

COOPER NOSES OUT SENSATIONAL RACE

First Motor Derby Results in One of Most Thrilling Finishes Recorded.

GIL ANDERSON IS SECOND

Los Angeles Racer Crosses Tape at New Twin City Speedway Just One Second Ahead of Teammate.

FORT SNELLING, Minn., Sept. 4.—In one of the most spectacular and closest finishes ever witnessed at the end of a 500-mile motor race, Earl Cooper, of Los Angeles, today won the first motor derby over the new Twin City Speedway.

Cooper, 5 hours, 47 minutes and 29 seconds; Anderson, 5 hours, 47 minutes and 30 seconds. Cooper's average speed for the race was 86.35 miles per hour.

By his victory Cooper, who drove an American car, won \$20,000, Anderson won \$10,000; O'Donnell \$4,000, and the remainder of \$5,000 was divided proportionately among other drivers to complete the long grind.

Drivers declared that conditions of the Chicago and Indianapolis courses were greatly superior to that of the Snelling course. The rough parts made record time impossible.

Several of the leading entries dropped out during the first 200 miles. "Bob" Burman was the first of these to be eliminated.

Favorite Resta Drops Out. One of the surprises of the race was the withdrawal of Dario Resta, whose French car shot into the lead early in the contest.

Two Hounds and Airedale Are Used by Robert Lovell Wilson and Party—Typical Mountaineer Is Host for Tillamook Outing.

Robert Lovell Wilson returned last week from a successful bear hunt in which he got six bears in five days' hunting in the Coast Range, on the Kilchis River, 15 miles beyond Tillamook.

Wilson stayed in the mountains at "Dad" Thomas, an old friend, whom Mr. Wilson declares is one of the best bear hunters in the business today.

Wilson's party, composed of "Dad" Thomas, his son, William, and Mr. Wilson, used two hounds and an Airedale. The hounds proved the best for bear hunting.

Wilson used a 22 high-power rifle weighing six pounds, with a velocity of 2800 feet a second, which he declares is the best gun for bear hunting.

Wilson is no mean hunter, having followed the paths in all sections of the United States, as well as in the Canadian Rockies.

Wilson and then, after reaching the town by the sea, set out on the hunt. Bear meat was a part of the menu served that evening.

Wilson reports that Jack salmon have started to run in that section and the run will be on in full blast within a couple of weeks.

Wilson is a typical mountaineer, according to Mr. Wilson, and has numerous furs and furs which he has dressed himself that would rival the best taxidermist display in the land.

Wilson reports that Jack salmon have started to run in that section and the run will be on in full blast within a couple of weeks.

MERRILL SENDS HORSES

WELL-KNOWN SPORTSMAN TO ENTER RACES AT SALEM.

STATE FAIR BOARD CALLS FOR LIST OF ROOMS TO BE RENTED DURING WEEK OF SHOW.

STATE FAIR GROUNDS, Salem, Or., Sept. 4.—(Special.)—Fred T. Merrill's stable of three horses, comprising Red Hal, with a record of 2:10 1/4, at North Yakima last year; Zombonum, a 3-year-old in the 30 class; and Selacrus, came in from Centralia, Wednesday morning and will remain until starts are made during the State Fair, September 27 to October 2.

Merrill is a fancy bicycle rider and roller skater. He was the pioneer in this line of work in Oregon, and has ever since been an active sportsman.

Merrill says he has remained out of the aviation game and passed that sport to those who cannot see as much in life as he does.

Charles O. Roe, president, and Jacob T. Buxton, secretary, of the Washington County Fair Association at Forest Grove, came over Tuesday in a car from their home town, accompanied by their wives and Mr. Buxton's daughter, Jeanette.

They expressed the hope that Washington County would be numbered with the list of counties exhibiting this year. They were the prime movers in making the exhibit last year.

The State Fair board desires to have the names and addresses of all persons in and near Salem who will have rooms for rent during the State Fair, to have them listed in the directory at the fair grounds. Each and every citizen is extended a request to make it possible to entertain every visitor to the fair and to urge that visitor to remain the full week.

Mrs. E. T. Weather, a member of the board, who came up on State Fair matters last Saturday, has returned to her Portland home.

Ike Wolfer Returns. According to reports, Ike Wolfer, former intercollegiate star and second baseman of the West Side City League club, returned yesterday from Forsyth, Mont. Manager Rupert, of the Mont. club, did not know of his star young infielder's return when asked if he would use him in his lineup today, but said that probably he would turn him over to the East Side club if he was in town, as he had promised Wolfer to that aggregation upon his return to the city.

