

JOGS IN STREETS TO BE ELIMINATED

Public Works Department Has Plan for City Improvement Without Cost to Anyone.

NEW PLATS COMPLETED

Tracts to Be Rearranged Have Few Houses on Them and None of These Will Be Touched. Property to Be Decided.

Proceedings which will be started within a week by the city for the replating of Hundson's Addition and other additions on the East Side, will be the opening gun in a campaign by the street extension division of the Municipal Department of Public Works to eliminate jogs in streets in various parts of the city, due to irregular platting of real estate additions. Involved in the first replating proposal is Hundson's Addition, Meadow Park, Fairview Addition and parts of Quinn's Addition and a few other smaller tracts.

At present these additions as laid out form a tangle of streets, some with no outlets, others with abrupt jogs and offsets and others being irregular in width. As it is, the entire district is in bad shape as far as streets are concerned.

Plans Are Prepared. Plans have been prepared by C. F. Fisher, chief of the street extension division, for replating these additions so that the streets will be uniform and regular, with no jogs, blind streets or obstructions. This can be done, it is said, without any of the property-owners losing in any way. There will be a sufficient amount of property to give all present property-owners just as many square feet as they have now, with a sufficient amount of ground left over to provide all the money necessary to do the work.

The tracts at present have few houses on them. None of these will be disturbed. Mr. Fisher has prepared plans and reports showing exactly what changes will be made and just how the property will be divided up so that every present owner will come out at least even. The surplus ground will be due to the abolition of a few small streets which at present lead nowhere. Mr. Fisher has prepared maps showing just how the additions will look after the changes are made.

Reapportionment Is Proposed.

The proceedings as arranged call for the debiting by each property-owner of all his property to the paying off of all street assessments, the satisfying of all mortgages and the paying up of all taxes. In this way the trustee will receive a clear title to all the property and can in turn divide the property equitably after the replating proceedings are completed according to the reapportionment plan that has been prepared.

The proceedings will be started under a provision of the city charter which provides as follows: "When the Council shall determine upon the certificate of the City Engineer or other officer of the plan of an addition or any plat or dedication is improper or unsuitable, it may, by resolution, require the filing of a new plat subject to the considerations hereinbefore set forth, as a condition to the establishment of any grade, or the improvement of any street in such addition."

A meeting of the property-owners in the additions will be held in early July. At this session the plans will be discussed. It is proposed later to start proceedings on other projects of a similar nature in other part of the city.

THE DALLES CLUB TO JOIN

Oregon Agricultural College Organization Picnic Is Today.

The Oregon Agricultural College Club of The Dalles will participate in the picnic today at Bonneville under the auspices of the Portland Oregon Agricultural College Club. Information of the decision of The Dalles Club to go to Bonneville and join the Portland party there has just been received. It is expected that a large party will make the trip from there.

The Portland party will consist of the members of the Oregon Agricultural College Club and the Boomerang Club, which has been invited to be the guest of the college organization. The special train will leave the Union Depot at 9 A. M. and the greater part of the day will be spent at Bonneville. A trip to the hatcheries near there will be made under special guides that will be provided.

CHINA WORKER TO SPEAK

Secretary to Discuss Foreign Fields at Y. M. C. A. Today.

Laurence Todnem, whom the Portland Young Men's Christian Association is seeking as an association secretary to China, will discuss the work of the Young Men's Christian Association in foreign fields and particularly in China at the meeting at 3:15 today in the auditorium.

Mr. Todnem started for China a year ago, but the beginning of the war interfered with his plans, and he has been religious work director of the Tacoma association during the winter. July 2 he expects to sail from San Francisco for the Orient. His wife will accompany him.

He has been a secretary of the Young Men's Christian Association here for some time, when he decided that he wanted to assist in the inauguration of the work in the Far East.

Judge Belt to Stay Week.

Circuit Judge Belt, who for three weeks has occupied a bench in the Multnomah County Courthouse, will remain a week longer to aid the six local circuit judges in clearing up their dockets. For the past week Judge Belt has taken the place of Judge Morrow, who has been absent from the city.

