COAST TEAMS MAY TRAVEL BY WATER

Magnates in Session Smile on Seattle, but No Other Northwestern City.

EXPANSION TALK GUARDED

No Action Possible Unless Class B League Blows Up—Coast Not to Curtail Schedule, What- ever is Done in East.

SAN FRANCISCO, June 19.—(Special)—Pacific Coast League baseball teams may travel up and down the coast by water next season if present plans go through. The magnates who brought their session to a close today without disclosing the real inwardness of their coming together, have a proposition before them from certain of the steamship companies, and it is possible they will accept. Railroad rates are not altogether satisfying to the club-owners, who are inclined to the belief that a schedule can be arranged which will permit water travel.

was invincible after the first inning of the second game, St. Louis winning by 4 to 2. Johnson made a home run in each contest with a man on first, getting three hits in the second. Scores: First game—R. H. E. R. H. E. St. Louis... 6 10 2 Brooklyn... 2 9 1 Batteries—Plank and Hartley; Wilson, Seaton and Land. Second game—R. H. E. R. H. E. St. Louis... 4 10 1 Brooklyn... 2 6 0 Batteries—Crandall and Chapman; Lanitte, Marion and Land.

Kansas City 2-0, Buffalo 0-2. BUFFALO, N. Y., June 19.—Both of today's games developed into pitchers' battles, Henning taking the first for Kansas City 2 to 0, and Anderson winning the second for Buffalo by the same score. Easterly's single in the fifth inning of the first contest sent home the only runs of the game. Scores: First game—R. H. E. R. H. E. Kan. City... 2 5 1 Buffalo... 0 4 0 Batteries—Henning and Easterly; Word and Allen. Second game—R. H. E. R. H. E. Kan. City... 0 6 0 Buffalo... 2 4 1 Batteries—Main, Johnson and Easterly; Anderson and Blair.

RECORD HIT MADE AT SPOKANE

Williams Makes Longest Home Run Ever Seen There, Beating Tigers. SPOKANE, June 19.—Noyes was master of Tacoma today and Spokane evened up the series by winning a 4-to-0 game. Williams furnished the hitting feature by lifting the ball over the double-decked fence in right field for a home run with Wurtz on in the third. The hit was the longest ever made on the Spokane grounds. The Tigers had but one chance to score during the game. That was in the fourth, when three hits were bunched in a row, but a fast double play cut off the rally. Score: R. H. E. R. H. E. Tacoma... 0 6 0 Spokane... 4 9 1 Batteries—Kaufman and Stevens; Noyes and Brengan.

Aberdeen 3, Seattle 1. SEATTLE, June 19.—Aberdeen took another game from Seattle here this afternoon 3 to 1. Mails' lack of control and errors by Morse at critical moments tell the story of the Seattle defeat. Score: R. H. E. R. H. E. Aberdeen... 3 3 2 Seattle... 1 5 4 Batteries—Engle and Vance; Mails and Cadman.

Vancouver, B. C., June 19.—The Victoria-Vancouver game was postponed today because of rain.

ROWING CAMP STIRRED

CHARGE THAT SYRACUSE MEN ARE INELIGIBLE DENIED. Twelve College Crews Out on River Practicing for Big Regatta at Poughkeepsie.

POUGHKEEPSIE, N. Y., June 19.—There was a little stir in the rowing camp along the Hudson late today, when it was reported that the board of stewards of the intercollegiate regatta was investigating the alleged ineligibility of two of the Syracuse oarsmen—F. R. Williams and F. J. Whiteside. Coach James H. Eyck, of the Syracuse crew, and W. E. Shaw, the undergraduate manager, said: "Every student we have here in the rowing club is a bona fide student. There is nothing whatever in this ineligibility story."

FOLLOWING a terrific electrical storm all of the 12 college crews in training here for the regatta were on the river early this evening for the first practice of the day.

After putting his crews through a hot contest, Coach Nickals decided to make the Pennsylvania crew, stroked by Shoemaker, his varsity crew, and the crew stroked by Marsh the junior eight. There are four of last year's men in the varsity crew. Coach Gueren had his Leland Stanford crew out for their first row, and the Pacific Coast eight took a long, easy pull of more than ten miles, rowing in good form.

Coach Courtney took his senior Cornell crew down the river for five miles. The Syracuse crew had a long workout, Coach Ten Eyck giving his men another practice at starts and spurts.

The Columbia crew came down stream, rice giving his rejuvenated senior and junior crews a long, hard row.

FOUR BEST PACERS MATCHED. Directum I, Frank Bogash, Jr., Anna Bradford and William to Race.

DETROIT, June 19.—Four world's champion pacers, Directum I, 1:53.4; William, 2:09; and Anna Bradford, 2:09.4, are entered in the \$5000 free-for-all, which is an added feature of the Blue Ribbon Grand Circuit meeting here July 24 to 30. Local driving club officials claim that never before has a quartet of such famous pacers met in the same race.

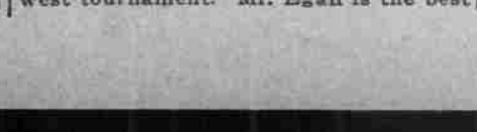

The contest is to consist of three heats, the purse being divided for each heat, and there is an extra \$500 for the horse lowering the record. The event is scheduled for July 27, the Chamber of Commerce stake of \$5000 for 2507 pacers being advanced to July 26, while the M. & M. the \$10,000 trotting classic, is planned for July 28.

TACOMA GOLF TOURNEY TO BE HANDLED FULLY

H. Chandler Egan, ex-Champion of America, Will Write Special Articles for The Oregonian.

THE Pacific Northwest golf championships will be held in Tacoma this week, and, realizing the remarkable advances of golf in the favor and the new interest created by the increase in the number of devotees, The Oregonian has taken steps to supply the demand for special reading.

H. Chandler Egan, of Medford, twice National and four times Western amateur golf champion, has been engaged to write daily accounts of the play in the Northwest tournament. Mr. Egan is the best qualified man in the field to handle the subject.

He will play for the Medford Golf Club, of Medford. Mr. Egan's National golf honors were won in 1904 at Baltusrol and in 1905 at Chicago. In 1909 he was runner up, being defeated by Robert Gardner in a sensation match. 4 and 2. Mr. Egan won the Western golf titles in 1902, 1904, 1905 and 1907. The Oregonian has also taken another step that will, no doubt, win the immediate approval of its readers, to wit, a series of special golf articles by the great English professional champion, Harry Vardon. Vardon's articles are instructive, as well as entertaining, and, if preserved, will form a complete book of instruction of equal value to beginners and advanced players.
