MICROBE KILLER IS GIVEN INTO HANDS OF MARSHAL.

Owner of Six Cases Offers No Contest to Seizure - Analysis Shows One Part Acid to 99 of Water.

Six cases of Radams' microbe killer, which was despised and rejected by the United States District Court yesterday, in spite of testimonials that ac-companied it, declaring that it would cure distempers and allments from ague to zoanthropy, are now in the hands of the United States Marshal, to be de-

The six cases of microbe killer were seized in April, and Assistant United States District Attorney Johnson wrote to William Radams in San Francisco telling him of the seizure and the na-ture of the complaints the Government had made.

William Radams offered no contest against the seizure, and the goods were condemned yesterday morning. A. S. Weils, a state chemist, reported on analysis that the microbe killer con-

on analysis that the microbe giner con-sisted of one part sulphuric acid and 95 parts water.

He said he would be glad to supply any amount of the microbe killer for 5 cents a bottle, which is quite a cut in rates, considering that the Radams mixture was marked at a retail price of \$1 a bottle.

mixture was marked at a retail price of \$1 a bottle.

Dr. Calvin S. White was called in and asked if it is true that this chemical mixture will furnish tellef or cure in cases of dyspepsia, billousness and various diseases of heart, stomach, kidneys, liver and other organs, besides being, according to the advertisements, an excellent blood purifier. Dr. White said that he would pre-Dr. White said that he would pre-Dr. White said that he would prescribe a glass of circus lemonade as far more likely to have beneficial results in any of the diseases mentioned. He added that the Radams microbe killer had been "exposed" in half a dozen megazines a few years ago.

And now, accordingly, the United States Marshal has six cases on his hande to dispose of—and he says he hasn't any microbes to try it on.

Owners of Yaquina River Lands Hold Title Under Government Patent and Will Fight Case.

NEWPORT, Or., July 24.—(Special.)
—The biggest legal battle ever staged in Lincoln County is about to take place between the Southern Pacific place between the Southern Pacific Company, which owns the Corvalits & Eastern Railroad, and about 75 property owners whose land borders the meander line of the Yaquina River established by the Government. The Southern Pacific Company receditly filed statements of ownership with Walter E. Ball, Lincoln County Assessor, involving property worth a million dollars or more, and for which patents were issued by the

worth a million dollars or more, and for which patents were issued by the Government in the '70s and earlier.

These property holders met today and were addressed by Oswaid West, who, as ex-Land Agent, Rallroad Commissioner and Governor, has thorough knowledge of the situation. Mr. West probably will be engaged to represent the freeholders and J. P. Butler, of Toledo, and State Representative S. G. Irvin, of Newport, were appointed chairman and secretary, respectively. In Involving property pointed chairman and secretary, re-spectively, to investigate further, with spectively, to investigate further, with power to act or call other meetings.

Among those present was Mrs. D. A. McIntyre, who said that she had refused to allow railroad surveyors to cross her property to survey, and who was informed by them that she would soon be paying the Southern Pacific Company rent for a dock on her land, which she purchased from Thomas Ferr, who had received a patent for it from the Government in 1875.

from the Government in 1875. Norwegian Expect Calendar Filed. Vice-Consul Endre N. Cederbergh, of Norway, of this city, has furnished the

Chamber of Commerce with a Norwe-gian export calendar for the year 1814, which gives exhaustive information on the firms of Norway engaged in the export business and the commodities they offer to the foreign trade. This volume has been filed with the Cham-ber and will be at the service of volume has been filed with the Chamber and will be at the service of any business man who wants to study the problem of Norwegian imports. In view of the fact that the Oisen steamship line plans a service to this port later this year, and the Johnson line also is getting into the field through W. R. Grace & Co., it is expected that there will be important developments in the trade relations between Oregon and the trade relations between Oregon and the Scandinavian Peninsula
