Real Old-Fashioned Mark Down New Summer Stocks

Genuine through and through! No spurious stocks of shoddy stuffs or precarious presentations of doubtful doings. Just a good, old-fashioned clearing to reduce and retrench and make way for newly-fashioned features that press vigorously for approval and humbly beg to see the counter light of day. We've inventoried up and now mark down. The best part of all is the keenness of the price cuts. They reach to the very heart of values. You'll be surprised as never before at the clean-cut savings in these genuinely clean stocks.