A deficit in Italy's trade balance is accounted for in part by the loss of \$100,000,000 a year formerly sent by travelers in that country and \$20,000,000 usually sent home from the United States by laborers.

WINGED 'M' PLAYERS GO INTO TRAINING

Multnomah Football Squad Is Preparing for University of Oregon Game.

EUGENE TRIP IS NEAR

"Judge" O'Rourke Returns From Trip East and Says Ralph Capron Is Coming to Portland and Might Play Here.

Just two weeks from next Saturday Captain Rupert and his Multnomah Club football players will step onto the gridiron at Eugene, Or., to tackle the University of Oregon representatives.

For this reason Captain Rupert has issued practice calls for this morning, starting at 10 o'clock, and for Tuesday and Thursday nights.

Just the number of old-timers and stars who will be out is unknown at present, but even though the weather will work out rather lightly, trying to get down to condition for a strenuous season.

"Judge" O'Rourke, the giant Winged "M" line-man, returned Friday night from the East, where he was called by the illness of his mother. O'Rourke left here August 10, and while traveling he met many of the famous players who will work out with him when he himself was a college boy.

Ralph Capron is said to be the greatest open-field runner ever developed in the East and who played at Minnesota around 1909. He is figuring on coming west after the season will be over and in this event Multnomah Club will receive his services. He is a brother of George Capron, who played baseball with the Seattle team of the Northwestern League a couple of seasons back.

Another football warrior who contemplates a visit to the West and who has been lined up by "Judge" O'Rourke is Art Smith. Smith received the second choice for all American halfbacks while at Notre Dame in 1912, and like Capron he has been playing the game ever since he left school.

"Judge" O'Rourke is a great motorist while in the East. He motored from Minneapolis to Detroit and return, and for a couple of days he took up gold for a change. He will be unable to come out this morning for practice on Multnomah field, he says, because he needs the rest after such a long season's journey last week. Whether or not he will be able to get into condition for the contest against the University of Oregon will not be determined until later in the week.

As yet Manager Pratt has been unable to line up any new games for the wearers of the cardinal and white. The one big trip of the season will be the Panama-Pacific International Exposition, when a football tourney will be decided against the University of the Pacific Coast will be held at San Francisco early in November. The number of players to make the journey will be decided against the University of the Pacific Coast will be held at San Francisco early in November.

Naturator Park is to be the scene of all football games played in Spokane, Wash. This fall, with the exception of the annual Lewis and Clark North Central High School Thanksgiving day embroglio. Manager Eugene Rusk, of Coeur d'Alene, signed a contract with Manager C. J. Beachman, of Naturator Park, to have the field fixed up for play.

Dr. G. J. Sweetland, Jr., who coached the Williams University football team to a 6-to-3 victory over the University of Oregon famous aggregation of 1913, will remain another year as athletic director of Michigan State College, Geneva, N. Y. He was well pleased with the team he got together for the last couple of game last season and he expects to do as well again.

"I see Syracuse University will play in Portland this fall," he writes to a friend here. "The first half of last season Syracuse was powerfully strong, making University of Michigan 29 to 6. Syracuse expects a powerful team again, the best in fact it ever had, but they will need it in Portland. The high grade of football played by the Northwest colleges, and I am mighty glad to learn that Syracuse is going West."

DUPONT FIRM REORGANIZES

Gigantic Powder Company Incorporates at \$240,000,000.

WILMINGTON, Del., Sept. 4.—Application for a charter for the proposed reorganization of the Dupont Powder Company was filed today at Dover. The capitalization of the new concern is \$240,000,000, and its name is E. I. Dupont, De Nemours & Co.

The purpose assigned in the incorporation papers are to deal in and with powder, dynamite and other explosives of a high nature; also to manufacture munitions of war and to erect factories, mills, etc., for the production of powder. The incorporators include Pierre S. Dupont, John J. Haskob and John P. Laffey, all of Delaware.

Railway Mortgage to Be Forclosed. WOODSTOCK, Vt., Sept. 4.—An application of the Guaranty Trust Company of New York to foreclose a mortgage to secure the first and refunding bonds given by the Massachusetts Pacific Railway was granted.

New Member of Family. Puck. Cawker—I've had another addition to my family since I saw you last. Cawker—What's the boy or girl? Cawker—Son-in-law.
