Presbyterian Bible School Celebrates Founding. The school has been organized to furnish the music. The quartet is composed of Ed Norene, first tenor; W. H. Boswell, second tenor; H. J. Scott, first bass; O. G. Gill, second bass; Miss Taylor, accompanist.

The Kenton United Presbyterian Bible school celebrates the fifth anniversary of its organization this week. On September 18, 1910, the first meeting was held in DuPuy Hall at the corner of Derby and Kilpatrick streets. In the beginning the work was under the care of the session of the Church of the Strangers of which Rev. S. E. Dubois is pastor, and that church supplied a number of workers during the first year. The initial enrollment was about 35. This number continued with a slight increase until the next Fall—or after the coming of a regular missionary pastor in the person of Rev. J. S. Cole, who arrived on July 1, 1911. Mr. Cole came from a successful pastorate at Riverside, Cal., where the membership of his church was more than doubled in three years.

One of the first needs of the new school was a home with proper facilities for carrying on the work. This need was met by the erection of the Bible school unit of a church building with accommodations for 500 or more scholars. This building was dedicated on August 4, 1912. On October 1, 1912, Mrs. L. C. Wilkinson was appointed to the superintendency and still serves in that capacity. A full corps of teachers and officers has been enlisted in the work. The school has been thoroughly organized in all its departments with a complete roster of classes in the graded system of lessons. A large junior choir drawn from the membership of the school in the personal direction of Mrs. Wilkinson and leads the singing at the monthly church services.

Efficiency—quality rather than quantity—has always been the motto of the school. More than 300 persons have joined the original 35 until the present enrollment is 350. This Sabbath morning, September 19, five years and six days from the date of its organization, in connection with the regular annual rally day there will be a homecoming for all who have at one time or another been members of the school who have not otherwise been invited are invited to attend. At 6:30 o'clock there will be a Christian Endeavor service, with a special sermon for young people immediately following. At all these services the public will be made welcome.
