## You Will Accept These New White Gofine Suits With Enthusiasm—Think of It \$8.95, Regularly \$15

Ours is the first house to introduce white gofine suits at such a phenomenally low price, especially at this time, when suits of this kind are in such demand and materials are scarce.

Please note the cut of the coat, reproduced exactly from the finest all-silk Jersey sports coats, which sell from \$30.00 to \$50.00 each.

The skirt, too, is unique, reproducing the smartest of this season's sports styles, gored and flared, having two pockets and trimmed with pearl buttons.

The jacket is 32 inches long, also trimmed with pearl buttons and sash of self material.

Strictly tailored throughout and made from a very fine quality white gofine.
