### JITNEYS TO FIGHT LAW

ENFORCEMENT OF REGULATION ORDINANCE TO BEGIN AT ONCE.

Union, Threatening Injunction. Announces Determination to "Go Limit" in Opposition.

In spite of threats of everything from an injunction suit on up to a general councilmanic recall, city officials yesterday started the enforcement of the jitney regulation ordinance passed by the City Council Friday. The measure will be enforced to the letter, according to plans.

Jitney Inspector Gallup passed yesterday getting things lined up for inspection of cars and drivers. License Collector Hutchinson made plans for the collection of the license fees for the drivers and the police were instructed to enforce the provisions of the ordinance regarding overloading, lighting and similar provisions. The jitneys will receive reasonably time to comply with provisions of the measure regarding lighting, signs and other provisions requiring alterations in cars or equipment.

A. A. Thielk, president of the Jitney Drivers' Union, which is affiliated with the Central Labor Council and the American Federation of Labor, said yesterday that the jitneys will do everything they can to prevent the enforcement of the ordinance. He said an attempt will be made to obtain an injunction and to have the law cast out by the courts.

Mr. Thielk says the jitney union intends to go the limit against the ordinance. He said one of the possibilities is a recall against certain of the Commissioners. He also announces there are 427 jitney drivers in the union and of these all but two voted to contest the ordinance in every way possible.

### COLLEGE OPEN TUESDAY

CHRISTIAN BROTHERS INSTITUTE TO BEGIN EIGHTH YEAR.

Special Attention to Stenotypy, Method of Shorthand, Given in Courses. Instructors Are Competent.

The Christian Brothers College will begin the eighth year of its successful career next Tuesday. Heretofore the college has been in the vanguard of the foremost business colleges of the West, and this year, under a new management, it will use every effort to keep up the high standard of efficiency that made for a brilliant success in the past.

The college gives special attention to stenotypy, the machine method of shorthand. Several of the former graduates have already attained a marked degree of celebrity in manipulating the stenotype, and are using it to great advantage in the pursuit of highly remunerative positions.

The Christian Brothers in charge of the college are men who devote their entire lives to the cause of education and teach for the love of teaching. Their organization is world-wide in its extension and rich in the perfected experience of more than 200 years. Parents who place their boys under the tutelage of these competent instructors have the guarantee that the three-fold nature of the boy, his intellectual, his physical and moral faculties, are properly looked after.

Classes in vocal culture and instrumental music under the able leadership of Mrs. Carty, who achieved such marvels with her glee clubs in former years, will be organized during the first week of school.

Night classes for young men who have not the advantages of a day school course, and who are anxious to better their condition in life, will be begun October 1. Special regard will be had to foreigners who are desirous of acquiring a practical knowledge of the English language.

Brumbaugh, of Pennsylvania, and his party are entertained at dinner tomorrow night at the Hotel Benson, the Governor will be the mark of special honor as Mrs. August Waibel, of 290 Eugene street, has prepared for him a cake, the making of which in former generations in Pennsylvania was a matter of considerable ceremony and only prepared in honor of some distinguished visitors.

The cake is a monster affair, and is in the shape of a lamb, decorated with fancy confections and adorned with ribbons and flags. The mold in which it is baked was brought from Pennsylvania by Mrs. Waibel years ago.

Governor Brumbaugh and his party, comprising more than 100 distinguished men and women of the Keystone state, will arrive from San Francisco at 1 o'clock. The party will be welcomed at Oregon City by a committee composed of J. A. Currey, Thomas J. Swivel and W. J. Henderson.

Upon the arrival of the party in Portland they will be taken to the Hotel Benson for an informal reception and at 2:30 o'clock an auto tour of the city will start. The entertainment is in charge of the Pennsylvania Club of Portland and the Chamber of Commerce.

Dinner at the Hotel Benson at 7 o'clock promises to be a notable affair. Wallace McCamant will be banquetmaster and the visitors will be welcomed by Governor Withycombe. Addresses will also be made by Ernest L. Tuttle, chairman of the Pennsylvania Expedition Commission and Thomas S. Crago, representative-at-large from Pennsylvania.
