### Firing Signal Sounded.

The firing was on a range laid out yesterday about 15 miles east of Port Angeles. Four diminutive targets approximately one mile away appeared impossible target as the Albany steamed through her course at six knots an hour. When the ship hoisted her battle flags and blew her firing signal, the gun crews, stripped for action, were on tiptoe. When the order came to load, every man in the crew shooting did his part in getting the big gun loaded and aimed properly. Powrammed home to propel the 60-pound projectiles. ALLIES UNABLE TO MEET RE-QUIREMENTS OF BULGARIA.

Premier Announces Unbending Attitude in Response to Request of Macedonian Deputies.

LONDON, Aug. 7 .- "Greece will not cede one inch of territory to Bulgaria," was the substance of a reply made by Premier Gounaris to a delegation of Macedonian deputies who asked a statement relative to the purpose of the government, says a Reuter dispatch from Athens.

In the negotiations which have been conducted by the allies of the quadruple entente with Bulgaria in an effort to induce her to enter the war or their side she has insistently demanded that the part of Macedonia which was awarded to Serbia at the close of the Balkan Wars be ceded to her. She also has sought to obtain at least a por-tion of Macedonia territory which came

under the Greek flag in the same way. Macedonia was a Turkish province until the close of the Balkan War. The region embraces a medley of peoples, the chief elements being Slavs, Osmanlis and Greeks. The Slavs are

Bulgarians and Serbs. The statement attributed to M Gounaris is significant in view of the fact that the British, French, Russian and Italian Ministers at Athens called off Port Angeles, on him Wednesday and made united derby on the new mile speedway here Wash. ### Race Full of Thrills

The race itself was full of thrills, axide from its tragic features. For the most of the 200 miles it was a nip-andtuck affair between De Palma, Mulford and O'Donnell, the former keeping the lead the greater part of the time. In the last 15 miles, however, he developed a run of bad luck with his tires which threatened to lose him first place, but he forged ahead in the last three miles and crossed the line ahead of Mulford.
