One of the most interesting and charming early-Fall weddings was that of Miss Charlotte Fisher and John Giger, on Wednesday, September 9. A decorative scheme of green and white was effectively carried out in the living-room and dining-room, with trailing ivy and autumnal flowers. A canopy of white blossoms, smilax and ferns, Rev. Pohling, of the Dalles, pronounced the ceremony. Miss Mary Schultz accompanied by Miss Edith Hays, officiated. The bride was gowned in crepe de chine with trimmings of pearls and Chantilly lace, fastened on girlish lines. Her bouquet was Cecil Bruner roses and lilies of the valley. Miss Madeline Nell, the maid of honor, wore a pink pussy-willow taffeta frock and carried pink sweet peas. Mrs. Lillie B. Giger, the bride's mother, was becomingly gowned in electric blue taffeta and black net. Ross Giger was best man.

The greatest list included only the relatives and intimate friends, among the out-of-town guests being: Mr. and Mrs. Ross Clendennan and daughter Ernestine, of Louisville, Ky.; Mr. and Mrs. Seymour Haynes, of Kansas; Misses Lou and Nell Hostetter, of The Dalles; Mrs. Benjamin Giger, of Archibald, Kan.; and Miss Mary Schultz, of Salem. ### Pedagogue Tells of Hike Through Three Counties.

Unlimited Fund of Fresh Air Absorbed for Months of Indoor Life and Food for Retrospect Gained.

OKLAND, Or., Sept. 11.—(Special.)—Gasoline is so cheap and so much more convenient than one's own recumbent exercise as going power that hiking has just about fallen into desuetude. The teaching profession has been the last to cling to pedestrianism as a means to go a-journeing in quest of fresh air and sunshine and an outdoor resource to last through nine long months.

Two Douglas County pedagogues—the mark—have just recently returned from a hike through three Oregon counties. We got the lingering benediction of the skies, we got an efficiency not taught in Summer schools. Our itinerary included Douglas, Coos and Curry. The breezes of three counties cooled our overheated miles of pleasant road stretch long and invitingly in our retrospective vision; valley, mountain and ocean panoramas in our minds, a winter supply to gaze upon from imprising schoolrooms.

Wheat Bundles Follows. The first lap of our journey was from Roseburg to Bandon. We went by train as far as Dillard, staying all night there and starting out betimes next morning to Camas Valley, a distance of 18 miles. We slept out under Camas Valley stars with Camas Valley wheat bundles for pillows, and the next day walked to Eugene, a distance of 26 miles. The next day by 10 o'clock we covered the 11 miles to Coquille, taking a train from there to Coquille and a boat from Coquille down the Coquille River to Bandon.

### SUPERFLUOUS HAIR MUST BE ATTACKED UNDER THE SKIN

It has been proven by the world's greatest authorities that hair is bound to grow out coarser and stiffer after each removal by depilatories and large quantities of depilatories are used. It is impossible to devitalize hair with pastes and rub-on preparations, because they only remove hair from the surface of the skin. DeMiracle, the original liquid depilatory, devitalizes hair by attacking it under the skin as well as on the skin. Imitations of DeMiracle are as worthless as pastes and rub-on preparations, because they lack certain ingredients that DeMiracle alone contains, which give it the power to rob hair of its vitality—its life sustaining force. Buy a bottle of the genuine DeMiracle today and you will get the original liquid depilatory. Others are worthless imitations—refuse them. Remember, you are not asked to buy DeMiracle on a mere promise. The money being refunded, DeMiracle is the only depilatory that has a binding guarantee in each package which entitles you to the refund of your money if it fails. DeMiracle is sold in \$1.00 and \$2.00 bottles. The larger size is the most economical for dermatologists and large users to buy. If your dealer will not supply you, order direct from DeMiracle, Inc., about the treatment of superfluous hair mailed in plain sealed envelopes on return of DeMiracle to the Company, Dept. A, Park Ave. and 129th St., New York—Adv.
