PHILADELPHIA, June 12 .- Miss Molla Bjurstedt, the young Norwegian star, today won the National lawn tennis championship in singles, defeating in the final match at the Philadelphia Cricket Club Mrs. George Wight-

phila Cricket Club Mrs. George Wightman, the Longwood Cricket Club, of Boston. The scores were 4-6, 6-2, 6-0. The victory of Miss Bjurstedt marks the first time in the history of the championship that the title has gone to a foreign player. It was the second National title for the Norwegian, for she won the Indoor tennis championship early in the year shortly after her arrival in this country.

Her defeated opponent, who was Hazel Hotchkiss, of Berkeley, Cal., before her marriage, held the National title three times, having won it in 1909, 1910 and 1911. The championship was won last year by Miss Mary Browne, of Los Angeles, who did not come East to defend her title.

Cup Stays in America. In the tournament Miss Bjurstedt represented the West Side Tennis Club of New York, therefore the Wissa-hickon cup, at least, does not leave the United States.

After winning premier honors in singles, Miss Bjurstedt, paired with Irving C. Wright, of Boston, essayed to win, the National championship in doubles, but went down to defeat before

There were many predictions that Mrs. Wightman's experience and generalship would win her the singles championship again when the two experts faced each other before several thousand people. Early in the match she was unable to get the right length on her returns, so many of them went out of court and a number of others into the net. When once she warmed to her work, hewever, she displayed such brilliant tennis that for the most part she left Mrs. Wightman flat-footed. Mrs. Wightman's usual court craft Mrs. Wightman's usual court crait was much in evidence in the first set and time and again she forced the play to Miss Ejurstedt. That the set was exceptionally well contested is proven by the point scores—37 for Mrs. Wightman and 26 for Miss Bjurstedt. In the second and third sets, Miss Ejurstedt played the side lines with success that was nothing short of remarkable.

With the score four games to one against her in the second set, Mrs. Wightman made a gallant but despairing effort to capture the match. The seven minutes' rest between the second and third sets did not revive Mrs. Wightman's failing energy, for Miss Bjurstedt took the deciding set without the loss of a game.

AFTER you use a pouch, you too will know you have found tobacco satisfaction.

Just tuck it away and let the rich,

satisfying tobacco taste come to you steady and naturally.

"Right-Cut" is the Real Tobacco Chew and you'll know it all right and like it better than the old kind. Pure, rich, mellow tobacco-seasoned and sweetened just enough.

Take a very small chew-less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away.
Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and price. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind. WEYMAN-BRUTON COMPANY
