ason---New Merchandise! Everybody Preparing for Fall!

Comparisons Impossible! No Furniture Event, Regardless of the Reason or the Name, Ever Equaled This

Furniture Sensation---\$40,000 Worth for About \$17,000!

Glance at them NOW! See that every article quoted backs up the statement made in our headline!

-We don't know when such sweeping furniture reductions were ever made before in Portland. -We really don't believe they EVER were!

-This is the great final cleaning before the Furniture Store moves from the Temporary Annex. Nothing is bulkier or harder to move than Furniture. We've fairly closed our eyes and cut prices right and left. The sale is made up of

Factory Discontinued Pieces

-Here's your greatest chance to fill in one or two pieces of furniture.

-to furnish a room, or the entire home!

-Remember, HARDLY A PIECE BUT IS LESS THAN HALF! And the original prices were top values, to

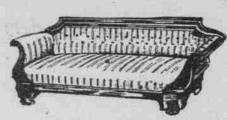

Single Pieces

Suites

-Factories have to change their styles in order to sell more goods! "Discontinued patterns" mean we cannot re-order. Remaining pieces must be closed out. -The Furniture in this sale is from standard factories, selected with a critical eye for quality! Cabinet work and finish are the very best.
