and Attendance Sets New Record.

Wild West Performances Furnish Thrills Galore and Governor Speaks at Closing Dinner.

UNION, Or., June 5.—(Special.)—The seventh annual stock show closed after three eventful days of fair weather and record-breaking crowds. Friday was Valley day, and vehicles arrived from every part of the district and many La Grande and Baker visitors remained overnight to witness the final results.

The racing events were completed with the chariot race, when H. W. B. Smith's team won, taking three straight contests in as many days.

Despite the many falls, no one suffered severe injury. The maverick race was won again Friday by Dan Clark, after an exciting chase of nearly half a mile. Governor Withycombe, who attended for the entire time, delivered an address at the Opera-House tonight, after which a banquet was spread at Union Hall, where 100 plates were laid.

Starbuck Saloon Robbed. DAYTON, Wash., June 5.—(Special.)—Sheriff Wooten was called to Starbuck yesterday to trace some robbers

CENTRALIA SCHOOLS CLOSE

Petitions for New Building at Lewis Are Circulated.

CENTRALIA, Wash., June 5.—(Special.)—The commencement exercises of the 1915 class of the Centralia High School last night marked the close of a successful school year, the average daily attendance showing a substantial increase over the preceding year.

Portland automobile dealers pool their entire stock of used cars and place them in charge of P. H. Dunn to be sold at auction sale.

JUNE 7, 8, 9, 10, 11, 12. ROMANCE FESTIVAL WEEK will be the big days. Beginning promptly at 10 A. M. and 2 P. M. each day, and to give the working man a chance, we will hold sales each evening, beginning at 7 o'clock.

100 CARS WILL BE OFFERED—100 Trucks, Touring Cars, Roadsters, Jitney Buses of all kinds and makes; some 1915 and 1914 Demonstrators. All cars in good running order. The chance of a lifetime to buy a car at your own price and on EASY TERMS.

BAKER WANTS GARDENER

Civic Improvement League Asked to Employ Expert.

BAKIER, Or., June 5.—(Special.)—Baker plans to have a mutual landscape gardener improve its yards and parkways.

Baker had had an extensive beautifying campaign this Spring, but many say they wish to go further and have all yards improved in a harmonious manner, but there is no one here specially fitted for the work, so ask that the league bring in a man.

Baptist Session at Dryad Ends. CENTRALIA, Wash., June 5.—(Special.)—At the annual session of the Coville Baptist Association, which closed at Dryad Thursday, Orin Wilson, of South Bend, was elected moderator to succeed Rev. C. E. Flanigan, of this city.

Traveling Church Visits Centralia. CENTRALIA, Wash., June 5.—(Special.)—Centralians were treated to a novel sight today in the form of a church on wheels, being a brand new steel coach and one of the most modern chapel cars in existence.

"They say every big family has a black sheep. Well that's the way of the world. Even among Diamond Tires there's about one out of every hundred that isn't just what it ought to be."

Send for our book of letters from dealers who sold Diamond Tires in 1914. It tells how more than 99 out of every 100 of the more than half million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.

Diamond Squeegie Tires are sold at these "FAIR-LISTED" PRICES:

Size	Diamond Squeegie	Size	Diamond Squeegie
30 x 3	\$ 9.45	34 x 4	\$20.35
30 x 3 1/2	12.25	36 x 4 1/2	25.70
32 x 3 1/2	14.00	37 x 5	33.90

VOTE COOPER COMMISSIONER

Mr. E. R. Hickson, of Seaview, Wash., and Mrs. Henry Fitzgerald, of Castlebar, Ireland.

MAN HURT BY HORSE DIES

R. J. Palmer, Resident of Gilliam County for 27 Years, Passes.

CONDON, Or., June 5.—(Special.)—R. J. Palmer, for 27 years a resident of Gilliam County, died at the Condon Hospital June 3 from injuries received two months ago from a horse.

Mr. Palmer was in his 64th year and unmarried. He leaves one brother, Charles, Palmer, of Fossil, and three sisters, Mrs. M. Fitzmaurice, of Condon; Mrs. E. R. Hickson, of Seaview, Wash., and Mrs. Henry Fitzgerald, of Castlebar, Ireland.

They don't judge families by their black sheep. We judge the black sheep by their families. And the better the family the blacker the sheep. So when a Diamond Tire gets into trouble we think more strongly about it because it comes from such a good family.

But isn't it a wonderful record—about one Diamond Tire in every hundred a black sheep—Oh, not really deep-dyed black—let's say it's sort of a dark gray sheep actually.

The difficulty is that Diamond Tires can only be compared with Diamond Tires. There's no other standard of comparison.

Send for our book of letters from dealers who sold Diamond Tires in 1914. It tells how more than 99 out of every 100 of the more than half million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.