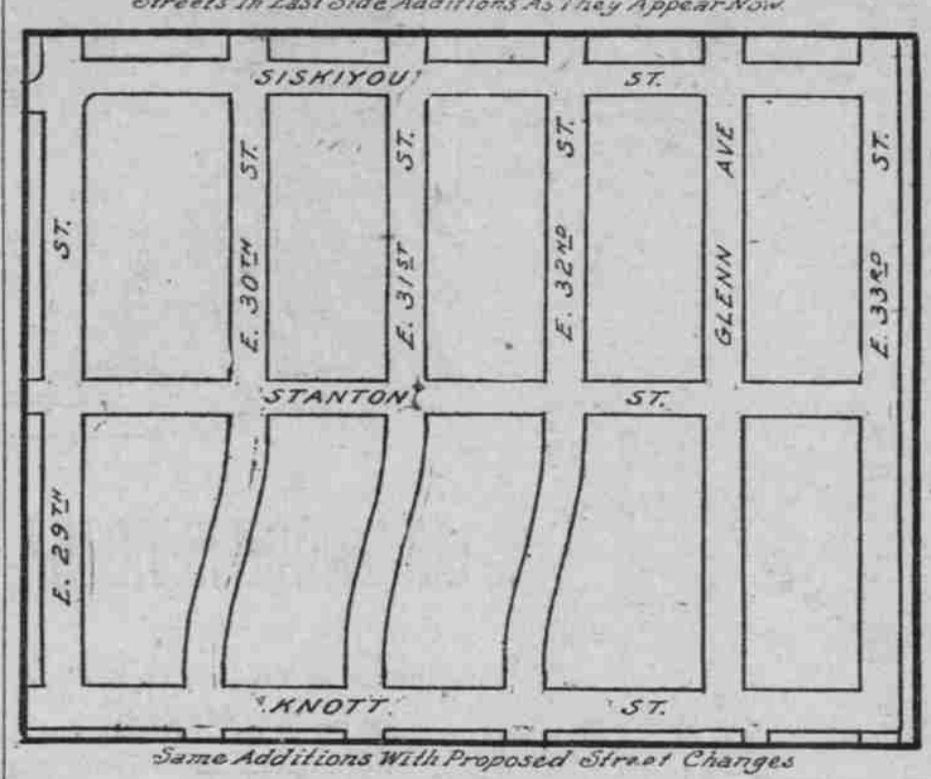

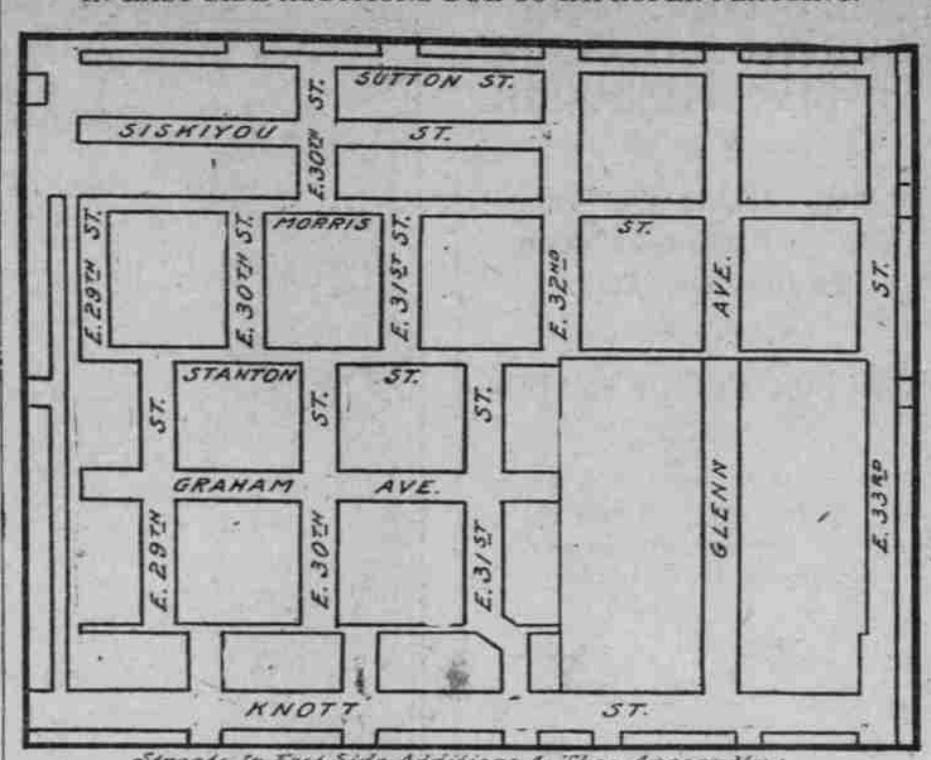

Lents Prohibition Meeting Tonight.

There will be a meeting in the interests of National Prohibition at the Friends' Church, Lents, tonight at 8 o'clock. The speaker will be J. Sanger Fox, secretary of the Oregon Prohibition State Committee, and the subject will be "Christian Citizenship." There will be special music.

Postmaster Myers Speaks Today.

Postmaster F. S. Myers will address the next current events class of the Westminster Presbyterian Church, East Seventeenth and Schuyler streets, today at noon. His subject will be "Some Interesting Facts About the New Post-office."

BOYS' CAMP TO BE OPENED

Association Financing Cascade Project Has \$282 Pledged.

July 5 has been set as the day for the opening of the annual boys' camp at Cascade, Wash., under the direction of the Boys' Camp Association. President Wood, of the association, announced yesterday that \$282 of the \$500 required to make the camp a success had been raised. The camp will be continued at long after July 5 as the funds last. It is expected that approximately 50 boys will take advantage of the opportunity to spend all or part of the summer in the mountains at the camp. The camp will be conducted along lines similar to those followed last summer. A week ago those attending to the financial end of the camp plan had subscriptions totaling \$187. Since then, the amount has been increased to \$282. It is expected the required \$500 will be obtained within a short time. Following is a list of the subscribers to date: R. L. Gisan, \$10; Edward Cookingham, \$10; Dr. A. C. Smith, \$5; cash, \$5; C. W. Carey, \$5; T. T. Munger, \$5; Emily Cabell, \$5; Marion McKenzie, \$2; D. C.
