## FEDERAL CONTROL DEMOUNCED IN IDAHO

Delegation Pledged to Fight Against Ferris Bill and Others of Its Ilk.

BUSINESS MEN ENLISTED

Senator Borah Declares "East Is Pitted Against West" and Calls for Unanimous Aid From Organizations of State

BOISE, Idaho, Sept. 18.—(Special.)— With the East pitted against the West and Federal aggression bearing down on Idaho and other states in the matter of taking from them the proceeds of their power, grazing and mining lands, this state is determined to continue to fight a policy it believes is retarding development. Idaho's Congressional delegation is

pledged to it; every business organiza-tion in the state is on record in resolu-tions adopted for it, and it has become such a live state issue that no political party can afford to ignore it. Condeming the policy, Senator Borah

"The policy of Secretary Lane, I be-lieve, is to build up the West in har-mony with the entire country, but there is a proposal put forward, not by any party, but by a certain force, which is strongly detrimental to the West.

"East Pitted Against West." "This is a matter where the East is pitted against the West. The natural resources of the East are dissipated. It seeks now to commander those of the West to take their place. Under the proposal it is said that a nominal toll will be charged for the operation of lands under Federal lease, the proceeds to be turned into the coffers of the United States.

"I am opposed to such a policy. They speak of the nominal tell, but the increasing appetite of the various official bureaus makes an increasing toll neces-sary, and the thorough establishment of this leasing system means that the tolls will soon be all that the traffic

"This toll must not rest as a burden for all time on the Western people and the development of the West. It should not go to the United States. It is needed for the educational institutions and for the other public institutions in the states from which it comes.
"In such a fight as must be made against this proposal, your representatives in Congress must have the backing of their people, the press and the periodicals of the section, otherwise their protests will make but a small showing, for they are few in numbers." Schools Need Revenues, He Says.

showing, for they are few in numbers."

Senator Borah's appeal was not wasted. The Commercial Club in resolutions it adopted took particular objection to the passage of the Ferris water power bill by the next Congress water power bill by the next Congress can be repeated by the Governand the general policy of the Govern-ment in seeking to control and ad-minister state resources.

Conference Delegates Named. The last Legislature appointed ex-Governor James H. Hawley, John W. Hart, president pro tem of the state Senate; Arthur M. Bowen, a prominent attorney at Twin Falls, ex-state Senator from Blaine County; F. Stephen Randall, of Lewiston, one of the Re-publican leaders in the last House of Representatives, and John F. MacLane, formerly of this city, now general coun-nel for the Utah Light & Power Com-pany, to attend the water power con-ference in Portland.

Blaine County, who made a strenuous fight on behalf of the Public Utilities Commission, and probably saved it from being seriously crippled during the last mession of the Legislature.

In addition Governor Alexander appointed J. B. Morris, of Lewiston, G. M. Hall and Harold M. Sims, both of M. Hall and Harold M. Sims, both of Hallister. S. I. Wilson of Falor. F. M. The recent enlargement of the Elks' temple makes the home of the Abertumpie makes the Ab

Hollister; S. J. Wilson, of Eden; F. W. Berger, of Berger, and Steffen Bos, of Amsterdam, to attend the Portland conference.

## TEACHERS GOING ON RIVER

Excursion Will Be Feature of Institute to Be Held at Pasco.

PASCO, Wash., Sept. 18.—(Special.)— Benton and Franklin Countles will hold joint teachers' institute in Pasco dur-ing the week beginning October 11. The work will consume five days, The last day will be spent on board a steam-er while making an excursion to White Bluffs and return.

Last year the teachers' institute in Franklin County attracted state-wide attention on account of the practical features worked out for the benefit of the teachers. It is expected that 175 teachers will attend.

Monmouth Schools Open Tomorrow.

The schools of Monmouth will reopen Monday. Plans have been made for an increase in high-school enrollment, while in the training school more pupils are expected to come from the surrounding country this year. After the second semester the high school will receive a building school server. will occupy a building alone, using three floors. The training school will move from the present building to the new state building now being erected, where practice work will be conducted by the Oregon Normal School.

Fair to Be Held at Buena Vista. BUENA VISTA, Or., Sept. 18.—(Special.)—The pupils of the Buena Vista Grammar and High School will hold a local fair in this city Monday. Early in the Spring Principal Dykstra urged every pupil personally to commence industrial work, and as a result of his Summer's company the number of ex-Summer's campaign the number of exhibitors in this section is large. Immediately after the Buena Vista fair pupils will send their vegetable and other exhibits to the annual school children's industrial fair at Dallas.

Dayton Forms Rifle Club.

DAYTON, Wash., Sept. 18,-(Special.) -More than 100 residents of Dayton and Columbia County have formed a local rifle club, for which the organ-ization was perfected this week. The following officers were elected: Will H. Fouts, president; H. E. Hamm, vice-president; Fred Ferg, secretary; Will Weatherford, treasurer, and Judge C. F. Miller, executive officer. Target
